INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
The Family 401(k) Plan
Whittier, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Family 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Family 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Family 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Family 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Family 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Family 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Family 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

Note A - Description of the Plan

The following description of The Family 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established effective June 1, 2011, as a defined contribution plan for the benefit of eligible employees of Denco Family, Inc. (“Company”). The Plan is subject to the provisions of the Employee Income Security Act of 1974 (“ERISA”).

Administration

Empower Retirement LLC has been appointed custodian of the plan (the “custodian”). Economic Group Pension Services (“EPGS”) has been appointed Third Party Administrator (“TPA”) of the Plan.

Eligibility

Employees of the Company are generally eligible to participate in the Plan after six 6 months of service. The entry date of the Plan for eligible participants is on the first day of the calendar month following the date that a participant first satisfies the service requirements.

The plan excludes union employees, leased employees, non-resident aliens and other employees (Section 306(a)) from participation.

Contributions

Each year participants may contribute a percentage of their pre-tax annual compensation not to exceed the limitation (\$22,500 and \$20,500 in 2023 and 2022 respectively) set forth in Section 402(g) of the Internal Revenue Code (“IRC”). Participants who are (or will be) age 50 or older by the end of the calendar year may make pre-tax or after-tax catch-up contributions that exceed the annual elective deferral limit. Participants’ total catch-up contributions during 2023 and 2022 cannot exceed \$7,500 and \$6,500, respectively.

Participants may also make rollover contributions from other plans.

The Company is required to make a qualified non-elective contribution to the Plan equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 6% of the participant's compensation, as defined by the Plan’s document. The Company made safe harbor contributions of \$718,044 and \$0 in 2023 and 2022, respectively.

The Company may contribute a discretionary matching contribution. During 2023 and 2022, the Company made \$304,386 and \$718,044 discretionary matching contributions, respectively.

The Plan also provides for discretionary Company profit sharing contributions. During 2023 and 2022, the Company did not make a discretionary employer profit sharing contribution.

Note A - Description of the Plan, continued

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution and an allocation of any non-elective contribution and earnings (losses) on the investments selected by the participant. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Company's contributions into various investments offered by the Plan.

Vesting

Participants are vested immediately in their elective contributions, rollover contributions plus any earnings. Safe harbor contributions plus any earnings on such contributions vest on a 2-year cliff schedule. The vesting of discretionary Company contributions plus any earnings thereon is based on years of continuous service (as defined) accrued by the participant while in covered employment. Participants become 100% vested on a five-year graded vesting schedule.

Notes Receivable from Participants

Participants may borrow from their accounts on a pro-rata basis from all contribution sources a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000.00 or 50% of the participant's vested account balance. Loan terms must not exceed five (5) years unless the loan is to be used in the financing of the participant's homestead in which case the loan may be payable in terms of similar length provided by conventional lending institutions. The loans are secured by the vested balance in the participant's account and bear interest rates ranging from 6.50% to 9.50%. Principal and interest payments are made by means of

payroll withholdings according to the terms of the promissory note. A participant may have only one loan outstanding at any time.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Payment of Benefits

Upon termination of employment due to death, disability, attainment of age 59 ½ or retirement a participant (or his/her designated beneficiary in the event of death) may elect to receive a lump-sum amount. For termination of employment due to other reasons, the vested interest in his or her account may be distributed as rollover to another plan, a lump-sum distribution or it may be left in the Plan if the account balance is greater than \$5,000.

Forfeited Accounts

All employer contributions credited to a participant's account, but not vested, are forfeited by the participant upon his/her termination from the Plan. As of December 31, 2023, there was a \$127,908 forfeiture balance.

Note A - Description of the Plan, continued

Amounts forfeited from a Participant's Account shall be used to restore forfeitures or reduce Employer contributions (or reallocate as Employer contributions), or to pay reasonable Plan expenses to the extent specified in the Adoption Agreement. Forfeitures cannot be used as Elective Deferrals. Any such disposition of forfeitures from a Participant's Account shall be made no later than the end of the Plan Year following the Plan Year during which the forfeiture occurred.

Administrative Expenses

In 2023 the plan was primarily responsible for payment of fees. Such expenses paid by the participants during year ended December 31, 2023 were approximately \$16,914.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of net assets available for the benefits and changes therein. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan provides for various investment options. These investment options are exposed to market risk, which generally means the risk of loss in the value to certain investment securities due to changes in interest rates, commodity prices and general market conditions. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Investment Valuation and Income Recognition

Investments in common collective trusts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Investments in fully-benefit responsive investment contracts are reported at contract value as discussed in Note C.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note B - Summary of Significant Accounting Policies, continued

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024 the date on which the financial statements were available to be issued. No events have occurred subsequent to the date of the statement of net assets available for benefits that would require adjustment to, or disclosure in, the financial statements.

Contributions

Contributions from employees and the Company are recorded in the period in which the Company makes the payroll deductions from participant accounts.

Note C – Guaranteed investment contract with Great-West Life & Annuity Insurance Company

On December 31, 2023, the Plan had a traditional fully benefit-responsive Guaranteed investment contract, in the amount of \$167,380, with Great-West Life & Annuity Insurance Company. The Guaranteed investment contract issuer is contractually obligated to repay the principal and a prospective interest rate. Interest earned on the amounts invested in the Fixed Account is compounded daily at the declared credited interest rate. At the end of each calendar quarter, Great-West will establish and declare the interest rate to be credited to the Plan's assets held in the Fixed Account during the next calendar quarter. Great-West will reset the interest rate quarterly and declare all reset credited interest rates at least 48 hours in advance of each reset.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

Note D - Fair Value Measurements

Accounting Standards Codification 820 "Fair Value Measurements and Disclosures" (ASC 820) establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The following is a description of the valuation methodologies used for investments measured at fair value.

Common collective trusts: Valued at net asset value as a practical expedient. The net asset value is based on the fair value of the underlying assets owned by the fund. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from reported net asset value. The underlying securities in the pooled separate accounts are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the net asset value as adjusted (for Common Collective Trust dividends, Common Collective Trust splits and administrative maintenance charges and other items) and reported by the insurance company approximates fair value of the investments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the net asset value of the pooled separate accounts and the fair value of the Plan's investments.

The preceding methods described may produce a value that may not be indicative of the net realizable value or reflective of the future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize investments for which fair value is measured using net asset value per share as a practical expedient as of December 31, 2023 and 2022.

DECEMBER 31, 2023

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (a)</u>	<u>Redemption Notice</u>

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice</u>
Common Collective Trust	\$1,564,258	n/a	Daily	None
Total	<u>\$1,564,258</u>			

Note D - Fair Value Measurements, continued

(a) Participant transactions (purchases and sales) may occur daily subject to any short-term trading policies of the Plan Sponsor. Additional restrictions may be imposed at the request of the fund company of an underlying fund as outlined in their prospectus.

Note E – Information Certified by the Custodian (Unaudited)

At December, 2023 and 2022, the Plan's investments were held by the Custodian. The following is a summary of the Plan's financial information that is included in the financial statements based on information

certified by the Custodian as complete and accurate in accordance with Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The fair value of investments at December 31, 2023 and 2022, as reported by the Custodian is summarized as follows:

	<u>2023</u>	<u>2022</u>
Common Collective Trust	\$2,029,529	\$1,564,258
Guaranteed investment contract	167,380	33,934
Interest bearing cash	127,908	0
	<u>\$2,324,817</u>	<u>\$1,598,192</u>
Notes receivable from participants	<u>\$22,937</u>	<u>\$3,646</u>

Empower also certified to the completeness and accuracy of \$318,922 of net appreciation in fair value of investments, \$1,338 in interest related to the aforementioned Plan assets, and \$669 of interest income on notes receivable from participants.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note G– Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been made in the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H – Party-in-Interest Transactions

The plan invests in participant loans. These transactions qualify as party-in-interest transactions. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. Certain Plan investments are funds managed by the Trustee and the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services and certain administrative fees related to the related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

Note I – Prohibited or Non-Exempt Transactions

During 2023, the Company failed to submit \$8,797 in deferral contributions and loan repayments in a timely manner. The failure to submit employee contributions and loan repayments is a technical violation of the provisions of ERISA even though the Company did not profit from the transaction. The plan will correct this violation outside the Internal Revenue Service's Voluntary Fiduciary Correction Program by filing a Form 5330.

Note J – Benefit Claims Payable

On December 31, 2023, there were no benefits for distributions to participants who requested a distribution from the Plan prior to the end of the Plan year.

Note K– Recent Accounting Pronouncements

Recent accounting pronouncements issued by the FASB did not or are not believed by management to have a material impact on the Plan's present or future financial statements.
