The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

To the Participants and Plan Administrator of the  
KSL Resorts 401(k) Plan

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**KSL RESORTS 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following brief description of the KSL Resorts 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

THE PLAN IS SUBJECT TO THE PROVISIONS OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (“ERISA”).

**A. General**

The Plan is a defined contribution plan established on April 2, 2004 by the KSL Permanent Management, LLC, formerly known as the KSL II Management Operations LLC (the “Company”). The Plan covers all nonunion employees with regularly scheduled service greater than 1,000 hours with the Company and its subsidiaries. The Plan also covers nonunion employees of KSL Development Corporation, an affiliate of the Company. The Plan requires eligible covered nonunion employees to be age 21 or older.

KSL II Management Operations LLC controlled and managed the operation and administration of the Plan. As of September 5, 2021, the plan sponsor name was changed to KSL Permanent Management, LLC.

**B. Contributions**

Participants may contribute up to 60% of their annual compensation as pretax and/or Roth contributions, as defined in the Plan document, subject to certain Internal Revenue Code (“IRC”) limitations. When participants become eligible to participate, unless otherwise elected, they will automatically be enrolled in the Plan with a pre-tax contribution rate of 7% for employees hired on or after February 1, 2018. In addition, the deferral percentage will automatically increase each year by 1% until it reaches 10%, unless elected otherwise. The Company, at its option, may contribute a matching contribution up to 6% of the participant’s annual compensation and other discretionary contributions. The Company didn’t make matching contributions during the year ended December 31, 2023.

**C. Participant Accounts**

Individual accounts are maintained for each Plan participant. Participants direct the investment of their contributions into investment options offered by the Plan. Each participant’s account is credited with the participant’s contributions, employer contributions, rollovers and allocations of Plan earnings and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that could be provided from the participant’s vested account.

**D. Vesting**

Participants are immediately vested in their own contributions and rollovers, plus actual earnings thereon. Vesting in the Company’s contribution portion of their account, if any, is based on years of continuous service. A participant is 100% vested after five years of credited service.

**KSL RESORTS 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**E. Notes Receivable from Participants**

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears interest at available market financing rates and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period is 15 years. The plan administrator establishes the specific terms and conditions of loans to participants. Notes receivable from participants at December 31, 2023 carry interest rates ranging from 4.25% to 5.25%.

**F. Payment of Benefits**

On termination of service, a participant may generally elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period.

**G. Forfeitures**

Forfeitures of terminated participants' non-vested accounts are used to reduce employer contributions, pay administrative expenses of the Plan or reallocated to the remaining eligible participants pro rata based on compensation. During 2023, forfeitures totaled \$16,414. No forfeitures were used to reduce employer contributions. The Plan's investments as of December 31, 2023 and 2022 include forfeiture reserves of \$180,838 and \$159,145, respectively.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements are maintained on the accrual basis of accounting.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**C. Valuation of Investments**

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are based on quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Valuation of Investments (Continued)**

The following table summarizes the Plan's investments at December 31, 2023 based on the inputs used to value them:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 3,816,078	\$ -	\$ -	\$ 3,816,078

Investments Measured at Net Asset Value <sup>A</sup>				<u>7,683,989</u>
				<u>\$ 11,500,067</u>

The following table summarizes the Plan's investments at December 31, 2022 based on the inputs used to value them:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,063,863	\$ -	\$ -	\$ 2,063,863
Total Assets in the Fair Value Hierarchy	<u>\$ 2,063,863</u>	<u>\$ -</u>	<u>\$ -</u>	2,063,863
Investments Measured at Net Asset Value <sup>A</sup>				<u>8,133,180</u>
				<u>\$ 10,197,043</u>

<sup>A</sup> In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the 12-month redemption notice policy period is applicable only to the Plan.

**KSL RESORTS 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Valuation of Investments (Continued)**

Mutual funds are classified as Level 1 and their values are determined based on quoted prices in an active market.

**D. Administrative Expenses**

Most administrative expenses of the Plan are paid by the Company.

**E. Benefits**

Benefit payments to participants are recorded upon distributions.

**NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2023 and 2022 and investment income for the year ended December 31, 2023 that is disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Trust Company, LLC, the trustee of the Plan.

**NOTE 4 - INCOME TAX STATUS**

The Plan uses a prototype plan document sponsored by John Hancock Retirement Plan Services LLC. John Hancock Retirement Plan Services LLC received an opinion letter from the Internal Revenue Service ("IRS"), which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provisions for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5 - PLAN TERMINATION**

The Company has the right under the Plan to amend and terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in their accounts.

**NOTE 6 - RISKS AND UNCERTAINTIES**

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**KSL RESORTS 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

**NOTE 7 - EXEMPT RELATED PARTY TRANSACTIONS**

Certain Plan investments may be issued or managed by John Hancock Trust Company, LLC, the Plan trustee, or an affiliate. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**NOTE 8 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 14, 2024, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
