Opus Inspection 401(k) Plan
East Granby, Connecticut

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Opus Inspection 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Opus Inspection 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Opus Inspection 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Opus Inspection 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Opus Inspection 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Opus Inspection 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**OPUS INSPECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Opus Inspection 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for employees of Opus Inspection, Inc., Envirotest Corp., Envirotest Systems Corporation, Carmel Staffing, LLC, eTest Corp., Gordon-Darby, Inc., Gordon-Darby NHOST Services, Inc., and Gordon-Darby Arizona Testing, Inc. (collectively, the "Company") who have at least two months of service and have reached the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment and Restatement

The Plan was completely amended and restated effective October 1, 2023 in connection with the change in provider from Empower to ADP. All significant Plan provisions remained substantially unchanged.

Contributions

Participants may contribute up to 100% of compensation, as defined in the Plan. Participants may designate all or a portion of their contributions as Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Company has adopted a safe-harbor plan design. Under the safe-harbor design, the Company makes a safe-harbor matching contribution equal to 100% of the participant's deferral, up to a maximum of 4% of eligible compensation. The Company also has the option to make an additional matching and/or profit-sharing contribution at the discretion of the Board of Directors. No such contributions were made for the year ended December 31, 2023. All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (the IRC).

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, and allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of Company contributions, investment income and administrative expenses are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Investment Options

Participants may direct their contributions into any of the funds offered by the Plan, which are currently held at Reliance Trust Company. Prior to October 1, 2023, the funds were held at Empower Trust Company, LLC (Empower). These funds include a variety of investment options with various objectives and degrees of financial risk.

**OPUS INSPECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in all contribution types, including the earnings on these amounts, with the exception of certain employees of Gordon-Darby, Inc., Gordon-Darby NHOST Services, Inc., or Gordon-Darby Arizona Testing, Inc. hired on or after August 1, 2020, who vest in discretionary employer matching contributions over a 6-year graded vesting schedule.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from 1 to 5 years, except for loans to purchase a primary residence, which may be offered over a term of up to 30 years. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. The notes currently bear interest at rates ranging from 3.25% to 8.5%. Participants may have up to two loans outstanding at any given time. Generally, principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum or in installments over a number of years, based upon election of the participant or as defined in the Plan or the IRC. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the only distribution option available under the Plan is a lump-sum option.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59 1/2. Distributions will be paid by lump sum or installments, based upon the election of the participant or the Plan administrator, as defined in the Plan or the IRC. Upon financial hardship, the Plan provides for hardship withdrawals by a participant under certain circumstances as more fully set forth in the Plan document.

Forfeitures

The Plan has unallocated assets in a forfeiture account which are mainly the result of legacy vesting schedules prior to the Plan's adoption of a safe-harbor Plan. These forfeitures are used to reduce the Company's future contributions or to pay administrative expenses. Forfeited nonvested accounts totaled \$105,747 and \$97,487 at December 31, 2023 and 2022, respectively. During the year ended December 31, 2023, forfeitures totaling \$62,137 were used to pay eligible Plan expenses and forfeitures totaling \$7,418 were used to reduce employer matching contributions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution retirement plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits to participants are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

**OPUS INSPECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through October 10, 2024, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Reliance Trust Company (Reliance), the qualified institution of the Plan effective October 1, 2023, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2023, activity presented on the statement of changes in net assets available for benefits that occurred between the period of October 1, 2023 through December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

Empower Trust Company, LLC (Empower) and Massachusetts Mutual Life Insurance Company (MassMutual) under a power of attorney granted to Empower, the qualified institutions of the Plan through September 30, 2023, have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2022 and activity presented on the statement of changes in net assets available for benefits that occurred between the period of January 1, 2023 through September 30, 2023.

NOTE 4 FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**OPUS INSPECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds – Mutual funds are valued using the quoted price of shares held by the Plan at year-end.

Common and Collective Trusts – The fair value of participation units held in the common and collective trusts is based on the net asset value per unit as reported by the fund managers.

Stable Value Fund – The stable value fund is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of the units held of the collective trust.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**OPUS INSPECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2023				
	Level 1	Level 2	Level 3	Total
Money Market and Mutual Funds	\$ 33,450,224	\$ -	\$ -	\$ 33,450,224
Common and Collective Trusts	-	10,606,388	-	10,606,388
Stable Value Fund	-	12,674,503	-	12,674,503
Total Investments at Fair Value	<u>\$ 33,450,224</u>	<u>\$ 23,280,891</u>	<u>\$ -</u>	<u>\$ 56,731,115</u>

2022				
	Level 1	Level 2	Level 3	Total
Money Market and Mutual Funds	\$ 38,713,651	\$ -	\$ -	\$ 38,713,651
Total Investments at Fair Value	<u>\$ 38,713,651</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,713,651</u>

There were no transfers between levels of investments during the year ended December 31, 2023.

NOTE 5 GUARANTEED INVESTMENT CONTRACT

The Plan had previously entered into a SAGIC, which is a benefit-responsive guaranteed investment contract. The contract was terminated effective September 30, 2023 in connection with the Plan's change in custodian from Empower/MassMutual to Reliance. Contributions to the SAGIC were invested in a separate investment account (SIA) and the contributions were maintained in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract was fully benefit-responsive, contract value was the relevant measurement attribute for the guaranteed investment contract. Contract value, as reported to the Plan, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The value of the investment contract at December 31, 2023 and 2022 was \$-0- and \$12,106,077, respectively. The crediting interest rate was based on a formula agreed upon with the issuer which was a guaranteed rate that reset every three months and could not fall below 0%.

**OPUS INSPECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 5 GUARANTEED INVESTMENT CONTRACT (CONTINUED)

There were certain events that could limit the Plan's ability to transact at contract value. Such events included the following: 1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. As of December 31, 2022, the Plan Administrator did not believe that such events that would have limited the Plan's ability to transact at contract value with participants were probable of occurring.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by MassMutual and the Plan previously held a guaranteed interest contract with MassMutual. MassMutual was a qualified institution of the Plan through September 30, 2023 and therefore, these transactions qualify as party-in-interest transactions. Other parties-in-interest include professional service firms and recordkeepers who provide services to the Plan. Certain employees of the Company who participate in the Plan perform administrative services to the Plan at no cost to the Plan. Notes receivable from participants are also party-in-interest transactions.

NOTE 7 INCOME TAX STATUS

The Plan has adopted a preapproved plan document that received a favorable opinion letter from the Internal Revenue Service (IRS) that it was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

**OPUS INSPECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 9 PROHIBITED TRANSACTIONS

During 2022, the Company did not remit certain participant contributions to the Plan on a timely basis as provided for in DOL regulations totaling \$1,977. Participant contributions that are not deposited within the specified time frame represent a prohibited use of Plan assets by the Company according to the provisions of ERISA and the IRC. The Company deposited the late contributions in 2023 including lost earnings attributable to the late deposits. This amount was allocated to those participants whose contributions were not deposited in a timely manner.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

As further discussed in Note 11, effective January 1, 2024, the Opus Inspection Technologies, Inc. 401(k) Plan merged into the Opus Inspection 401(k) Plan. Plan management elected to file a final Form 5500 for the Opus Inspection Technologies, Inc. 401(k) Plan for the year ended December 31, 2023 and record the transfer into the Plan on Opus Inspection 401(k) Plan's Form 5500 in 2023 as well. Since the merger was not effective until 2024, the transfer was not recorded during 2023 for financial reporting purposes. The following table presents a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per financial statements	\$ 57,877,356	\$ 51,879,489
Transfer recognized as of December 31, 2023 per Form 5500	<u>16,907,228</u>	<u>-</u>
Net Assets Available for Benefits per Form 5500	<u><u>\$ 74,784,584</u></u>	<u><u>\$ 51,879,489</u></u>

There was no difference in the net increase in net assets available for benefits and the net income per Form 5500 for the year ended December 31, 2023.

NOTE 11 SUBSEQUENT EVENTS

Effective January 1, 2024, the Plan was amended to merge the Opus Inspection Technologies, Inc. 401(k) Plan into the Opus Inspection 401(k) Plan and to add Opus Inspection Technologies, Inc. as a participating employer of the plan. The employer matching portion of the account balances transferred into the Plan for active participants as of January 1, 2024 became immediately 100% vested. The employer matching portion of the account balances transferred into the Plan for terminated participants as of January 1, 2024 did not become immediately 100% vested upon the transfer and follows the legacy four-year graded schedule from the Opus Inspection Technologies, Inc. 401(k) Plan.
