Independent Auditors' Report

To the Participants and Plan Administrator of the
Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan
Aliquippa, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Moderne Glass Company, Inc 401(k) & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

1. Plan Description

The following description of the Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General and Eligibility

The Plan is a defined contribution plan covering all eligible employees of Moderne Glass Company, Inc. (the Company) who have completed one year of service and are age eighteen or older. The Plan does not cover employees whose employment is governed by a collective bargaining agreement.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

The Plan provides that employees electing to participate may contribute to the Plan, through pretax payroll deferrals, a selected percentage of compensation as defined by the Plan. Due to limitations imposed by the Internal Revenue Code (IRC), the aggregate amount of deferrals with respect to any participant cannot exceed \$22,500 for 2023 and \$20,500 for 2022. A participant that has reached the age of 50 by the end of the tax year may contribute an additional \$7,500 for 2023 and \$6,500 for 2022 as a catch-up contribution.

The Company contributions are at the sole discretion of Management. Discretionary Company contributions are allocated based on participant compensation to total compensation for all eligible participants. In order to receive a discretionary Company contribution, an employee must have worked 1,000 hours during the plan year and be employed on the last day of the plan year or have separated from employment during the plan year and completed more than 500 hours of service. The Company authorized discretionary profit sharing contributions of \$60,000 for both 2023 and 2022, which were processed on June 4, 2024 and June 9, 2023.

Participant Accounts

Each participant’s account is credited with a) participant’s contributions, b) allocation of the employer discretionary contribution, and c) Plan earnings less applicable expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

1. Plan Description (cont.)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six (6) years of credited service based upon a two to six year graded term in accordance with the Plan document; or immediately if a) employment is terminated due to death or disability, b) retirement upon attaining age 65, or c) Plan termination.

<i>December 31,</i>	Percent Vested
Less than 2 years	0 %
Less than 3 years	20 %
Less than 4 years	40 %
Less than 5 years	60 %
Less than 6 years	80 %
Six or more years	100 %

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Withdrawal of a portion of a participant's account is permitted due to an immediate and heavy financial need.

Forfeited Accounts

Forfeitures of non-vested Company contributions will be used to reduce future employer discretionary contributions. There were no forfeitures applied to the employer profit sharing during 2023 and 2022. The balance remaining in the forfeiture account at December 31, 2023 and 2022 was approximately \$2,285 and \$604, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Notes to Financial Statements December 31, 2023 and 2022

1. Plan Description (cont.)

Cares Act and Plan Provisions

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions through December 31, 2020 up to \$100,000;
- Increase the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance through December 31, 2021;
- Permit COVID-19 impacted participants to take out loans while on furlough;
- Extend the period for loan repayments, if applicable, up to one year through December 31, 2021; and
- Required minimum distributions related to the 2020 calendar year were waived, including those scheduled to be paid after December 31, 2020 but before April 1, 2021

The Plan formally adopted the provisions above by amendment in April 2022.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value (see Note 5), except for the fully benefit-responsive investment contract, which is reported at contract value (see Note 6). The fair value of the financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchase and sales of investments within the Plan are reflected on a trade date basis.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (cont.)

Dividend income is recorded on the ex-dividend date. Interest income is recorded using the effective interest method.

The net appreciation/(depreciation) in fair value of investments is the difference between the quoted market value of the Plan's investments at the end of the year compared to the quoted market value of such investments at the beginning of the year.

Use of Estimates

The preparation of financial statements in accordance with generally accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, the actual amounts could materially differ from those estimates. Any adjustments applied to the estimated amounts are recognized in the year in which such adjustments are determined. Significant estimates include fair value measurements of Plan investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Related Party Transactions/Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net (depreciation)/appreciation in fair value of investments.

The Company entered into an Administrative Services Agreement (the Agreement) with TransAmerica Financial Life Insurance Company (Transamerica). Transamerica Retirement Solutions (TARS), an affiliate of TransAmerica, is the third party administrator. This agreement includes a revenue-sharing arrangement whereby TransAmerica shares revenue generated by the Plan in excess of their fee. Deposits relating to the revenue-sharing arrangement are invested in the guaranteed income fund, and are used to pay other Plan expenses with any remaining amounts reallocated to participants.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (cont.)

Activity related to income, revenue sharing, and expenses for the years ended December 31, 2023 and 2022 include revenue sharing transfers in of \$46,781 and \$28,101, and transfers out to pay direct fees of \$30,307 and \$35,151, respectively.

Plan Expenses

Plan expenses consisted of \$30,307 and \$35,151 in administrative service fees, \$14,500 and \$14,300 in accounting and professional fees, and \$0 and \$4,300 in other expenses for the years ended December 31, 2023 and 2022, respectively.

Payment of Benefits

Benefit payments are recorded when paid.

Reclassifications

Certain amounts in the prior year financial statements have been reclassified to conform with the current year presentation.

3. Concentrations of Credit Risk

The following presents investments that represent 10% or more of the Plan's net assets available for benefits.

December 31,	2023	2022
MFS Value A	\$ 532,902	\$ 485,419
Vanguard Long Term Invest-Grade Admiral	\$ 527,421	\$ 464,833

4. Tax Status

The Plan document, which was amended and restated effective April 22, 2022, is a TARS Standardized Prototype Cash or Deferred Profit Sharing Plan, which previously received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. It is the opinion of the Plan Administrator that the Plan and its underlying trust have operated within the terms of the Plan and are qualified under the applicable provisions of the IRC.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2023 and 2022

4. Tax Status (cont.)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor (DOL). Management has evaluated the Plan's design and operation and has concluded that the Plan is designed and has been operated in compliance with the applicable requirements of the IRC. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Fair Value Measurements

ASC 820, *Fair Value Measurements and Disclosures* (ASC 820) establishes a framework for measuring fair value. The standard provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include; a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements December 31, 2023 and 2022

5. Fair Value Measurements (cont.)

The following is a description of the valuation methodologies used for assets measured at fair value. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. The Plan had no material financial liabilities as of December 31, 2023 and 2022.

Investment Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,707,215	\$ -	\$ -	\$ 4,707,215
Investments, at fair value	\$ 4,707,215	\$ -	\$ -	\$ 4,707,215
Investment Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,946,324	\$ -	\$ -	\$ 3,946,324

Notes to Financial Statements December 31, 2023 and 2022

6. Stable Value Fund

Transamerica's Stable Value Account is a fully benefit-responsive investment, and is reportable at contract value in the defined contribution plan's financial statements.

The Transamerica Stable Value Account can be described as:

1. The Stable Value Account investment choice is a non-tradable obligation of Transamerica. The investment's contract or proceeds cannot nor will not be assigned or sold to another party without the consent of Transamerica.
2. The repayment of principal and interest credited to participants holding the investment is a financial obligation of Transamerica. However, if an event should ever occur such that realization of full contract value for a particular investment contract is no longer probable.
3. The terms of Transamerica's Group Annuity Contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those allowed by the underlying defined contribution plan such as withdrawals for benefits, loans or transfers to other investment choices within the plan.
4. Since the Stable Value Account investment choice is an obligation of Transamerica, the occurrence of an event that limits the ability of the investment to transact at contract value between Transamerica and a participant holding the investment is not probable.
5. The Stable Value Account investment choice allows a participant reasonable access to their assets.

7. Information Certified by the Plan's Custodian

Certain information related to investments are disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments from mutual funds, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Retirement Solutions (a qualified institution and trustee of the Plan). The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

<i>December 31,</i>	2023	2022

7. Information Certified by the Plan's Custodian (cont.)

The Plan's investment income (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value as follows:

<i>Years ended December 31,</i>	2023	2022
Mutual funds	\$ 513,921	\$ (813,390)
Total	\$ 513,921	\$ (813,390)

<i>Years ended December 31,</i>	2023	2022
Dividends and interest:		
Mutual funds	\$ 108,508	\$ 81,226
Stable Value Account	4,228	1,502
Total	\$ 112,736	\$ 82,728

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

8. Transactions with Parties-in-Interest

Certain Plan investments are managed by TARS. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for custodial and recordkeeping services were \$30,307 and \$35,151 for the years ended December 31, 2023 and 2022, respectively.

9. Subsequent Events

Subsequent events have been evaluated through October 11, 2024, the date the financial statements were available to be released. Management did not identify any events requiring recording in or disclosure to the financial statements as of and for the year ended December 31, 2023, except as follows:

Effective October 1, 2024, the Plan terminated the plan administrator agreement with Transamerica Retirement Solutions and contracted with Principal to be the new plan trustee.
