RE: Ladish Valve Retirement Plan

To whom it may concern,

We are filing our Form 5500 for the plan year ended December 31, 2023 without an audit report for the Ladish Valve Retirement Plan.

This is our first year with a required audit, driven by an increase in the number of employees in our company. A recent change in payroll processing systems has limited our access to historical payroll information, and we have not been able to provide the necessary information to our auditors to complete their work prior to the due date. As a result, our retirement plan audit is not complete in time to meet the October 15, 2024 filing deadline.

We are working diligently to complete our plan audit. Once our plan audit is complete, we will file an amended Form 5500 with the completed audit report.

Respectfully,

A handwritten signature in black ink, appearing to read "P. King", written in a cursive style.
