INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Jacobsen Homes 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We were engaged to perform an audit of the financial statements of **Jacobsen Homes 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023 and period ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023, and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

"Assurance Dimensions" is the brand name under which Assurance Dimensions, LLC including its subsidiary McNamara and Associates, LLC (referred together as "AD LLC") and AD Advisors, LLC ("AD Advisors"), provide professional services. AD LLC and AD Advisors practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. AD LLC is a licensed independent CPA firm that provides attest services to its clients, and AD Advisors provide tax and business consulting services to their clients. AD Advisors, and its subsidiary entities are not licensed CPA firms.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

"Assurance Dimensions" is the brand name under which Assurance Dimensions, LLC including its subsidiary McNamara and Associates, LLC (referred together as "AD LLC") and AD Advisors, LLC ("AD Advisors"), provide professional services. AD LLC and AD Advisors practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. AD LLC is a licensed independent CPA firm that provides attest services to its clients, and AD Advisors provide tax and business consulting services to their clients. AD Advisors, and its subsidiary entities are not licensed CPA firms.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note A – Description of Plan

The following description of the Jacobsen Homes 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Jacobsen Manufacturing, Inc. (collectively, the "Company" or the "Employer"). The Plan was established effective July 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Employees who have completed six months service and are at least 21 years of age are eligible to enroll in the Plan. For any employees who were employed on July 1, 2022, the service requirement is waived. Eligible employees are allowed to enroll in the Plan on the first day of the month coinciding with or next following date requirements met.

Administration

The accounting records are maintained by the Employer. The Plan's assets were held and managed by Empower Trust Company (the "Custodian"). The Plan Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code ("IRC") limitations. The maximum participant deferral for the years ended December 31, 2023 and 2022 was $22,500 and $20,500, respectively. A participant who has attained the age of 50 before the end of the plan may also make catch up contributions, subject to Internal Revenue Service ("IRS") limitations of $7,500 and $6,500 for the years ended December 31, 2023 and 2022, respectively.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. Participants also have the option to make Roth contributions.

The Employer may elect to make a discretionary matching contribution each year. During 2022 and 2023, the Company elected to match 1% of eligible compensation for employees who made elective deferrals. The Employer may also make discretionary profit-sharing contributions to the Plan during the year.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Employer's profit sharing or matching contribution amounts, if applicable. Each participant's account shall be allocated earnings, gains, expenses, and losses with respect to the investments of the participant's account. Allocations of Plan earnings or losses are based on each participant's investment fund balance in proportion to the total investment fund balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions and related earnings is based on years of continuous service. A participant is immediately vested upon death or total and permanent disability while employed with the Company. A participant is 100% vested after six years of credit service as follows:

Years of Services	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Note A – Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's vested account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The Plan Administrator shall consider a loan in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of a death, the entire outstanding principal and accrued interest shall be immediately due and payable. Upon determination that the loan has been defaulted, the loaned funds will be treated as a taxable distribution from the Plan.

Distribution of Benefits

In the event of termination of service, death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, as defined in the Plan agreement, less any applicable taxes. If a participant's vested balance is $5,000 or less, the plan Administrator will distribute the entire vested account balance to the participant without their consent. Participants may request in-service distributions upon attaining age 59 ½. Benefits may also be received when a participant demonstrates a situation of financial hardship as defined in the Plan.

Forfeitures

Non-vested benefits of terminated participants are forfeited on the date the participant receives a complete distribution of vested benefits. Forfeitures are used to reduce current year Employer contributions. For the years ended December 31, 2023 and 2022, there was no forfeitures that were utilized by the Plan to reduce Employer contributions. As of December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately $15,000 and $6,000, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account will become fully vested and non-forfeitable. All appropriate accounting provisions of the Plan will continue to apply until the accounts of all participants have been distributed.

Note B – Summary of Significant Account Policies

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes in net assets available for benefits and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from these estimates.

Note B – Summary of Significant Account Policies (continued)

Valuation of Investments

The Plan's investments in mutual funds are stated at fair value, which is based on quoted market prices at year-end as reported by the Custodian. See discussion at Note G on valuation of the fixed income annuity contract, which meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value in Accounting Standards Codification 820, Fair Value Measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note B – Summary of Significant Account Policies (continued)

Fair Value Measurements (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Fair Value Measurements at Reporting Date Using:	
	Assets Measured at Fair Value at 12/31/2023	Quoted Prices in Active Markets (Level 1)
Mutual funds	$ 3,695,661	$ 3,695,661
Investments at fair value	$ 3,695,661	$ 3,695,661

	Fair Value Measurements at Reporting Date Using:	
	Assets Measured at Fair Value at 12/31/2022	Quoted Prices in Active Markets (Level 1)
Mutual funds	$ 3,481,451	$ 3,481,451
Investments at fair value	$ 3,481,451	$ 3,481,451

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian, which is a qualified institution. As of December 31, 2022, and 2022 and for the years ended December 31, 2023 and 2022, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Custodian, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Party-In-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments and the related transactions were in investment funds managed by the Custodian; therefore, these investments and transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid to parties-in-interest by the Plan for services amounted to approximately $49,000 and $13,000 during the years ended December 31, 2023 and 2022, respectively.

Note E – Income Tax Status

The Plan has received a determination letter from the IRS dated June 30, 2020 stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

Note E – Income Tax Status (continued)

The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for years prior to 2020.

Note F – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note G – Fully Benefit-Responsive Investment Contracts

Fully benefit-responsive investment contracts, at contract value, on the statements of net assets consist of the following investment(s) as of December 31:

Investment Type	Investment name	2023	2022
Guaranteed Investment Contract	EI Fixed Account - Series Class I	$ 15,378	$ 6,798

The Plan invests in a fully benefit-responsive investment group fixed income annuity contract (EI Fixed Account - Series Class I, the "Fund"). The Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. As described in Note B, because the fixed income annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed income annuity contract. The investments are included in the financial statements at contract value as reported to the Plan by the Fund. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The fixed income annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan,) (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures of spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exempt under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note H – ERISA Bonding Requirements

ERISA section 412 and related regulations generally require that every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan shall be bonded. ERISA's bonding requirements are intended to protect employee benefit plans from risk of loss due to fraud or dishonesty on the part of the persons who "handle" plan funds or other property. ERISA refers to persons who handle funds or other property of an employee benefit plan as "plan officials." A plan official must be bonded for at least 10% of the amount of funds he or she handles, subject to a minimum bond amount of $1,000 per plan with respect to which the plan official has handling functions. In most instances, the maximum bond amount that can be required under ERISA with respect to any one plan official is $500,000 per plan.

The Plan, Plan Administrator, and officials did not obtain bonding until August 11, 2022. Effective August 11, 2022, the Plan became compliant with ERISA section 412.

Note I – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2023	2022
Net assets available for benefits per the financial statements	$ 3,752,368	$ 3,537,945
Plus: Refunds due to participants	50,880	-
Net assets available for benefits per the Form 5500	$ 3,803,248	$ 3,537,945

The following is a reconciliation of total deductions per the financial statements to the Form 5500 for the year ended December 31, 2023:

	2023	2022
Total deductions per the financial statements	$ 604,981	$ 151,624
Less: Change in contribution receivable	(50,880)	-
Total deductions per the Form 5500	$ 554,101	$ 151,624

Note J – Subsequent Events

Subsequent events have been evaluated through October 9, 2024, which is the date the financial statements were available to be issued.
