| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITORS' REPORT

October 15, 2024

To the Administrative Committee of  
SAI Consulting Engineers, Inc.  
401(k) Retirement Savings Plan  
Pittsburgh, Pennsylvania

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – 2023 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditors' Report on the 2022 Financial Statements**

The financial statements of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan as of December 31, 2022, were audited by Exler & Company, Inc., who merged with H2R CPA as of January 1, 2024. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 9, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAI CONSULTING ENGINEERS, INC.  
401(K) RETIREMENT SAVINGS PLAN  
NOTES TO THE FINANCIAL STATEMENTS**

**Note 1 – Plan Description**

The following description of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all full-time employees of the Company who are age eighteen (18) or older. The Plan includes an automatic salary deferral feature. Upon the participant satisfying the eligibility requirements, the Company will automatically withhold 4% of the participant's compensation and contribute the amount to the Plan as salary deferral. The participant does have the ability to modify the automatic deferral or elect not to defer any amount from their compensation. Participation is voluntary and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions – Participants:** A participant may elect to make pre-tax or Roth contributions to the plan of up to 30% of their salary. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Contributions – Participant Transfers:** This Plan will accept transfers from the SAI Consulting Engineers, Inc. Employee Stock Ownership Plan and Trust. The balance of each Participant's Individual Account, including post transfer earnings thereon, attributable to the ESOP Plan will be record kept separately under the Plan. Such assets will continue to retain their character as benefits accrued under an Employee Stock Ownership Plan.

**Contributions – Employer:** The Company may match a discretionary percentage of the participants' salary reductions as determined annually. The employer matching contribution is calculated and remitted each payroll period. The employer matching contribution for the year ending December 31, 2023 was \$404,930.

Each year the Company may also contribute an additional discretionary contribution as determined by its Board of Directors subject to certain limitations, as defined in the Plan. A contribution is not required to be made in a Plan Year. In 2023 and 2022, the Company did not make any such discretionary contributions.

**Participant Accounts:** Each participant's account is credited with the participant's contribution and allocations of a) the Company's matching contribution and b) Plan earnings (losses), and charged with an allocation of any expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting and Forfeitures:** Participants are 100% vested at all times with respect to their accrued benefit in both the Company contribution and salary reduction accounts. Since participant accounts are fully vested at all times, there are no forfeitures.

**Benefits paid to Participants:** On termination of service, a participant will receive a lump-sum amount equal to the vested value of his or her account.

**Administrative Expenses:** Plan expenses paid for by the Company include fees for services provided by the third party administrator, auditing firm, and investment advisory fees. Participant transaction and other administrative expenses charged by the custodian are paid out of the participant account balances to which the fee applies.

**401(K) RETIREMENT SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting:** The financial statements of the Plan are prepared using the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America.

**Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from these estimates.

**Investment Valuation and Income Recognition:** The Plan's investments are stated at fair value (Note 7). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during year.

**Contributions:** Participant and Company contributions are recognized as additions to Plan assets in the year designated by the participant and Company, respectively.

**Payment of Benefit Payments:** Benefits are recorded when paid.

**Expenses:** The Plan paid administrative expenses of \$2,254 in 2023 and \$2,555 in 2022. Remaining operating and administrative expenses were paid by the Plan sponsor. Investment related expenses are included in net appreciation in fair value of investments.

**Subsequent Events:** Management has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.

**Note 3 – Tax Status**

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan's tax returns for 2020, 2021, and 2022 are subject to examination by the taxing authorities, generally for three years after they were filed.

**Note 4 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**SAI CONSULTING ENGINEERS, INC.**  
**401(K) RETIREMENT SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Note 5 – Related Party Transactions**

The Plan invests in shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company (“VFTC”). VFTC acts as trustee for only these investments as defined in the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules.

The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

**Note 6 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

**Note 7 – Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASB 820-10 are:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value:

**SAI CONSULTING ENGINEERS, INC.  
401(K) RETIREMENT SAVINGS PLAN  
NOTES TO THE FINANCIAL STATEMENTS**

**Note 7 – Fair Value Measurements (Continued)**

Mutual funds are valued at the net asset value of shares held by the Plan at year end. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at a daily net asset value (NAV) per unit held by the Plan as quoted by the funds. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities and is the basis for current transactions. Participant transactions may occur daily. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. No redemption notice is necessary and there were no unfunded commitments

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as December 31, 2023:

|                                 | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|---------------------------------|----------------|----------------|----------------|----------------------|
| Mutual Funds                    | \$ 41,093,403  | \$ -           | \$ -           | \$ 41,093,403        |
| Collective trust valued at NAV  |                |                |                | <u>1,876,216</u>     |
| Total investments at fair value |                |                |                | <u>\$ 42,969,619</u> |

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as December 31, 2022:

|                                 | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|---------------------------------|----------------|----------------|----------------|----------------------|
| Mutual Funds                    | \$ 34,376,496  | \$ -           | \$ -           | \$ 34,376,496        |
| Collective trust valued at NAV  |                |                |                | <u>2,328,504</u>     |
| Total investments at fair value |                |                |                | <u>\$ 36,705,000</u> |

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Management has concluded the presentation of the Vanguard Retirement Savings Trust, using the NAV as a practical expedient, is appropriate, which is a change from the prior year presentation. This required the transfer of the Vanguard Retirement Savings Trust from contract value to NAV. The transfer is reported as of January 1, 2022.

**Note 8 – Information Certified by the Plan’s Custodian**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by Vanguard Fiduciary Trust Company, except for comparing such information certified by the custodian to information included in the Plan’s financial statements. The custodian certified to the completeness and accuracy of all investment activity reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the information reflected on the supplemental schedule as of December 31, 2023.

Statements of net assets available for benefits:

## INDEPENDENT AUDITORS' REPORT

October 15, 2024

To the Administrative Committee of  
SAI Consulting Engineers, Inc.  
401(k) Retirement Savings Plan  
Pittsburgh, Pennsylvania

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – 2023 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditors' Report on the 2022 Financial Statements**

The financial statements of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan as of December 31, 2022, were audited by Exler & Company, Inc., who merged with H2R CPA as of January 1, 2024. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 9, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) RETIREMENT SAVINGS PLAN  
NOTES TO THE FINANCIAL STATEMENTS**

**Note 1 – Plan Description**

The following description of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all full-time employees of the Company who are age eighteen (18) or older. The Plan includes an automatic salary deferral feature. Upon the participant satisfying the eligibility requirements, the Company will automatically withhold 4% of the participant's compensation and contribute the amount to the Plan as salary deferral. The participant does have the ability to modify the automatic deferral or elect not to defer any amount from their compensation. Participation is voluntary and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions – Participants:** A participant may elect to make pre-tax or Roth contributions to the plan of up to 30% of their salary. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Contributions – Participant Transfers:** This Plan will accept transfers from the SAI Consulting Engineers, Inc. Employee Stock Ownership Plan and Trust. The balance of each Participant's Individual Account, including post transfer earnings thereon, attributable to the ESOP Plan will be record kept separately under the Plan. Such assets will continue to retain their character as benefits accrued under an Employee Stock Ownership Plan.

**Contributions – Employer:** The Company may match a discretionary percentage of the participants' salary reductions as determined annually. The employer matching contribution is calculated and remitted each payroll period. The employer matching contribution for the year ending December 31, 2023 was \$404,930.

Each year the Company may also contribute an additional discretionary contribution as determined by its Board of Directors subject to certain limitations, as defined in the Plan. A contribution is not required to be made in a Plan Year. In 2023 and 2022, the Company did not make any such discretionary contributions.

**Participant Accounts:** Each participant's account is credited with the participant's contribution and allocations of a) the Company's matching contribution and b) Plan earnings (losses), and charged with an allocation of any expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting and Forfeitures:** Participants are 100% vested at all times with respect to their accrued benefit in both the Company contribution and salary reduction accounts. Since participant accounts are fully vested at all times, there are no forfeitures.

**Benefits paid to Participants:** On termination of service, a participant will receive a lump-sum amount equal to the vested value of his or her account.

**Administrative Expenses:** Plan expenses paid for by the Company include fees for services provided by the third party administrator, auditing firm, and investment advisory fees. Participant transaction and other administrative expenses charged by the custodian are paid out of the participant account balances to which the fee applies.

**401(K) RETIREMENT SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting:** The financial statements of the Plan are prepared using the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America.

**Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from these estimates.

**Investment Valuation and Income Recognition:** The Plan's investments are stated at fair value (Note 7). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during year.

**Contributions:** Participant and Company contributions are recognized as additions to Plan assets in the year designated by the participant and Company, respectively.

**Payment of Benefit Payments:** Benefits are recorded when paid.

**Expenses:** The Plan paid administrative expenses of \$2,254 in 2023 and \$2,555 in 2022. Remaining operating and administrative expenses were paid by the Plan sponsor. Investment related expenses are included in net appreciation in fair value of investments.

**Subsequent Events:** Management has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.

**Note 3 – Tax Status**

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan's tax returns for 2020, 2021, and 2022 are subject to examination by the taxing authorities, generally for three years after they were filed.

**Note 4 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**SAI CONSULTING ENGINEERS, INC.**  
**401(K) RETIREMENT SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Note 5 – Related Party Transactions**

The Plan invests in shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company (“VFTC”). VFTC acts as trustee for only these investments as defined in the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules.

The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

**Note 6 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

**Note 7 – Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASB 820-10 are:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value:

**SAI CONSULTING ENGINEERS, INC.  
401(K) RETIREMENT SAVINGS PLAN  
NOTES TO THE FINANCIAL STATEMENTS**

**Note 7 – Fair Value Measurements (Continued)**

Mutual funds are valued at the net asset value of shares held by the Plan at year end. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at a daily net asset value (NAV) per unit held by the Plan as quoted by the funds. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities and is the basis for current transactions. Participant transactions may occur daily. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. No redemption notice is necessary and there were no unfunded commitments

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as December 31, 2023:

|                                 | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|---------------------------------|----------------|----------------|----------------|----------------------|
| Mutual Funds                    | \$ 41,093,403  | \$ -           | \$ -           | \$ 41,093,403        |
| Collective trust valued at NAV  |                |                |                | <u>1,876,216</u>     |
| Total investments at fair value |                |                |                | <u>\$ 42,969,619</u> |

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as December 31, 2022:

|                                 | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|---------------------------------|----------------|----------------|----------------|----------------------|
| Mutual Funds                    | \$ 34,376,496  | \$ -           | \$ -           | \$ 34,376,496        |
| Collective trust valued at NAV  |                |                |                | <u>2,328,504</u>     |
| Total investments at fair value |                |                |                | <u>\$ 36,705,000</u> |

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Management has concluded the presentation of the Vanguard Retirement Savings Trust, using the NAV as a practical expedient, is appropriate, which is a change from the prior year presentation. This required the transfer of the Vanguard Retirement Savings Trust from contract value to NAV. The transfer is reported as of January 1, 2022.

**Note 8 – Information Certified by the Plan’s Custodian**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by Vanguard Fiduciary Trust Company, except for comparing such information certified by the custodian to information included in the Plan’s financial statements. The custodian certified to the completeness and accuracy of all investment activity reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the information reflected on the supplemental schedule as of December 31, 2023.

Statements of net assets available for benefits:

## INDEPENDENT AUDITORS' REPORT

October 15, 2024

To the Administrative Committee of  
SAI Consulting Engineers, Inc.  
401(k) Retirement Savings Plan  
Pittsburgh, Pennsylvania

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – 2023 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditors' Report on the 2022 Financial Statements**

The financial statements of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan as of December 31, 2022, were audited by Exler & Company, Inc., who merged with H2R CPA as of January 1, 2024. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 9, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAI CONSULTING ENGINEERS, INC.  
401(K) RETIREMENT SAVINGS PLAN  
NOTES TO THE FINANCIAL STATEMENTS**

**Note 1 – Plan Description**

The following description of SAI Consulting Engineers, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all full-time employees of the Company who are age eighteen (18) or older. The Plan includes an automatic salary deferral feature. Upon the participant satisfying the eligibility requirements, the Company will automatically withhold 4% of the participant's compensation and contribute the amount to the Plan as salary deferral. The participant does have the ability to modify the automatic deferral or elect not to defer any amount from their compensation. Participation is voluntary and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions – Participants:** A participant may elect to make pre-tax or Roth contributions to the plan of up to 30% of their salary. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Contributions – Participant Transfers:** This Plan will accept transfers from the SAI Consulting Engineers, Inc. Employee Stock Ownership Plan and Trust. The balance of each Participant's Individual Account, including post transfer earnings thereon, attributable to the ESOP Plan will be record kept separately under the Plan. Such assets will continue to retain their character as benefits accrued under an Employee Stock Ownership Plan.

**Contributions – Employer:** The Company may match a discretionary percentage of the participants' salary reductions as determined annually. The employer matching contribution is calculated and remitted each payroll period. The employer matching contribution for the year ending December 31, 2023 was \$404,930.

Each year the Company may also contribute an additional discretionary contribution as determined by its Board of Directors subject to certain limitations, as defined in the Plan. A contribution is not required to be made in a Plan Year. In 2023 and 2022, the Company did not make any such discretionary contributions.

**Participant Accounts:** Each participant's account is credited with the participant's contribution and allocations of a) the Company's matching contribution and b) Plan earnings (losses), and charged with an allocation of any expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting and Forfeitures:** Participants are 100% vested at all times with respect to their accrued benefit in both the Company contribution and salary reduction accounts. Since participant accounts are fully vested at all times, there are no forfeitures.

**Benefits paid to Participants:** On termination of service, a participant will receive a lump-sum amount equal to the vested value of his or her account.

**Administrative Expenses:** Plan expenses paid for by the Company include fees for services provided by the third party administrator, auditing firm, and investment advisory fees. Participant transaction and other administrative expenses charged by the custodian are paid out of the participant account balances to which the fee applies.

**401(K) RETIREMENT SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting:** The financial statements of the Plan are prepared using the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America.

**Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from these estimates.

**Investment Valuation and Income Recognition:** The Plan's investments are stated at fair value (Note 7). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during year.

**Contributions:** Participant and Company contributions are recognized as additions to Plan assets in the year designated by the participant and Company, respectively.

**Payment of Benefit Payments:** Benefits are recorded when paid.

**Expenses:** The Plan paid administrative expenses of \$2,254 in 2023 and \$2,555 in 2022. Remaining operating and administrative expenses were paid by the Plan sponsor. Investment related expenses are included in net appreciation in fair value of investments.

**Subsequent Events:** Management has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.

**Note 3 – Tax Status**

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan's tax returns for 2020, 2021, and 2022 are subject to examination by the taxing authorities, generally for three years after they were filed.

**Note 4 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**SAI CONSULTING ENGINEERS, INC.**  
**401(K) RETIREMENT SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Note 5 – Related Party Transactions**

The Plan invests in shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company (“VFTC”). VFTC acts as trustee for only these investments as defined in the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules.

The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

**Note 6 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

**Note 7 – Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASB 820-10 are:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value:

**SAI CONSULTING ENGINEERS, INC.  
401(K) RETIREMENT SAVINGS PLAN  
NOTES TO THE FINANCIAL STATEMENTS**

**Note 7 – Fair Value Measurements (Continued)**

Mutual funds are valued at the net asset value of shares held by the Plan at year end. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at a daily net asset value (NAV) per unit held by the Plan as quoted by the funds. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities and is the basis for current transactions. Participant transactions may occur daily. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. No redemption notice is necessary and there were no unfunded commitments

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as December 31, 2023:

|                                 | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as December 31, 2022:

|                                 | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|---------------------------------|----------------------|----------------|----------------|----------------------|
| Mutual Funds                    | <u>\$ 34,376,496</u> | <u>\$ -</u>    | <u>\$ -</u>    | \$ 34,376,496        |
| Collective trust valued at NAV  |                      |                |                | <u>2,328,504</u>     |
| Total investments at fair value |                      |                |                | <u>\$ 36,705,000</u> |

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Management has concluded the presentation of the Vanguard Retirement Savings Trust, using the NAV as a practical expedient, is appropriate, which is a change from the prior year presentation. This required the transfer of the Vanguard Retirement Savings Trust from contract value to NAV. The transfer is reported as of January 1, 2022.

**NOTES TO THE FINANCIAL STATEMENTS**

**Note 8 – Information Certified by the Plan’s Custodian**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by Vanguard Fiduciary Trust Company, except for comparing such information certified by the custodian to information included in the Plan’s financial statements. The custodian certified to the completeness and accuracy of all investment activity reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the information reflected on the supplemental schedule as of December 31, 2023.
