Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

October 14, 2024

To the Plan Administrator of
Hurlbut Health Consulting, LLC 401(K) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hurlbut Health Consulting, LLC 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HURLBUT HEALTH CONSULTING, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following brief description of the Hurlbut Health Consulting, LLC 401(K) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers all employees of Hurlbut Health Consulting, LLC (the Company) and affiliated companies who are eighteen years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of their annual salary into the Plan as a qualified pre-tax contribution subject to maximum annual dollar contribution restrictions of ERISA and the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions equal to a discretionary percentage, to be determined by the Company, of the participant's salary deductions. The Company's discretionary matching contribution was equal to 7% of the employee's contribution and amounted to \$68,363 and \$69,322, for the years ended December 31, 2023 and 2022 respectively. All employer contributions are invested in the same allocation as participant contributions. All contributions are participant directed.

Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions and allocations of (a) plan earnings and losses, and (b) an allocation of administrative expenses. Allocations of plan earnings and losses are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Direction

The Plan permits participants to direct their elective deferrals to investments, at their discretion, in any combination of funds prescribed by the plan trustees.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings/loss thereon. Vesting in the Company's matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three consecutive years of 1,000 hours credited service.

1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Any forfeitures arising under the Plan may be used to pay administrative expenses or to reduce the employer matching contributions. Forfeitures as of December 31, 2023 and 2022 were \$4,053 and \$3,421, respectively. Forfeited amounts used to reduce administrative expenses for the years ended December 31, 2023 and 2022 were \$7,662 and \$6,110 respectively.

Benefits

Upon termination of service due to death, disability, or retirement, benefits may be paid in a lump sum amount or installment payments over a period not to exceed the joint life expectancy of the participant and spouse. Participants may withdraw any part of their vested account after reaching the age of 59 and one half.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant accounts. All hardship withdrawals must comply with rules relating to hardships, which are uniformly applicable to all participants.

Expenses

Investment fees are paid by the Plan. Administrative expenses not paid by the Plan are paid by the Plan Sponsor.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in common/collective trusts (CCTs) are stated at net asset value (NAV) as a practical expedient to fair value as determined by the issuer of the fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The cost of investments used in determining realized and unrealized gains and losses is based upon average cost.

Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefit payments are recorded when paid.

Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan administrator has obtained certifications from the plan trustee, Newport Trust Company, LLC for the years ended December 31, 2023 and 2022, that the following information is complete and accurate as of and for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 15,605,618</u>	<u>\$ 13,976,926</u>
Non-interest bearing cash	<u>\$ -</u>	<u>\$ 242</u>
Interest and dividends	<u>\$ 523,278</u>	<u>\$ 477,091</u>

Schedule of Assets Held at End of Year	Schedule I	

4. FAIR VALUE MEASUREMENT

ASC 820-10 establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

4. FAIR VALUE MEASUREMENT (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value by the Plan.

Mutual Funds: Valued based on quoted market prices in active markets (Level 1).

Common/Collective Trusts: Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the valuation methodologies used during 2023 or 2022.

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

<u>2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 14,813,083</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 14,813,083
Common collective trust, measured using NAV as a practical expedient (a)				<u>792,535</u>
Total investments				<u>\$ 15,605,618</u>

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 13,425,544</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 13,425,544
Common collective trust, measured using NAV as a practical expedient (a)				<u>551,382</u>
Total investments				<u>\$ 13,976,926</u>

(a) Certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENT (Continued)

The Plan has the following investments that are valued using net asset value as a practical expedient at December 31, 2023:

<u>Description</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust measured using NAV as a practical expedient	\$ 792,535	\$ -	Daily	None

The Plan has the following investments that are valued using net asset value as a practical expedient at December 31, 2022:

<u>Description</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust measured using NAV as a practical expedient	\$ 551,382	\$ -	Daily	None

The fund seeks to maintain the stability of a money market fund while offering returns similar to those of intermediate-term bonds.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth by ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

The Company adopted a pre-approved plan document that has received an opinion letter on November 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since adopting the pre-approved plan. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PARTIES-IN-INTEREST

Certain Plan investments are managed by Newport Trust Company, the trustee as defined by the Plan, USI Consulting Group, the third party administrator of the Plan, and Alesco Advisors, the investment advisors of the Plan, and, therefore any transactions qualify as party-in-interest transactions.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.
