INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Weber Holdings, LLC 401(K) Retirement Plan
La Crosse, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Weber Holdings, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Weber Holdings, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Weber Holdings, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Weber Holdings, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Weber Holdings, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Weber Holdings, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets Held for Investment and Schedule of Delinquent Participant Contributions, as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WEBER HOLDINGS, LLC 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accounting records of the Plan are maintained on the accrual basis and presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contributions - Contributions by Weber Holdings, LLC are accrued based on the amount determined by the Company for the fiscal year and as allowable by the Internal Revenue Service Code.

Interest and Dividend Income - Interest and dividend income is recorded when earned during the year.

Purchases and Sales of Securities - Purchases and sales of securities are reflected on a trade-date basis. Gain or loss on sales of securities is based on cost. Cost is the fair value at the beginning of the Plan year or historical cost if the security was purchased during the Plan year.

Payment of Benefits – Benefits are recorded when paid.

Cash Equivalents - Cash and equivalents consists of uninvested cash.

Estimates - The preparation of the financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE 2 - PLAN DESCRIPTION

The brief Plan description is provided for general information purposes only; for more complete information, the participants should refer to the Plan agreement.

The Plan is a defined contribution employee benefit plan covering substantially all employees of Weber Holdings, LLC; D Weber, Restaurant II, LLC; Riverside Corporate Wellness; Charmant Hotel; 210 Jay St., LLC; Idea Fund of La Crosse; Viaro Professional Arts, Ltd.; and Riverside Center Maintenance (Weber Holdings, LLC) who have met the eligibility requirements. The Plan was effective January 1, 2015 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – Effective January 1, 2015, Weber Holdings, LLC employees who are twenty-one years of age and have been employed full time and achieve 480 hours in the first three months are eligible to participate in the Plan. If the employee does not satisfy the 480 hours in the first three months, the employee is then required to be twenty-one years of age, have been employed twelve months and have completed at least 1,000 hours of service during the first twelve months of employment to be eligible to participate in the Plan. The Company allows employees to enter the Plan on the first day of next quarter after the eligibility requirements are met during the first twelve months of employment. If the employee does not achieve 1,000 hours during the first twelve months of employment, the employee is then required to be twenty-one years of age and achieve 1,000 hours during the calendar year to be eligible to participate and can enter the plan on the next January 1.

NOTE 2 - PLAN DESCRIPTION, CONTINUED

Forfeitures - Forfeitures of non-vested Company contributions are used to reduce future Company contributions and expenses. During 2023 and 2022, \$10,610 and \$25,370, respectively, of forfeited participant accounts were used to reduce the Company's contributions and expenses. The Company had \$918 and \$101 of unapplied forfeitures at December 31, 2023 and 2022, respectively, which may be used to pay Plan fees or Company contributions.

Contributions - Under provisions of the Plan, employees may contribute up to 100% of their annual wages up to the maximum percentage allowable by Internal Revenue Code Sections 401(k), 402(g), 404 and 415. The Company may make matching contributions equal to a discretionary percentage of the employee's deferral up to a limit of 6% of wages defined in the Plan document. For 2023 and 2022 the match was 3%. Employees may change their investment elections daily. Each employee's account is credited with his contribution and an allocation of the Company's contribution, Plan earnings, and forfeitures of non vested accounts of terminated employees. Allocations are based on employees' earnings or account balances, as defined. The benefits to which an employee is entitled are the benefits that can be provided from his/her account.

Vesting - Participants' accounts are vested according to the following schedule for employer contributions:

Years of Service	Percentage Vested
After 1 year	25%
2 years	50%
3 years	100%

This means that the vesting percentage times the employees account is his/her benefit if they terminate employment. Employee contributions are always 100% vested.

Payment of Benefits - Upon termination of service of an employee, or in certain hardship cases, an employee may elect to receive benefits by a lump sum payout, a series of substantially equal periodic installments not to exceed the participant's life expectancy, or partial withdrawals as described in the Plan's provisions.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs rather than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds are based on quoted prices of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of these investments are determined by pricing data provided by outside valuation service providers who generally use the mean bid/ask prices but may also use alternative observable pricing inputs including discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Level 3 Fair Value Measurements

The fair value of these investments are determined by inputs to the valuation methodology that are not observable and are significant to the fair value measurement.

For the years ended December 31, 2023 and 2022, there were no significant transfers between Levels 1, 2, or 3.

NOTE 5 - ADMINISTRATIVE EXPENSES

The Plan's sponsor pays certain plan administrative fees, audit fees, and ERISA bond coverage for the Plan. These expenses are not reflected on the statement of changes in net assets.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to on the cash basis as complete and accurate by the trustee, Trust Point, Inc. as of December 31, 2023 and 2022.

Certified by Trustee

	2023	2022
Investments at fair value:		
Cash and equivalents	\$ 17,860	\$ 1,894
Investments	3,234,227	2,588,264
Additions to net assets:		
Interest, dividends and capital gains on mutual funds	58	224
Net appreciation (depreciation) in fair value investments	409,826	(453,529)

NOTE 7 - INCOME TAX STATUS

The Plan has received a determination letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, collateral and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are managed by TrustPoint, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amount to \$16,991 and \$15,698 for the years ended December 31, 2023 and 2022, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 11 – AMOUNTS OWED TO PARTICIPANTS WITHDRAWING FROM THE PLAN

There were no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2023 and 2022.

NOTE 12 – CONCENTRATIONS

The Plan's investments that represented 15 percent or more of the Plan's net assets available for benefits as of December 31, 2023 and 2022 are as follows:
