INDEPENDENT AUDITOR'S REPORT

Advisory Committee of
J. H. Fletcher & Co. Employees' Profit Sharing Plan
Huntington, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of J. H. Fletcher & Co. Employees' Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of J. H. Fletcher & Co. Employees' Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MEMBERS

AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of J. H. Fletcher & Co. Employees' Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about J. H. Fletcher & Co. Employees' Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J. H. Fletcher & Co. Employees' Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J. H. Fletcher & Co. Employees' Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and Reportable Transactions as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted

auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

J. H. FLETCHER & CO. EMPLOYEES' PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

A. Description of Plan

The following description of the J. H. Fletcher & Co. (the "Company") Employees' Profit Sharing Plan (the "Profit Sharing Plan" or the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Merger – On October 29, 2019, the Company approved the merger of the J. H. Fletcher & Co. Employees' 401(k) Plan (the "401(k) Plan") into the Profit Sharing Plan, effective November 1, 2019. As a result, all investments were transferred from the 401(k) Plan into the Profit Sharing Plan. Transferred net assets of \$10,575,850 were recognized in the accounts of the Profit Sharing Plan at the balances previously carried in the accounts of the 401(k) Plan.

General – The Plan is a defined contribution plan covering substantially all employees of the Company. Established in 1955, the Plan provides benefits upon retirement, disability, death, or termination for other reasons. Effective October 1, 2019, all full-time employees of the Company who have completed three consecutive months of service and are age eighteen or older, may elect to defer from their compensation up to the maximum percentage allowed under the limits of Code Sections 401(k), 402(g), 404, and 415. Employees that are covered by a collective bargaining agreement or are providing services to the Company through a referral from a temporary employment service and compensated by the temporary employer are not eligible to participate even if they satisfy the eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Company may contribute a share of profit each year at the discretion of the directors. The amount contributed for a Plan year, if any, shall be between five percent (5%) and fifteen percent (15%) of the gross compensation paid during the plan year. For the years ended December 31, 2023 and 2022, the directors elected to contribute 15%. Effective October 1, 2019, participants may contribute a portion of their salary into the Plan on a pretax basis. Participants may also contribute amounts representing rollover distributions from other qualified plans.

Participant Accounts – Each participant's profit sharing account is credited with an allocation of the Company's contribution and Plan earnings. Allocations are based on the ratio of each participant's compensation to the total compensation for all participants. Funds that have been allocated and applied to purchase insurance contracts are excluded from Plan assets. Each participant's deferral account is credited with the participant's contribution and an allocation of Plan earnings and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Vesting in the Company's contributions and earnings is based on years of service. A participant is 100% vested after six years of credited service. Participants are immediately vested in their contributions plus actual earnings thereon.

J. H. FLETCHER & CO. EMPLOYEES' PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants – Participants may borrow from their profit sharing accounts at the discretion of the Plan Advisory Committee. Loans are limited to the lesser of \$50,000 or one-half of the participant's vested balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates which represent prime at the date of the loan plus approximately 0.25% to 0.50%.

Payment of Benefits – On termination of service due to retirement, the normal form of benefit payment is the value of a participant's account in a lump-sum amount. However, for profit sharing accounts only, participants may elect periodic payments of equal amounts for a specified number of years not to exceed the participant's life expectancy or the life expectancies of the participant and his or her beneficiary or by the purchase of an annuity contract. For termination of service for other reasons, participants with salary deferral accounts may receive the value of the vested interest in his or her account as a lump-sum distribution during the Plan year that termination has occurred; or, for profit sharing accounts of more than \$10,000, in four annual installments beginning as soon as administratively possible.

Forfeited Accounts – For the years ended December 31, 2023 and 2022, forfeited non-vested accounts totaled \$177,251 and \$152,075, respectively. Forfeited non-vested accounts shall be used to reduce the Company's contributions or to pay administrative expenses. The amount of forfeitures used to reduce contributions or pay administrative expenses was \$0 in 2023 and \$3,149 in 2022.

B. Summary of Significant Accounting Policies

Date of Management's Review – Subsequent events were evaluated through October 11, 2024, which is the date the financial statements were available to be issued.

Basis of Accounting – The financial statements have been prepared using the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation – Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Income Recognition – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

J. H. FLETCHER & CO. EMPLOYEES' PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Administrative Expenses – Substantially all expenses of the Plan are absorbed by the Plan.

Payment of Benefits – Benefit payments to participants are recorded upon distribution.

Reclassifications – Certain reclassifications have been made to prior year's financial statements to place them on a basis comparable with the current year.

C. Information Prepared and Certified by Custodian

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the custodian.

	<u>2023</u>	<u>2022</u>
<i>John Hancock Life Insurance Company (U.S.A.)</i>		
Investments:		
Cash and cash equivalents	\$ -	\$ -
Pooled separate accounts	12,163,570	10,207,321
Investment income (loss)	2,009,403	(2,226,128)

D. Fair Value Measurements

The Plan has adopted the provisions of Fair Value Measurements, Topic 820 of the Financial Accounting Standards Board—Accounting Standards Codification. This topic requires disclosures about fair value measurements in financial statements based on hierarchical levels directly related to the amount of subjectivity associated with the inputs used to determine the fair value of financial instruments. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The various inputs that may be used to determine the value of the Plan's investments are summarized in three broad levels.

The inputs or methodologies used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Level 1 – Quoted prices in active markets for assets identical to the securities to be valued. If a Level 1 input is available, it must be used.

Level 2 – Inputs other than quoted prices that are observable for securities, either directly or indirectly. Examples include matrix pricing utilizing yield curves, prepayment speeds, credit risks, etc.; quoted prices for similar assets in active markets; and inputs derived from observable market data by correlation or other means.

J. H. FLETCHER & CO. EMPLOYEES' PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets measured at fair value on a recurring basis as of December 31, 2023 and 2022:

		Fair Value Measurements:	
	Fair Value	(Level 1)	(Level 2)
December 31, 2023			
Cash and cash equivalents	\$ 828,465	\$ 828,465	\$ -
U.S. Government securities	2,806	-	2,806
Mutual funds	38,725,338	38,725,338	-

Corporate obligations	40	-	40
Total Investments	\$ 46,462,336	\$ 36,251,930	\$ 10,210,406

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – valued at the net asset value available in an observable market of shares held by the Plan at year end.

Corporate obligations and U.S. Government securities – valued based on pricing provided by an independent pricing vendor, broker/dealer, or model-based technique for which the inputs for the valuation are based upon readily observable pricing information.

Pooled separate accounts – valued using the net asset value of units, as determined by the insurance company. Net asset value is a readily determinable fair value and is the basis for current transactions.

At December 31, 2023 and 2022, funds of \$12,163,570 and \$10,207,321, respectively, were held in such investments.

The Plan also engages in transactions with parties-in-interest during the normal course of operations. Amounts expensed for services provided by parties-in-interest are found under advisory fees and other professional fees in the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

G. Group Annuity Contract with John Hancock Life Insurance Company

In 2019, the Plan entered into guaranteed investment contract ("GIC") that is a group annuity contract, backed by the assets of the general account of John Hancock Life Insurance Company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract is included in the financial statements at fair value as reported to the Plan by John Hancock Life Insurance Company.

In general, fully benefit responsive contracts require participant-initiated transaction to occur at contract value with no conditions, limitations, or restrictions. In the John Hancock Life Insurance Company group annuity contract, inter-account transfers from guaranteed interest accounts may be subject to a market value adjustment and inter-account transfers from certain subaccounts may be subject to a redemption fee. Since the group annuity contract restricts certain transfers and withdrawals, the Plan does not consider it to be fully benefit responsive.

H. Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

I. Plan Termination

While it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

J. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
