**TOSHIBA TEC U.S. EMPLOYEES'
401(k) SAVINGS PLAN**

FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Toshiba Tec U.S. Employees'
401(k) Savings Plan
3901 South Miami Boulevard
Durham, North Carolina 27703

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Toshiba Tec U.S. Employees' 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

TOSHIBA TEC U.S. EMPLOYEES'
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The Toshiba Tec U.S. Employees' 401(k) Savings Plan (the "Plan") is a defined contribution plan that covers substantially all employees of Toshiba Global Commerce Solutions, Inc. and Toshiba American Business Solutions, Inc. ("Company"). The Plan was established on August 1, 2012 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Employees employed by the Company on August 1, 2012 became participants on that date. Otherwise, Company employees are eligible to participate in the Plan after having completed one month of service and attaining age 21.

B. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee. Normal retirement age is 65. Financial hardship and age 59½ withdrawals are permitted.

C. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions, and related earnings. Employees hired before July 31, 2015 whose immediately prior employment with IBM met certain criteria are 100% vested in Company matching and discretionary contributions. Otherwise, Company contributions are vested as follows:

<u>Vesting Service (Years)</u>	<u>Vesting Percentage (%)</u>
1	25
2	50
3	75
4 or more	100

D. Contributions

Participants may elect to defer up to 80% of eligible annual compensation, as defined in the Plan, subject to Internal Revenue Code (IRC) limitations. Certain participants are automatically enrolled at a deferral rate of 5% of eligible annual compensation, as defined by the Plan, up to the IRC limitations. Catch-up contributions and rollovers from qualified plans are allowed. The Company provided matching contributions at various rates as determined by the employers.

E. Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of the vested account balance. The minimum loan is \$1,000. Only one loan may be outstanding at any one time. Interest on loans is charged at a reasonable rate. Loans must be repaid within five years unless the loan is used for the purchase of a principal residence, in which case it may be repaid over a period not to exceed ten years.

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Forfeitures

Any portion of a participant's account that is not vested shall be forfeited as of the date of distribution of the vested portion. Forfeitures may be used to reduce Company contributions or pay expenses. Forfeitures totaled \$365,892 in 2023; \$77,025 were used to pay Plan expenses and \$548,770 were used to offset Company contributions. At December 31, 2023 and 2022, \$319,193 and \$529,067, respectively, in unallocated forfeitures were included in net assets available for benefits.

G. Administrative Expenses

The Plan pays administrative fees. Other expenses are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Participants select how their share of plan assets will be invested among those investment vehicles made available.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

				<u>\$ 372,541,246</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments are mutual funds valued at their quoted market prices. The investments measured at net asset value are common/collective trusts. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date.

D. Risks and Uncertainties

The Plan investments are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan is a volume submitter plan that has received an opinion from the Internal Revenue Service stating that the form of the Plan is acceptable under Section 401 of the IRC. The Plan has since been amended; however, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

TOSHIBA TEC U.S. EMPLOYEES'
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 3 - INCOME TAX STATUS (Continued)

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date, which will be treated as the valuation date.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2023 and 2022 and investment income for the year ended December 31, 2023 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are managed by Fidelity Investments, an affiliate of the trustee. Transactions related to these investments qualify as party in interest transactions; however, they are exempt from the prohibitions under ERISA.

NOTE 7 - PLAN AMENDMENT

On March 9, 2023, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") addendum to the CARES Act Distributions, effective as of April 5, 2020, and the CARES Act Loan, effective as of May 7, 2020.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Toshiba Tec U.S. Employees'
401(k) Savings Plan
3901 South Miami Boulevard
Durham, North Carolina 27703

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Toshiba Tec U.S. Employees' 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The Toshiba Tec U.S. Employees' 401(k) Savings Plan (the "Plan") is a defined contribution plan that covers substantially all employees of Toshiba Global Commerce Solutions, Inc. and Toshiba American Business Solutions, Inc. ("Company"). The Plan was established on August 1, 2012 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Employees employed by the Company on August 1, 2012 became participants on that date. Otherwise, Company employees are eligible to participate in the Plan after having completed one month of service and attaining age 21.

B. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee. Normal retirement age is 65. Financial hardship and age 59½ withdrawals are permitted.

C. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions, and related earnings. Employees hired before July 31, 2015 whose immediately prior employment with IBM met certain criteria are 100% vested in Company matching and discretionary contributions. Otherwise, Company contributions are vested as follows:

<u>Vesting Service (Years)</u>	<u>Vesting Percentage (%)</u>
1	25
2	50
3	75
4 or more	100

D. Contributions

Participants may elect to defer up to 80% of eligible annual compensation, as defined in the Plan, subject to Internal Revenue Code (IRC) limitations. Certain participants are automatically enrolled at a deferral rate of 5% of eligible annual compensation, as defined by the Plan, up to the IRC limitations. Catch-up contributions and rollovers from qualified plans are allowed. The Company provided matching contributions at various rates as determined by the employers.

E. Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of the vested account balance. The minimum loan is \$1,000. Only one loan may be outstanding at any one time. Interest on loans is charged at a reasonable rate. Loans must be repaid within five years unless the loan is used for the purchase of a principal residence, in which case it may be repaid over a period not to exceed ten years.

F. Forfeitures

Any portion of a participant's account that is not vested shall be forfeited as of the date of distribution of the vested portion. Forfeitures may be used to reduce Company contributions or pay expenses. Forfeitures totaled \$365,892 in 2023; \$77,025 were used to pay Plan expenses and \$548,770 were used to offset Company contributions. At December 31, 2023 and 2022, \$319,193 and \$529,067, respectively, in unallocated forfeitures were included in net assets available for benefits.

G. Administrative Expenses

The Plan pays administrative fees. Other expenses are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Participants select how their share of plan assets will be invested among those investment vehicles made available.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

Investments Measured at Net Asset Value ^A				<u>277,437,654</u>
				<u>\$ 372,541,246</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments are mutual funds valued at their quoted market prices. The investments measured at net asset value are common/collective trusts. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date.

D. Risks and Uncertainties

The Plan investments are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan is a volume submitter plan that has received an opinion from the Internal Revenue Service stating that the form of the Plan is acceptable under Section 401 of the IRC. The Plan has since been amended; however, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 3 - INCOME TAX STATUS (Continued)

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date, which will be treated as the valuation date.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2023 and 2022 and investment income for the year ended December 31, 2023 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are managed by Fidelity Investments, an affiliate of the trustee. Transactions related to these investments qualify as party in interest transactions; however, they are exempt from the prohibitions under ERISA.

NOTE 7 - PLAN AMENDMENT

On March 9, 2023, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") addendum to the CARES Act Distributions, effective as of April 5, 2020, and the CARES Act Loan, effective as of May 7, 2020.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
