Independent Auditor's Report

**The Board of Trustees
The Gehr Group, Inc. 401(k) Profit Sharing Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Gehr Group, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023 and the schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of The Gehr Group, Inc. 401(k) Profit Sharing Plan (the Plan) of The Gehr Group, Inc. (the Plan Sponsor) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which is qualified under Section 401(k) of the Internal Revenue Code (IRC). The Plan was established in 1985 and operates on a calendar year basis. The Plan was recently amended and restated effective January 1, 2023. The Trustees of the Plan serve as the Plan Administrator. Transamerica Financial Life Insurance Company (Transamerica) is the Plan custodian. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee is eligible for participation in the Plan upon completion of 3 months of continuous service and attainment of the age of 18. Enrollment can occur on the first day of the month coincident with or following satisfaction of the eligibility requirements.

Participant Contributions

Each year, participants may elect to contribute on a tax-deferred basis, up to 100% of their eligible contribution amount, up to a maximum dollar amount as specified in the IRC. The maximum contribution is \$22,500 and \$20,500 for 2023 and 2022, respectively. Catch-up contributions are allowed for plan participants who are over age 50 before the end of the year subject to Internal Revenue Service (IRS) limits. Participants may rollover amounts representing distributions from other qualified defined benefit or contribution plans.

Employer Contributions

The Plan Sponsor makes a non-elective matching employer contribution each payroll period. The amount of the non-elective matching contribution is equal to 3% of the base compensation deferred by the participant under the Plan for the payroll period. In addition, the employer can make a discretionary contribution, depending upon the current year's profit, and allocate it to each eligible employee in proportion to compensation. During the years ended December 31, 2023 and 2022, the Plan Sponsor made a discretionary contribution of 4.5% of base compensation.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contributions, the employer's non-elective matching contributions, allocations of the Plan Sponsor's discretionary contribution and the Plan's earnings; and is charged with withdrawals and allocation of the Plan's losses. Allocations are based on participant earnings or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Investment Options

Participants may direct participant and employer contributions, as desired, in any of several investment options held by the custodian and may change their investment options daily.

Vesting

Participants are immediately vested in their contributions and the employer's non-elective matching contributions plus actual earnings thereon. Vesting in the employer's discretionary contributions portion of their accounts, plus earnings thereon, is based on years of continuous service according to the following schedule:

Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants are automatically fully vested upon normal retirement, death, total and permanent disability, or termination of the Plan. All years of service will be counted except for years with less than 1,000 hours worked.

Payment of Benefits

On termination of service due to death, disability, or retirement, the participant will receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive a payment equal to the value of the vested interest in his or her account as a lump-sum distribution or elect to rollover the balance to another qualified benefit plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are up to 5 years unless for the purchase of the primary residence of the participant. A participant may have only 2 loans outstanding at any time. The loans are secured by the balance in the participant's account and the current loans bear interest ranging between 4.25% and 9.50%. Principal and interest are paid ratably through payroll deductions. The loan will be deemed a distribution if the participant terminates employment with the Plan Sponsor. If any losses are realized or expenses are incurred in the event of default, such losses and expenses shall be charged specifically only to the participant's account. No deemed distributions occurred in 2023 and 2022 arising from defaulted participant loans.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Fees

Employees of the Plan Sponsor perform certain administrative functions. Neither the Plan Sponsor nor its employees receive compensation from the Plan. Certain administrative fees of the Plan are paid out of the assets of the Plan and constitute a charge upon the respective investment funds. Annual audit fees are paid by the Plan Sponsor.

Forfeitures

Forfeitures are allocated to Participant accounts in proportion to compensation or may be used to pay Plan expenses. The changes in the Plan's forfeiture account balance for the years ended December 31, 2023 and 2022 are as follows:

	<u>2023</u>	<u>2022</u>
Balance, January 1	\$ 2,917	\$ 31,822
Forfeitures during the year	8,040	28,421
Interest earned	24	274
Transfer out	(494)	-
Forfeitures used during the year to reduce employer contribution and pay for Plan expenses	<u>(3,070)</u>	<u>(57,600)</u>
Balance, December 31	<u>\$ 7,417</u>	<u>\$ 2,917</u>

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivables from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts represent ownership of units of participation in various mutual funds. The value of a unit of participation is the total value of the investment in each mutual fund within the separate accounts divided by the number of units outstanding. The investments in the pooled separate accounts are carried at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for discussion of fair value measurement.

Fully benefit-responsive investment contracts held by a defined contribution plan are required to be reported at contract value. The Plan's investment in the Transamerica Stable Value Core Account, an unallocated insurance contract, meets the definition of a fully benefit-responsive contract.

The contract value is calculated by the custodian of the Plan. This calculation generally considers various Treasury Bond rates, the fixed account interest rate, and the date/state of contract issuance.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as part of investment income (loss).

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

NOTE 3 FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN

The Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Transamerica, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the assets is complete and accurate to the best of their knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments and notes receivable from participants, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2023 and 2022;
- Investment information disclosed in Notes 4 and 5 to the Plan's financial statements; and
- Investments, as reflected in Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023.

NOTE 4 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

Level/ 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level/ 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Pooled separate accounts: These investments are valued using the net asset value (NAV) of units held by the Plan at year end as provided by the custodian. The NAV is based on the value of the underlying assets owned by the funds, net of the investment management fee. The investment management fee is deducted prior to setting the daily unit value. To calculate the fair value of shares of an underlying fund, the number of shares of the respective underlying fund is multiplied by the closing NAV per share quoted by that fund. The NAV is used as a practical expedient to estimate fair value. The pooled separate accounts are not classified within the fair value hierarchy; however, the amounts measured using NAV are disclosed to permit reconciliation of the fair value of investments in the Statements of Net Assets Available for Benefits.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments in pooled separate accounts amounting to \$10,419,206 and \$8,386,367 as of December 31, 2023 and 2022, respectively, are stated at fair value and are measured using the net asset value per share as practical expedient.

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

During 2014, the Plan entered into an unallocated insurance contract with Transamerica. Such contributions are held in a general account by Transamerica. Unallocated insurance contracts guarantee the return of principal plus compound interest earned over a defined term, less any applicable contract or participant-level recording charges, provided all contributions remain in the account until the end of the guarantee period.

The unallocated insurance contract is deemed fully benefit-responsive as the contract does meet the basic criteria to be considered a benefit-responsive contract. The unallocated insurance contract in the group annuity contract is included in the financial statements at contract value as reported to the Plan by Transamerica.

There are no reserves against the credit risk of the contract issuer or otherwise. The contract value of the unallocated insurance contract held by Transamerica at December 31, 2023 and 2022 was \$3,239,562 and \$3,219,248, respectively. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate for the unallocated insurance contract. The average annual rate for 2023 and 2022 was 1.17% and 0.83%, respectively.

NOTE 6 NOTES RECEIVABLE FROM PARTICIPANTS

As of December 31, 2023 and 2022, \$352,833 and \$339,891 in participant loans were outstanding, respectively. The participants apply for loans using their vested account balances as collateral. Interest income from the participant loans for the years ended December 31, 2023 and 2022 were \$20,171 and \$16,774, respectively.

NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and an unallocated insurance contract managed by Transamerica. Transamerica is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions that are exempt under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on these investments. Fees paid by the Plan to the custodian for administrative expenses amounted to \$19,429 and \$9,292 for the years ended December 31, 2023 and 2022, respectively.

NOTE 8 INCOME TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan sponsored by Transamerica Retirement Solutions Corporation. The pre-approved plan provider has received an opinion letter dated June 30, 2020 from the IRS as to the plan's qualified status. The opinion letter has been relied upon by this Plan. The Plan has been amended since the pre-approved plan received the letter. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of liability (asset) or disclosure in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities, in general, are normally exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 PLAN TERMINATION

Although it has not expressed such intent, the Plan Sponsor, by action of its Board of Directors, reserves the right at any time to amend or terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and net assets available for benefits of the Plan would be distributed to the participants and their beneficiaries based on each participant's interest in the Plan, in accordance with the provisions of ERISA.

NOTE 11 NONEXEMPT TRANSACTIONS

The Plan Sponsor inadvertently failed to deposit participant contributions within the required time frame as stated by the United States DOL's regulations. The total late participant contributions for 2023 of \$26,588 and 2022 of \$7,181 were deposited into the Plan in December 2023 and September 2022, respectively. The Plan Sponsor calculated and deposited the lost earnings into the Plan for 2023 and 2022 in September 2024.

NOTE 12 NEW LAWS AND REGULATIONS

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plans years beginning after December 31, 2024. The Plan will implement this legislative change and plans to formally execute the required plan amendments reflecting their implementation by the deadline, which is December 31, 2026.

NOTE 13 SUBSEQUENT EVENTS

The Plan has evaluated events subsequent to December 31, 2023 to assess the need for potential recognition and/or disclosure in the financial statements. Such events were evaluated through October 14, 2024, the date the financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the financial statements.
