To the Plan Administrator of the
Jobot 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Jobot 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of the
Jobot 401(k) Profit Sharing Plan & Trust

Basis for Opinion on the 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of the
Jobot 401(k) Profit Sharing Plan & Trust

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary schedule of delinquent participant contributions (for the year ended December 31, 2023) and the schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of the
Jobot 401(k) Profit Sharing Plan & Trust

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplementary schedule, other than the information in the 2022 supplementary schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Jobot 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution 401(k) plan which covers all eligible employees of Jobot, LLC (the Company). Employees who are at least 21 years of age will be eligible to participate in the Plan upon their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was initially effective on January 1, 2019 and most recently amended and restated effective April 16, 2024 to name an additional trustee to the Plan.

(b) CONTRIBUTIONS

Each year, participants may contribute up to 91% of pre-tax annual compensation, as defined in the Plan agreement, up to a maximum of \$22,500 in 2023. Participants who have attained age 50 by the Plan year-end may also make catch-up contributions of \$7,500 in 2023. The Company may make discretionary matching and discretionary profit sharing contributions. There were no discretionary matching nor discretionary profit sharing contributions during the year ended December 31, 2023.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's discretionary matching, discretionary profit sharing, and an allocation of Plan earnings. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account balance.

(d) VESTING

Participants are immediately vested in their elective contributions and rollover contributions plus actual earnings thereon. Vesting in employer matching contributions is 20% after completion of one year of service and increased by 20% thereafter. Vesting in employer profit-sharing contributions is 25% after completion of one year of continuous service and increases by 25% for each year thereafter. A participant is 100% vested after five years of service for matching contributions and four years of service for profit sharing contributions.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 95% of 50% of their vested account balance subject to a minimum amount of \$1,000 and a maximum of \$50,000. No more than two loans are to be outstanding at any one time. Notes receivable from participants bear interest at a rate which is comparable to commercial lending institutions. Interest rates on outstanding notes receivable from participants at December 31, 2023 ranged from 4.25% to 9.50%. Notes receivable from participants are secured by the participant's vested interest in the Plan. Principal and interest are paid through payroll deductions. General loans must be repaid within five years, and loans to acquire a personal residence must be repaid within ten years.

(f) PAYMENT OF BENEFITS

Upon termination of service, a participant may elect to receive a single lump-sum payment of the vested balance of his or her account or installment payments for a period not to exceed life expectancy. Benefits are recorded when paid. There are no benefit claims for participants separated from service that have not been paid as of December 31, 2023.

(g) FORFEITURES

Forfeitures of terminated participants' non-vested accounts are applied first to Plan administrative expenses and are then used to reduce employer contributions for the Plan year. Any remaining forfeitures will be allocated to qualifying contributing participants. During the year ended December 31, 2023, no amounts were used to reduce plan expenses or employer contributions. There were no available forfeitures at December 31, 2023.

(h) ADMINISTRATIVE EXPENSES

The Plan is charged with the administrative expenses incurred. Transaction charges are paid by the participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. The actual results could differ from those estimates.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2023, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 14, 2024, the date these financial statements were available to be issued. No matters were identified except for as otherwise disclosed in these financial statements.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by Mid Atlantic Trust Company (MATC), the custodian of the Plan, as of December 31, 2023 and 2022. The funds are credited with actual earnings on the underlying investments and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2023 and 2022 are the values as reported to the Plan by MATC.

The following information included in the accompanying financial statements and the supplementary schedule was obtained from the data that has been prepared and certified as complete and accurate by MATC:

- Investment accounts as shown in the statement of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, dividend income and interest income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Supplementary schedule of assets (held at end of the year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the statement of net assets available for benefits and statement of changes in net assets available for benefits and the supplementary schedule of assets (held at end of the year).

Upon enrollment in the Plan, participants may direct contributions to any of the investment options maintained by the trustee. Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan adopted the fair value accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2023 and 2022 and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Year Ended December 31	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

	Year Ended December 31	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2022:				
Mutual Funds	\$ 13,145,548	\$ 13,145,548	\$ -	\$ -
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	13,145,548	13,145,548	-	-
Investments Measured at Net Assets Value ^(a) - Common Collective Trusts	25,608	-	-	-
TOTAL INVESTMENTS AT FAIR VALUE	\$ 13,171,156	\$ -	\$ -	\$ -

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023.

- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds are traded.
- **Common Collective Trusts (CCT):** Valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the fund's trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. There are no unfunded commitments and the redemption period is daily.

(a) The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated August 31, 2020, that the prototype adopted by the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Notes receivables from participants are managed by MATC. MATC is a party-in-interest as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits as of December 31, 2022 per the financial statements to the Form 5500:

Employee Contributions Receivable at December 31, 2022 per the Financial Statements	<u>180,388</u>
<i>INCREASE IN NET ASSETS AVAILABLE FOR BENEFITS PER FORM 5500</i>	<u>\$ 11,614,272</u>

Contributions are recorded on the Form 5500 when received.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested and the assets will be allocated to each participant's account in the proportion that each account balance bears to the total of all account balances.
