Independent Auditor's Report

The Plan Administrator
Tax Deferred Annuity Plan of United Cerebral Palsy of Queens, Inc.
DBA Queens Centers for Progress
Jamaica, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of the Tax Deferred Annuity Plan of United Cerebral Palsy of Queens, Inc. DBA Queens Centers for Progress (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, management has not maintained, and Mutual of America Life Insurance Company (Mutual of America) did not provide, sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (GAAS) and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Notes to Financial Statements

1. Description of the Plan

The following description of the Tax Deferred Annuity Plan of United Cerebral Palsy of Queens, Inc. DBA Queens Centers for Progress (the Plan) provides only general information. Participants should refer to the Plan Document or Summary Plan Description (SPD) for a complete description of the Plan's provisions. The Plan is sponsored and administered by United Cerebral Palsy of Queens, Inc. DBA Queens Centers for Progress (QCP).

General

The Plan was established on July 1, 1979. It permits only employee salary reduction contributions made pursuant to voluntary salary reduction agreements and it does not provide for any contributions by QCP. All contributions under this Plan are invested in one or more of the available investment options. The Plan, and its underlying investments, are intended to comply with Section 403(b) of the Internal Revenue Code (the Code) and are subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Prior to January 1, 2009, Mutual of America Life Insurance Company (Mutual of America) maintained records at the contract level, as opposed to the plan level. Neither Mutual of America nor the Plan sponsor have been able to produce sufficient accounting records and supporting documents related to certain annuity and custodial accounts issued to current and former participants prior to January 1, 2009. As a result, the completeness and accuracy of the annuity and custodial accounts, related investment income, and distributions related to those accounts could not be determined.

Participation

An employee becomes eligible to participate in the Plan, with respect to making elective deferrals, beginning on the date of hire.

Contributions

Each year, participants are permitted to contribute to the Plan an amount not to exceed the dollar limitation of \$22,500 for 2023 and \$20,500 for 2022, as prescribed by the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 for 2023 and \$6,500 for 2022. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Participant Accounts

Each participant's account is set up and maintained by the Plan administrator on the employee's behalf. Each participant's account is credited with the participant's contribution and earnings and charged with withdrawals and an allocation of losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Tax Deferred Annuity Plan of United Cerebral Palsy of Queens, Inc.
DBA Queens Centers for Progress**

Notes to Financial Statements

Vesting

Participants are immediately 100% vested in their salary deferral contributions, rollovers and catch-up contributions, and any income or loss thereon.

Payment of Benefits

Upon termination of service due to retirement or separation, disability, or death, a participant or beneficiary will receive the balance in the participant's account and may elect any method of payment permitted by the affected annuity contract. If the balance of the account is less than \$1,000, it will be paid in a lump-sum payment.

Participant Loans

Participants may borrow directly from Mutual of America a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans between the participant and Mutual of America are secured by the balance in the participant's account and bear interest at rates that may not exceed the legal limit. Participants receiving such loans are required to pledge as collateral the loan amount plus 20% to be maintained in the interest accumulation account. Loan repayments are made over a period not to exceed five years, except for the purchase of a primary residence, which may be repaid over a reasonable period of time not to exceed ten years.

The loans are not shown on the Plan's statements of net assets available for benefits, as the loans are not made from Plan assets and are, therefore, not considered assets of the Plan. Loan balances outstanding from Mutual of America to the Plan's participants were \$132,826 and \$215,933 for the years ended December 31, 2023 and 2022, respectively. As such, \$159,391 and \$259,120 for the years ended December 31, 2023 and 2022, respectively, of interest accumulation account values (120% of the outstanding loans from Mutual of America) serve as collateral for the related loans. Loan interest rates are variable at prevailing interest rates and can be increased or decreased each quarter by Mutual of America. Principal and interest are paid ratably directly by the Plan participant to Mutual of America.

2. Summary of Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan are presented under the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Fair Value Measurement

GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable, as follows:

Level 1 - These valuations are based on quoted market prices in active markets for identical assets or liabilities at the measurement date. Since valuations are based on quoted market prices that are

Tax Deferred Annuity Plan of United Cerebral Palsy of Queens, Inc.

DBA Queens Centers for Progress

Notes to Financial Statements

readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

Level 2 - These valuations are based on: (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted prices that are observable for the asset or liability, and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - These valuations are based on inputs that are unobservable and reflect management's best estimate of what market participants would use as fair value.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive guaranteed interest contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. There have been no changes in the methodologies used at December 31, 2023 and 2022. See Note 3 for discussion of fair value measurements and Note 4 for discussion of contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by QCP. Expenses that are paid by QCP are excluded from these financial statements. When fees related to the administration of benefit payments and general service charges are not paid by QCP, they are charged directly to the participant's account and reported as administrative expenses on the statements of changes in net assets available for benefits. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Use of Estimates

The preparation of financial statements, in conformity with GAAP, requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, and expenses, as well as the disclosures of contingent assets and liabilities. These estimates include the fair value of investments. Actual results could differ from those estimates.

Tax Deferred Annuity Plan of United Cerebral Palsy of Queens, Inc. DBA Queens Centers for Progress

Notes to Financial Statements

Reclassifications

Certain amounts included in the 2022 Plan's financial statements have been reclassified to conform to the 2023 presentation.

3. Fair Value Measurements

A description of the valuation technique applied to the Plan's major category of assets and liabilities measured at fair value is as follows:

Separate Accounts - Separate accounts are valued at their accumulation unit value (AUV), which approximates fair value. The AUV is determined daily based on the net asset value (NAV) of shares of the underlying fund, the fund's dividends, and the separate account charges (i.e., the daily asset charge). The Plan's investments in the separate accounts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments.

The investments in separate accounts, which are valued at AUV, have not been classified in the fair value hierarchy, in accordance with Accounting Standards Update (ASU) 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)*. The underlying funds of the investments in separate accounts are with various registered investment companies whose investment strategies are to seek capital appreciation through investment in common stocks, fixed-income securities, and mutual funds.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan had no financial assets and liabilities that were measured at fair value on a non-recurring basis during the years ended December 31, 2023 and 2022.

4. Fully Benefit-Responsive Guaranteed Interest Contract

The Plan entered into a fully benefit-responsive guaranteed interest contract with Mutual of America. Mutual of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), and (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation

DBA Queens Centers for Progress

Notes to Financial Statements

of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The guaranteed interest contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

5. Certified Investment Information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America, a qualified institution.

6. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71 and the draft Listing of Required Modifications issued April 4, 2009. Accordingly, the Plan is permitted to rely on the opinion letter, dated March 31, 2017, stating that the 403(b) Plan was designed in accordance with the applicable sections of the Code. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and therefore, believes that the Plan is qualified.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan provides for various investment options in any combination of funds offered by the Plan. These funds are exposed to various risks, such as interest rate, market, and credit risks. For the general accounts of Mutual of America, the Plan is subject to the risk that Mutual of America is unable to fulfill all of its obligations. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Party-in-Interest Transactions

The Plan's investments are managed by Mutual of America, which is also the custodian of the Plan's assets. These transactions qualify as party-in-interest transactions.

**Tax Deferred Annuity Plan of United Cerebral Palsy of Queens, Inc.
DBA Queens Centers for Progress**

Notes to Financial Statements

9. Plan Termination

Although it has not expressed any intent to do so, QCP has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant will remain 100% vested in their account, and the net assets of the Plan will be distributed as prescribed by ERISA.

10. Subsequent Events

The Plan's management has performed subsequent event procedures through October 11, 2024, the date on which the financial statements were available to be issued, and there were no subsequent events requiring adjustments to the financial statements or disclosures.
