INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Galvion LTD 401(k) Retirement Plan
South Burlington, Vermont

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Galvion LTD 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Galvion LTD 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Galvion LTD 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Galvion LTD 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Galvion LTD 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Galvion LTD 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Galvion LTD 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE A DESCRIPTION OF PLAN

The following description of the Galvion LTD 401(k) Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering employees of the Company. There is no age or service requirement for elective deferral contributions. Employees must be over 21 for all other contributions and require 1 year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was originally adopted January 1, 2009.

Contributions

The employer may elect to make Qualified Nonelective contributions as selected in the Adoption Agreement. The amount of such contribution, if the Employer as will determine any, to the Plan for each plan year, described in the Plan document, subject to IRS dollar limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in employer contributions at a rate of 20% per year starting after two years of service.

Payment of Benefits

On termination of service due to death or disability, a participant may elect to receive a lump sum in the same plan year in which the forfeiture occurs in the amount equal to the value of the participant's vested interest in their account, or annual installments.

Investment Valuation

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investment contracts held by a defined contribution plan are required to be reported at fair value.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Payment of Benefits

Benefits are recorded when paid.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Allowance for Doubtful Accounts

The plan considers allowance for doubtful accounts to be amounts that would not be collectible by the plan. All participant loans are secured by vested participant balances. Therefore, there is no allowance for doubtful accounts at December 31, 2023 and 2022.

NOTE C INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified by the custodians, John Hancock Life Insurance Company and the Principal Trust Company.

	<u>2023</u>	<u>2022</u>
Participant directed investments:		
Cash	\$ 5,830	\$ 2,079
Mutual funds	3,715,707	663,407

Pooled separate accounts	-	48,042
Net appreciation/(depreciation) in fair value of investments	493,489	(389,145)
Interest and dividends	-	13,340

NOTE D FAIR VALUE MEASUREMENTS

Fair value measurements establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under described below:

Basis of Fair Value Measurement

- Level 1- Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2- Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. (market approach)
- Level 3- Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Galvion LTD 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE D FAIR VALUE MEASUREMENTS (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023 and 2022. As required by ASC Topic 820, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE D FAIR VALUE MEASUREMENTS (continued)

* In accordance with Subtopic 820-10 (under ASU 2015-07), certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Pooled Separate Accounts: Composed primarily of mutual funds. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Restrictions on redemption include the following:

- a. when the New York Stock Exchange is closed, or trading on the New York Stock Exchange is restricted;
- b. when an emergency exists and as a result of which (1) disposal of the securities held in the Sub-Accounts is not reasonably practicable, or (2) it is not reasonably practicable for the value of the net assets of the Separate Account to be fairly determined; or
- c. when the Securities and Exchange Commission may, by order, permit for the protection of Contract Owners. The conditions under which trading will be deemed to be restricted or emergency is deemed to exist is determined by rules and regulations of the Securities and Exchange Commission.

Common/Collective Trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Transfers resulting from employer-initiated events require 12 months' advance written notice to the Trustee for the fund. The Trustee for the fund may waive or reduce the 12-month requirement to the extent that the trustee for the fund determines that such waiver or reduction would not negatively impact the Fund or the Participating Trusts. Subject to limitations in the Trust Document for the fund, participants may make withdrawals to make bona fide benefit payments in accordance with the plan provisions, to direct their own investments, to make participant loans, and to pay fees.

Pooled separate accounts and common/collective trusts are not leveled. Assets held at fair value are valued using Net Asset Value per share as a practical expedient (\$0 and \$1,725,968 at December 31, 2023 and 2022, respectively).

NOTE E PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan at any time to terminate the Plan subject to the provisions of ERISA.

Galvion LTD 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE F TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Consideration has been given to uncertain tax positions. The federal income tax returns for the years ended after December 31, 2020, remain open for potential examination by the Department of Labor, generally for three years or, in cases of fraud or concealment, six years after the date they were filed.

NOTE G RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE H ADMINISTRATIVE EXPENSES AND PARTY IN INTEREST TRANSACTION

The plan sponsor provides administrative services to the plan at no cost. Some administrative expenses were paid by the plan. During the year ended December 31, 2023 and 2022, the plan paid \$21,880 and \$21,802, respectively for third party administrative fees.

Certain plan investments are managed by Principal Trust Company and John Hancock Life Insurance Company investments. Principal Trust Company and John Hancock Life Insurance Company are the custodians for the plan and performs record-keeping services for the plan and therefore these transactions qualify as party in interest transactions. Principal Trust Company and John Hancock Life Insurance Company received indirect compensation for these services.

NOTE I PROHIBITED TRANSACTIONS

The DOL and the IRS require employers who sponsor defined contribution retirement plans to remit employee contributions as soon as administratively possible. During 2022 it was noted that the Plan's sponsor failed to remit employee contributions to the Plan within the required time frame. These failures constituted prohibited transactions. The Plan's sponsor made a corrective deposit of the lost earnings in 2023.

NOTE K SUBSEQUENT EVENTS

The Company has evaluated subsequent events through October 8, 2024, which is the date these financial statements were available to be issued. All subsequent events requiring recognition as of December 31, 2023 and 2022, have been incorporated into these financial statements herein.
