To Management and Those Charged with Governance of the
MAG Mutual Insurance Company 401(k) Plan
Atlanta, GA

We have audited the financial statements of MAG Mutual Insurance Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] as of December 31, 2023 and for the year ended December 31, 2023, and issued our report thereon dated October 14, 2024. As permitted by ERISA Section 103(a)(3)(C) our audit did not extend to any statements or information related to assets held for investment (investment information) of the Plan by Newport Trust Company (Newport), which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated March 18, 2024. Professional standards also require that we provide you with the following information related to our audit.

Significant Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new significant accounting pronouncements were adopted by the Plan in the current year and the application of existing policies was not changed during the audited year. We noted no transactions entered into by the Plan during the audited period for which there is a lack of authoritative guidance or consensus.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements is the fair value measurement for the Plan's assets.

Management's estimate of the fair value of the Plan's assets is based on the provisions described in ASC 820, as disclosed in Note 4 to the financial statements. We relied on the certification provided by Newport that investment information, including fair value, is complete and accurate. We have determined the estimate is reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

Management is responsible for the selection and use of appropriate financial statement disclosures to ensure that the financial statements are prepared in accordance with U.S. GAAP. The significant financial statement disclosures include investment valuation and income recognition. No matters have come to our attention that would require us, under professional standards, to inform you that the financial statement disclosures selected and prepared by management do not comply with U.S. GAAP.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 for the Plan prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Unusual Transactions

Significant unusual transactions are significant transactions that are outside the normal course of business for the Plan or that otherwise appear to be unusual due to their timing, size, or nature. We noted no transactions entered into by the Plan during the audited period that were both significant and unusual, and of which, under professional standards, we are required to inform you.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as disagreements that arose during the audit, regardless of whether they were satisfactorily resolved, about matters that individually, or in the aggregate, could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Audit Adjustments and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. For purposes of this letter, professional standards define an audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An audit adjustment may or may not indicate matters that could have a significant effect on the Plan's financial reporting process (that is, cause future financial statements to be materially misstated). All proposed audit adjustments have been recorded in the financial statements.

Significant Findings or Issues Discussed or Subject to Correspondence with Management

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants during our audit.

ERISA-Required Supplemental Schedule

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified

investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Material Written Communications

Those written communications that we believe constitute other material written communications between management and us related to the audited year include:

- Representation letter for the financial statements.

A copy of this communication has been attached to this letter.

Independence

Our professional standards suggest that we communicate to you, at least annually, matters that we have considered in determining that we are independent of the Company and provide confirmation that we are independent accountants with respect to the audit of the Plan.

We also provided administrative assistance in preparing the financial statements.

These services were provided in accordance with American Institute of Certified Public Accountants Ethics Interpretation 101-3 and we do not believe our independence was impaired by providing these services.

We hereby confirm that as of the date of this letter, we are independent accountants with respect to the Plan under the relevant professional standards and Department of Labor regulations.

This information is intended solely for the use of Board of Directors, Investment Committee, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Ladies and Gentlemen:

This representation letter is provided in connection with your engagement to audit the financial statements and supplemental schedule of the MAG Mutual Insurance Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively referred to as the financial statements). As permitted by Regulation Section 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Newport Trust Company (Newport), in accordance with DOL Regulation Section 2520.103-5, except for comparing such information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Newport has been audited by you in accordance with auditing standards generally accepted in the United States, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 14, 2024, the following representations made to you during your audit.

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated March 18, 2024, including our responsibility for the preparation and fair presentation of the financial statements.

2. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit as of December 31, 2023 and 2022 and for the year ended December 31, 2023, and this election does not affect our responsibility for the financial statements and for determining the following:
 - a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
3. The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above, including its form and content, is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
4. We acknowledge our responsibility for administering the Plan and determining that the transactions of the Plan that are presented and disclosed in the financial statements are in conformity with the provisions of the Plan, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
7. The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
8. Related-party relationships and transactions, including relationships and transactions with parties-in-interest, as defined by ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP and ERISA Section 3(14) and regulations thereunder. We have disclosed to you the identity of the related parties and parties-in-interest to the Plan and all the related-party and parties-in-interest relationships and transactions of which we are aware.
9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted an attorney concerning litigation, claims, or assessments. We have disclosed to you all known actual or possible pending or threatened litigation, claims, or assessments or unasserted claims whose effects should be considered when preparing the financial statements.
11. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status of the Plan or trust) that legal counsel has advised us that must be disclosed have been properly disclosed.
12. Significant estimates and material concentrations, if any, have been properly disclosed in accordance with U.S. GAAP.
13. Financial instruments with concentrations of credit risk, if any, have been properly recorded or disclosed in the financial statements.
14. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP. There are no oral or written guarantees of the debt of others for which the Plan is contingently liable.
15. The supplemental schedule or financial statements disclose the following, if applicable:
 - a) All non-exempt party-in-interest transactions, as defined in ERISA Section 3(14) and regulations under the section.
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Prohibited or reportable transactions, as defined in ERISA Section 103(b)(3)(H) and regulations under that section.
16. We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
 - b) A substantially complete draft of Form 5500;
 - c) Additional information that you have requested from us for the purpose of the audit;
 - d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
 - e) Minutes of the meetings of Plan committees or summaries of actions of recent meetings for which minutes have not yet been prepared, if any;

- f) Instruments of the Plan, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws. All relevant information regarding the Plan has been disclosed to you including all summary plan description changes, benefit communications, amendments to the Plan and other changes.
17. All transactions have been recorded in the accounting records and are reflected in the financial statements.
 18. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
 19. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a) Management;
 - b) Employees who have significant roles in internal control; or
 - c) Others when the fraud could have a material effect on the financial statements.
 20. We have no knowledge of any allegations of fraud or suspected fraud affecting the financial statements of the Plan communicated by employees, former employees, participants, regulators, beneficiaries, service providers, or third-party administrators, or others that could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Plan.
 21. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and Internal Revenue Service (IRS) regulations) whose effects should be considered when preparing the financial statements.
 22. The Plan, or the related trust, has satisfactory title to all owned assets, which are recorded at fair value or contract value where applicable, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed. All assets to which the Plan, or the related trust, has satisfactory title appear in the statements of net assets available for benefits. There are no material commitments for the acquisition of financial instruments or other assets.
 23. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities and have no knowledge of any matters affecting the Sponsor of the Plan that could be significant to the Plan.
 24. We have no intentions to terminate the Plan.
 25. We have complied with all aspects of contractual agreements, including employee benefits related contracts that would have a material effect on the financial statements in the event of noncompliance and have not breached our fiduciary responsibilities.
 26. There are no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the ability of the Plan to record, process, summarize, and report financial data. There have been no significant changes in internal control since December 31, 2023.

27. We have obtained and reviewed the service auditors' SOC 1 reports and are performing the applicable user controls.
28. There are no estimates that may be subject to a material change in the near term that have not been properly disclosed in the financial statements. We understand that near term means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations existing at the date of the financial statements that make the Plan vulnerable to risk of severe impact that have not been properly disclosed in the financial statements.
29. There are no conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for at least one year after the date of this letter.
30. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan. There have been no communications from regulatory agencies or government representatives concerning investigations or allegations of noncompliance with laws or regulations in any jurisdiction, or deficiencies in financial reporting practices, or other matters that could have a material effect on the financial statements.
31. We have no knowledge of any omissions from the participant data provided to the recordkeeper of the Plan for the purpose of determining the allocations to individual accounts used in the preparation of the financial statements.
32. All required amendments and filings of MAG Mutual Insurance Company 401(k) Plan documents with the appropriate agencies have been made.
33. Amendments to the instrument of the Plan, including amendments to comply with applicable laws, have been properly recorded or disclosed in the financial statements (if significant) or to the auditors.
34. We recognize that the audit procedures performed did not encompass all of the procedures necessary to determine the tax-qualified status of the Plan, nor the tax consequences of the Sponsor or participants of the Plan. However, we confirm to the best of our knowledge and belief that the Plan is qualified and the associated trust is tax exempt under the appropriate sections of the Internal Revenue Code and we intend to continue them as a qualified Plan and tax exempt trust. The Sponsor of the Plan has operated the Plan and trust in a manner that did not jeopardize this tax status.
35. Required nondiscrimination testing, including testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
36. We have chosen to rely on the current IRS pre-approved plan opinion letter issued on behalf of the pre-approved plan, which we have adopted. We have determined, in accordance with IRS guidance, that we are eligible to rely on the pre-approved plan opinion letter and, therefore, have not applied for a determination letter on our adoption of the Plan. We understand that this letter does not cover some of the key requirements of the Internal Revenue Code covering tax qualified plans.
37. The Plan has complied with the fidelity bonding requirements of ERISA.

38. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments, if applicable, to trusts containing assets for the Plan.
39. We acknowledge our responsibility for presenting the required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the required supplemental schedule has been fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
40. We have adopted ASU No. 2015-12 regarding the reporting of fully benefit-responsive investment contracts, which requires investment contracts held by a defined contribution plan to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the cost plus contributions made under the contracts plus interest at the contract rates less withdrawals and administrative expenses. The statements of net assets available for benefits present the contract value of the investment in the stable value fund.

There are no intentions to terminate any benefit responsive investment contracts.

41. We are responsible for making the fair value measurements and disclosures included in the financial statements, including determining the fair value of investments for which a readily determinable fair value does not exist. As part of fulfilling this responsibility, we have established an accounting and financial reporting process for determining the fair value measurements and disclosures, selected appropriate valuation methods, identified and adequately supported any significant assumptions used, prepared the valuation, and ensured that the presentation and disclosure of the fair value measurements are in accordance with U.S. GAAP and ensured that the Form 5500 is reported at fair value. We believe the assumptions and methods used by us, including those used by specialists engaged by us, are appropriate in the circumstances and the resulting valuations and disclosures are reasonable. Our valuation methodologies have been consistently applied from period to period.
42. We are not aware of any potential uncertain tax positions that would, if necessary, meet the more likely than not threshold and require us to record a liability as of December 31, 2023.
43. As Sponsor and Administrator of the Plan, we are responsible for ensuring that all fee disclosure rules under Regulation Section 408(b)(2) of ERISA have been met.

We have obtained the required written agreement(s)/contract(s) and fee disclosures from covered service providers. We are also aware that we are responsible for determining that the fees paid by the Plan are reasonable and have taken action, or will take action, including plan fee/service benchmarking, to make that determination.

As Sponsor and Administrator of the Plan, we are also responsible for ensuring that all participant disclosure rules under Regulation Section 404(a)(5) of ERISA have been met. We have delivered to the participants the required disclosures under the regulation.

44. We are not aware of any violations of independence.
45. We will not modify your report or the financial statements referenced in your report.

46. We are not aware of any cyber security incidents that have occurred during the reporting period or through the date of this letter.
47. We acknowledge that you do not provide hosting services as defined by the American Institute of Certified Public Accountants. We are responsible for the retention of all financial and non-financial information transmitted to you through an upload to a portal, electronic transfer, email correspondence, or provision of printed copies. We are also responsible for downloading in a timely manner and retaining anything you upload.
48. We acknowledge your administrative assistance in preparing our financial statements. We have reviewed the financial statements and confirm our responsibility for their completeness and accuracy. We have reviewed all proposed audit entries and have elected to make all audit entries.

Very truly yours,
