INDEPENDENT AUDITORS' REPORT

Plan Management
Labconco Corporation Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Labconco Corporation Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LABCONCO CORPORATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Labconco Corporation Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution plan sponsored by Labconco Corporation (the "Company") for the purpose of providing retirement benefits for eligible employees. Employees of the Company are eligible for Company contributions after completion of three months of service and may enter the Plan on the following January 1, April 1, July 1, or October 1. Upon entering the Plan, a participant must earn 1,000 hours of service and be employed on December 31 in order to receive an allocation of the current year Company contribution and forfeitures; however, the foregoing requirements do not apply once the participant has attained age 62, dies or becomes disabled. For purposes of elective salary deferrals, employees may enter the Plan on the first day of the month after completion of one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company provides a separate plan for employees covered under a collective bargaining agreement. The Plan is administered by the Company. The Company has overall responsibility for the operation and administration of the Plan. The Company determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Plan restatement - Effective January 1, 2022, the Plan was restated in accordance with the Internal Revenue Service ("IRS") cycle 3 restatement window. The IRS has determined that the volume submitter plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC") and informed the trustee of such in a letter dated September 21, 2022. The plan administrator has adopted the pre-approved plan and believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the IRC.

As a part of the restatement, a temporary employee who completes at least 1,000 hours of service during a plan year will become an eligible employee on the entry date coinciding with or next following the completion of the 1,000 hours of service during the plan year.

Contributions - Each year, participants may contribute up to 50% of annual compensation, as pre-tax contributions or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% percent of eligible compensation. The Plan also includes an automatic escalation provision in which the automatic deferral percentage will increase by 1% per year up to a maximum of 12% of eligible compensation.

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Contributions (continued) - Annual profit-sharing contributions may be made at the Company's discretion. For the years ended December 31, 2023 and 2022, the Company made profit sharing contributions of \$2,093,000 and \$2,525,000, respectively. All contributions are subject to certain IRC limitations.

Participant investment account options - The Plan currently offers various mutual funds and a stable value common collective trust as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Participant accounts - Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's deferral contributions and allocations of (a) the Company's contribution, (b) earnings or losses, and (c) administrative expenses. The Plan allocates Company contributions and forfeitures based on each participant's eligible compensation. For purposes of this allocation, eligible compensation includes overtime, but excludes all other non-base salary including bonuses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of benefits - Upon termination of continuous employment, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of credited service. Participants earn a year of vesting service for each plan year in which they earn at least 1,000 hours of service. Participants are considered fully vested in the case of normal retirement at age 62 or thereafter, death, or disability. Company contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited accounts - At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$45,346 and \$44,510, respectively. These accounts are periodically reallocated to participants. For the years ended December 31, 2023 and 2022, \$45,346 and \$44,510, respectively, of forfeitures were reallocated to participants.

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions - Contributions from Plan participants and the matching contributions from the participating employer are recorded in the year in which the employee contributions are withheld from compensation.

Excess contributions payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to applicable participants prior to March 15, 2024. The Plan distributed the 2022 excess contributions to applicable participants prior to March 15, 2023.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Plan transfers - For the years ended December 31, 2023 and 2022, \$131,197 and \$57,266, respectively were transferred into the Plan from the Labconco Hourly Profit Sharing Plan.

NOTES TO FINANCIAL STATEMENTS

(3) Information prepared and certified by the trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A., the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments:

- Investments at fair value
- Net appreciation (depreciation) in fair value of investments
- Interest
- Dividends
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-bearing cash: Valued at the account balance at year end.

Stable value common/collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, its investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Investments at Fair Value as of 12/31/2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 52,150,752	\$ -	\$ -	\$ 52,150,752
Interest-bearing cash	909,752	-	-	909,752
Total assets in the fair value hierarchy	<u>\$ 53,060,504</u>	<u>\$ -</u>	<u>\$ -</u>	53,060,504
Investments measured at NAV practical expedient (a)				<u>3,174,144</u>
Total investments				<u>\$ 56,234,648</u>

(4) Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Investments at Fair Value as of 12/31/2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 45,807,934	\$ -	\$ -	\$ 45,807,934
Interest-bearing cash	974,369	-	-	974,369
Total assets in the fair value hierarchy	<u>\$ 46,782,303</u>	<u>\$ -</u>	<u>\$ -</u>	46,782,303
Investments measured at NAV practical expedient (a)				<u>4,289,201</u>
Total investments				<u>\$ 51,071,504</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is based on NAV practical expedient per share as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for this investment; the redemption notice period is applicable to the Plan.

Investments	Fair Value 12/31/2023	Fair Value 12/31/2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust:					
Invesco Stable Value Retirement Trust	<u>\$ 3,174,144</u>	<u>\$ 4,289,201</u>	<u>\$ -</u>	Daily	(b)

- (b) Fair value of the investment in the common/collective trust has been estimated using the NAV of the investment. The common/collective trust listed in the above chart can be redeemed for benefit payments and participant transfers to a noncompeting option on a daily basis. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, requires a 12 month written notice.

NOTES TO FINANCIAL STATEMENTS

(5) Related party transactions and party-in-interest transactions

Certain Plan investments are managed by Bank of America, N.A., who is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

Merrill Lynch, Pierce, Fenner & Smith, the recordkeeper of the Plan, is a wholly-owned subsidiary of Bank of America, N.A. As described in Note 2, the Plan made direct payments to the recordkeeper of \$32,899 and \$25,639 for the years ended December 31, 2023 and 2022, respectively, which was not covered by revenue sharing.

Atlanta Consulting Group, is an investment advisor to the Plan, and is a party-in-interest. The Plan made direct payments to the investment advisor of \$23,209 and \$23,080 for the years ended December 31, 2023 and 2022.

The Plan Sponsor pays directly any other fees related to the Plan's operations.

(6) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(7) Tax status

Effective January 1, 2022, the Plan was restated in accordance with the IRS cycle 3 restatement window. The IRS has determined that the volume submitter plan is designed in accordance with applicable sections of the IRC and informed the trustee of such in a letter dated September 21, 2022. The plan administrator has adopted the pre-approved plan and believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Risks, uncertainties and concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

LABCONCO CORPORATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(8) Risks, uncertainties and concentrations (continued)

At December 31, 2023 and 2022 approximately 27% and 26% of the Plan's investments were invested in iShares S&P 500 Index Fund Class K, respectively.

(9) Delinquent participant contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of \$2,825 were not remitted within the required time period for the year ended December 31, 2023. The Company has remitted the late deposits and lost earnings to the Plan.

(10) Subsequent events

The Plan has evaluated subsequent events through October 15, 2024, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
