### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of **J.M. Wilson Corporation Retirement Savings Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **J.M. Wilson Corporation Retirement Savings Plan**

---

**Notes to Financial Statements**  
**December 31, 2023 and 2022**

## **Note 1 – Description of the Plan**

The following description of the J.M. Wilson Corporation Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

### **General**

The Plan is a defined contribution plan established January 1, 1985 and restated effective January 1, 2021. The Plan is sponsored by J.M. Wilson Corporation (the “Company”). The Plan covers substantially all employees of the Company who have reached one month of service. Employees who have reached six months of service are eligible for employer matching contributions and employer discretionary profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### **Contributions**

As a defined contribution plan, all funding for the Plan is made at the discretion of the Company or its employees. Under the Plan agreement, employees may contribute up to the maximum allowed under federal tax law. Participants may designate these deferrals to be pre-tax or Roth contributions. Participants may also contribute amounts representing rollovers from other qualified plans. The Plan allows for catch-up contributions for those age 50 and over during the Plan year, subject to certain limitations. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Plan provides for employer matching contributions in an amount equal to 100% of the participant contributions up to 4% of eligible compensation. The Plan may also make discretionary profit sharing contributions at a rate determined annually by the Board of Directors. All contributions are limited by the Internal Revenue Code.

### **Participant Accounts**

Participants may elect to invest their contributions in various pooled separate accounts. The participants' balances and contributions are allocated based on the participants' elections. The income and expenses of each fund are allocated to the participants' accounts based on the percentage of each participant's account balance to the total balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## **Notes to Financial Statements (Continued)**

**December 31, 2023 and 2022**

### **Note 1 – Description of the Plan (Continued)**

#### **Vesting**

Plan participants' contributions, employer matching and employer discretionary profit sharing contributions and earnings thereon are immediately vested.

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may have only two notes outstanding at a time. The notes are secured by the balance in the participant's account. The note interest rate is set at 2% above the prime rate, as defined. Principal and interest are repaid ratably through payroll deductions over a period of five years or less, unless for the purchase of a principal residence, in which case the note term may exceed five years.

#### **Payment of Benefits**

On termination of service due to death, disability, separation, or retirement, a participant (or a participant's beneficiary in the event of death) may elect to receive a lump sum amount equal to the value of the participant's interest in his or her account. If termination of employment occurs prior to the participant's retirement date, and if such participant's total benefits under the Plan exceed \$5,000, a participant may request the distribution of benefits be deferred until the date of the retirement age. Account balances less than \$5,000 will automatically be distributed in cash to the participant. Hardship withdrawals, as defined by the Plan, are allowed from participant contributions, including rollover contributions.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA.

### **Note 2 – Summary of Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Notes to Financial Statements (Continued)**  
**December 31, 2023 and 2022**

## **Note 2 – Summary of Accounting Policies (Continued)**

### **Investment Valuation**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of the Plan, of notes receivable from participants and of certain benefit payments are charged directly to the participant's account and are included in administrative expenses.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution is recorded.

### **Payments of Benefits**

Benefits are recorded when paid.

### **Subsequent Events**

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued, and determined that no disclosure in these financial statements was necessary.

## Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, other inputs that are observable, or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Pooled Separate Accounts (PSA):* Valued based on the underlying investments (i.e. mutual funds, fixed securities). While the underlying asset values are based on quoted prices, the net asset values (NAV) of the PSA is not publicly quoted.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

## Notes to Financial Statements (Continued)

December 31, 2023 and 2022

### Note 4 – Information Certified by John Hancock Life Insurance Company (Continued)

| Year Ended December 31,                                                      | 2023         | 2022           |
|------------------------------------------------------------------------------|--------------|----------------|
| Net Appreciation (Depreciation) in Fair Value of<br>Pooled Separate Accounts | \$ 1,979,365 | \$ (2,382,959) |
| Interest on Notes Receivable from Participants                               | \$ 13,570    | \$ 7,927       |

### Note 5 – Related Party and Party-In-Interest Transactions

For the years ended December 31, 2023 and 2022, the Plan made a direct payment to Kushner & Company of \$2,240 and \$2,400, respectively. Kushner & Company is the third-party administrator, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2023 and 2022, the Plan made a direct payment to Mercer Global Advisors Inc. of \$29,204 and \$27,800, respectively. Mercer Global Advisors Inc. is the financial advisor, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for additional investment management services are included in net appreciation or depreciation of fair value of investments. The Company pays directly any other fees related to the Plan's operations. Notes receivable from participants also qualify as party-in-interest transactions.

### Note 6 – Income Tax Status

The IRS has determined and informed Kushner & Company, the Plan's third-party administrator, by a letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan With CODA (the prototype plan upon which the Plan is based) is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirement of the IRS and, therefore, believes the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I understand and agree to all pages of this form and instruction guide, and affirm all information is correct.

I acknowledge the following:

I request a transfer of my account according to my instructions on the form. Once a payment has been processed, it cannot be changed or reversed.

Under penalty of perjury, I certify that the U.S. Social Security number or U.S. Taxpayer Identification number I have provided in Step 1 is correct.

If I request a full withdrawal from my account, any residual amounts that may be posted to my account will be paid out in the same manner as I have elected on this form. I consent to any subsequent payment of these residual amounts in accordance with this form.

### Please note:

This withdrawal request may be subject to an administrative review period prior to processing, and the investments in your account will not be sold until the withdrawal is completed. The review period may take several business days. Your investments may fluctuate with market performance, so you may want to review your account with an advisor prior to making a withdrawal request. If you initiate a fund transfer during the review period, it may delay your withdrawal. If you want to make investment changes prior to withdrawal, please contact us or access your account online.

Upon completion of the administrative review, the withdrawal may be processed, but the proceeds remain subject to certain verification controls before delivery. If the verification controls are not completed for any reason, the proceeds of the withdrawal will be redeposited into your account as of the current market price on the date of redeposit.

**I understand that a \$40 withdrawal fee will be deducted from my withdrawal amount.**

**Any person who presents a false or fraudulent claim is subject to criminal and civil penalties.**
