INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
JOSEPH HOLT PLASTERING, INC. 401(k) PROFIT SHARING PLAN
Corona, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Joseph Holt Plastering, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Joseph Holt Plastering, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Joseph Holt Plastering, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Joseph Holt Plastering, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Joseph Holt Plastering, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Joseph Holt Plastering, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN

Notes to the Financial Statements
December 31, 2023 and 2022

Note 1 – Plan Description and Basis of Presentation

The following description of the Joseph Holt Plastering, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Eligibility and Coverage – The Plan was established on January 1, 2014 and was amended and restated as of January 1, 2017. The Plan is defined as a 401(k) profit sharing plan covering all eligible employees of Joseph Holt Plastering, Inc. and affiliates (the “Plan Sponsor”) who have completed one year of service, and are age twenty-one or older. Participants, once eligible, may begin deferring a portion of their compensation into the Plan on the first day of the Plan year and the first day of the fourth, seventh and tenth month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and Section 401(a) of the Internal Revenue Code (“IRC”). The administration committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions – Participant – Participants can contribute up to 100% of their salaries up to the limit of \$22,500. Participants ages 50 or older may elect to defer additional amounts (called “catch-up” contributions) to the Plan. The maximum “catch-up” contribution that could be made for 2023 was \$7,500. The additional amount can be deferred regardless of any other limitations on the amounts that can be contributed to the Plan. Participants also have the option to make elective after-tax contributions to a Roth 401(k). Total Roth 401(k) contributions for the year ended December 31, 2023 were \$16,400. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”).

Employer – The Plan Sponsor has elected to provide a safe harbor contribution to each participant who has a deferral election on file. Participants will receive an allocation based upon eligible compensation as defined in the Plan agreement. Subsequent to December 31, 2023, the Plan Sponsor made a safe harbor cash contribution of \$60,910.

All contributions made on a participant’s behalf are deposited in the trust and allocated among the investment funds in accordance with the participant’s investment elections. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

Participant Accounts – Each participant’s account is credited with the participant’s allocations of the Plan Sponsor’s contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants are only entitled to their vested account balance.

Vesting – Participants are immediately vested in Plan Sponsor safe harbor contributions and their elective contributions and related investment activity thereon. Participants vest in discretionary Plan Sponsor profit sharing contributions in annual ratable installments of 20% after the second year of service. Participants are fully vested upon attaining normal retirement age of 65.

401(k) PROFIT SHARING PLAN

Notes to the Financial Statements
December 31, 2023 and 2022

Note 1 – Plan Description and Basis of Presentation (Continued)

Forfeitures – If a participant terminates prior to vesting 100% in the employer contributions, the forfeited balance will be used to reduce administrative expenses and future employer contributions. In 2023, administrative expenses were reduced from forfeited non-vested accounts by \$2,739. Forfeited non-vested accounts totaled \$0 and \$3 at December 31, 2023 and 2022, respectively.

Payment of Benefits – The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, total disability, death, or termination of employment. In-service distributions are also available to those participants who are totally disabled or are age 59½ or older. Participants who qualify for retirement benefits and withdrawals will receive their benefits as a lump sum. The benefit to which a participant is entitled is limited to the participant's vested account balance. Participants who separate from service and have vested account balances of \$5,000 or less are subject to an administrative lump sum distribution.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Any investment related expenses are included in net appreciation of fair value of investments.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are stated at fair value as determined by Principal Life Insurance Company. The carrying value of interest bearing money market accounts equal their fair value. Increases or decreases in fair value are recognized currently. Plan management determines the Plan's valuation policies utilizing information provided by its investment advisors and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments sold as well as investments held during the year.

Payment of Benefits – Benefits are recorded when paid.

401(k) PROFIT SHARING PLAN

Notes to the Financial Statements
December 31, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies (Continued)

Risk and Uncertainties – The Plan provides for various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these securities and the level of uncertainty related to changes in value, it is at least reasonably possible that changes in the various risk factors in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Note 3 – Information Certified by the Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, (Principal Group Annuity Contract certified at contract value) and net appreciation in fair value of investments, and interest and dividends, for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, the custodian of the Plan.

Note 4 – Group Annuity Contract

The Plan entered into a fully benefit-responsive group annuity contract that invests in a fully benefit-responsive guaranteed investment contract (FBRIC) with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1% or greater than 3%. The FBRIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the FBRIC criteria and is therefore reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

JOSEPH HOLT PLASTERING, INC.

401(k) PROFIT SHARING PLAN

Notes to the Financial Statements
December 31, 2023 and 2022

Note 4 – Group Annuity Contract (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

Note 5 – Fair Value Measurements

The accounting standards for fair value measurements define fair value, establish a framework for measuring fair value, and provide for enhanced disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 Valuation is based upon quoted prices in active markets for identical securities.

Level 2 Valuation is based upon other observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).

Level 3 Valuation is based upon unobservable inputs significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in methodologies used for December 31, 2023 or 2022.

Collective Investment Trusts

These investments invest in collective trust funds as well as a variety of pooled separate accounts and mutual funds. The fair value of all these investments are used in determining the net asset value ("NAV"), which is not publicly quoted but is available to current investors. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the investments can be redeemed at NAV as of the measurement date, the administrator of the fund believes the investments have a "Readily Determinable Fair Value".

JOSEPH HOLT PLASTERING, INC.

401(k) PROFIT SHARING PLAN

Notes to the Financial Statements
December 31, 2023 and 2022

Note 5 – Fair Value Measurements (Continued)

Mutual Funds

These are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts

These investments are privately managed accounts valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the investments can be redeemed at NAV as of the measurement date, the administrator of the fund believes the investments have a “Readily Determinable Fair Value”.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels established in current accounting standards.

	Assets at Fair Value as of December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments at fair value	<u>\$ 1,151,015</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,151,015</u>

Note 6 – Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Principal Trust Company. Principal Life Trust Company is custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan to the custodian for administrative expenses and other related fees related to the Plan's operations totaled approximately \$10,700 for the year ended December 31, 2023.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' rights to their accrued benefits are not subject to forfeiture.

Note 8 – Income Tax Status

The Plan is a prototype profit sharing plan. The Plan obtained its latest opinion letter from the Internal Revenue Service dated December 17, 2021, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023 and 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to the Financial Statements
December 31, 2023 and 2022

Note 8 – Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits according to the financial statements compared to Schedule H of Form 5500 at December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 1,560,218	\$ 1,325,880
Plus: Accrued employer contribution	<u>-</u>	<u>1,994</u>
Net assets available for benefits per Form 5500	<u>\$ 1,560,218</u>	<u>\$ 1,327,874</u>

The following is a reconciliation of employer contributions according to the financial statements compared to Schedule H of Form 5500 at December 31, 2023:

Employer contributions per the financial statements	\$ 62,904
Less: Accrued employer contribution	<u>1,994</u>
Employer contributions per Form 5500	<u>\$ 60,910</u>

In 2023, Form 5500, which is filed with the Department of Labor, has certain items of income that differ from the amounts shown on the accompanying statement of changes in net assets available for benefits. These differences relate to classification only and have no effect upon net assets available for benefits.

Note 10 – Subsequent Events

The Plan Sponsor has evaluated subsequent events through October 11, 2024, the date which the financial statements were available to be issued. Management's evaluation of subsequent events has determined that there were no events that require additional disclosures.

Joseph Holt Plastering, Inc. 401k Profit Sharing Plan

20-2533580/001

For Plan Year 01/01/2023 through 12/31/2023

I/We, the undersigned, understand that a 5500 Series filing for the plan listed above must be prepared, electronically signed and electronically transmitted to the EBSA Electronic Filing Acceptance System (EFAST).

I/We authorize Hicks Pension Services to electronically sign the 5500 Series filing on my/our behalf and to transmit that signed form to EFAST on or before the filing due date.

I/We understand that by granting this authority:

- A manually signed and dated Form 5500 that has been provided must be returned to Hicks Pension Services before they can begin the electronic filing process. I/We will retain a copy of this manually signed form and any schedules and attachments in the plan records.
- Hicks Pension Services will not be responsible for any late filing penalty assessed under ERISA should I/we not return the manually signed and dated Form 5500 prior to the filing due date.
- An electronic copy of the manually signed and dated Form 5500 showing my/our signatures will be included in the electronic filing and will be posted by the EBSA to the Internet for public disclosure.
- Hicks Pension Services will maintain a copy of this written authorization in its records.
- Hicks Pension Services will notify all signers about any inquiries and correspondence it receives about this filing from EFAST, EBSA, IRS or PBGC.
- Hicks Pension Services shall not be deemed to be a plan fiduciary with respect to this plan solely on account of providing the electronic signature and filing of the 5500 for the plan year listed above.
