DEVCO RESIDENTIAL GROUP 401(K) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Independent Auditor's Report

To the Administrator of
DevCo Residential Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DevCo Residential Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DevCo Residential Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DevCo Residential Group 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DevCo Residential Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DevCo Residential Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and

other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DevCo RESIDENTIALGROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN

Effective April 10, 2021, HNN Management, Inc., dba HNN Communities (Employer, Plan Sponsor and the Plan Administrator) adopted the HNN Communities Retirement Plan (the Plan).

Effective March 21, 2023, the Plan was amended to merge with the Heartland Construction 401(k) Profit Sharing Plan and it became the surviving plan and was renamed the DevCo Residential Group 401(k) Plan. A trust to trust merger was initiated on this same date and the assets of the Heartland Construction 401(k) Profit Sharing Plan were received by DevCo Residential Group 401(k) Plan. Immediately following the merger, each participant in the Heartland Construction 401(k) Profit Sharing Plan had an account balance with the DevCo Residential Group 401(k) Plan equal to their previous account balance in the Heartland Construction 401(k) Profit Sharing Plan.

Heartland Construction, LLC, DevCo Management Company, LLC and HNN Associates, LLC, are related employers and have executed a Participating Employer Adoption Page to participate in the Plan, as merged and amended.

The Plan was most recently restated and amended effective January 1, 2023. The participating employers remained unchanged. See Note 9.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a participant directed defined contribution Plan [a non-standardized profit sharing / 401(k) plan]. All employees of the Employers and their affiliates, fulfilling the eligibility criteria listed in the Plan document, and described below are eligible to participate in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee is responsible for oversight of the Plan. The investment committee, in consultation with its investment adviser, Bernstein Private Wealth Management, determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's trustee.

Plan Administration – The Standard Insurance Company (The Standard) provides third party administration and compliance services effective January 1, 2023. Reliance Trust Company is the custodian of the Plan's investments effective January 18, 2023. Empower Retirement Services provided record keeping services for the plan and its affiliate, Empower Trust Company, LLC (an affiliate of Empower Retirement) was the custodian for the plan assets for the period January 1, 2023 through January 17, 2023 and during 2022.

Contributions – Each year participants may contribute up to the maximum amount allowed by the Internal Revenue Code of annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who are eligible to make salary deferrals to the Plan are

Note 1 – continued

generally eligible for the safe harbor employer contribution equal to 100% of a participant's elective deferral contributions which are not over 4% of eligible compensation (enhanced match formula). The match is funded with every payroll. The Plan also allows for an employer discretionary contribution (other than safe harbor and QNEC). There were no such discretionary contributions during 2023.

All contributions are invested in accordance with fund allocations specified by plan participants.

Eligibility – Employees after reaching 18 years of age and after completion of 90 days of eligible service are eligible to participate in the Plan by enrolling themselves, by submitting the participant enrollment form to the Standard. The entry date is the first day of the month coinciding with or next following date of satisfying the eligibility conditions. Compensation for the first year of eligible Plan participation is based upon eligible compensation for the portion of the year in which the employee is eligible to participate.

Vesting – Employee deferrals and safe harbor matching contributions are fully vested. Each participant whose employment terminates for reasons other than death, disability, or attainment of normal retirement age, is entitled to a nonforfeitable right to his non-safe-harbor employer contribution as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or above	100%

Notwithstanding the aforementioned, upon reaching normal retirement age or upon death or disability, participants become 100% vested.

Participant Accounts – Individual participant accounts are maintained by The Standard Insurance Company (The Standard), the Plan's third-party administrator. Each participant's account is credited or charged with the participant's contributions and allocations of employer matching and nonelective contributions and investment earnings and losses. Allocations are based on participant compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the vested balance in the participant's account.

Investment Options - Participants direct employee and employer contributions and account balances among various investment options comprised of mutual funds and one stable value asset fund.

Note 1 – continued

Notes Receivable from Participants - Participants may borrow from their accounts up to 50% of their vested account balance and the total loan outstanding may not exceed \$50,000. The participant may have only one loan outstanding at any time. The loans are secured by the balance

in the participant's account. The loan interest rate shall be reasonable which will be disclosed by the plan administrator at the time of the participant making request for the loan. Principal and interest are paid ratably through payroll deductions with repayment period not to extend beyond 5 years (except for purchase of primary house, for which the term is no more than 10 years).

Payment of Benefits - Upon termination of service, a participant may elect to receive either in a lump-sum or in partial withdrawals, an amount equal to the value of the participant's vested interest in his or her account. Upon reaching 59 ½, and under certain hardship circumstances, participants may request a lump-sum distribution of their vested account balances prior to retirement.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments

Forfeitures - At December 31, 2023 and 2022, forfeited accounts totaled \$0 and \$538. Forfeitures are used to pay administrative expenses or reduce the Company's future contributions to the Plan. Forfeitures of \$538 were applied to employer contributions during 2023.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the assets of the Plan will be distributed to participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies used by the Plan:

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments - Plan investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because

Note 2 – continued

contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for more discussion on fair value measurements.

Income Recognition - Interest income is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced, and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2023.

Payment of Benefits - Benefits are recorded when paid.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the management to make estimates and assumptions that affect certain reported amounts of assets and liabilities changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - TAX STATUS

The Plan operates under provisions of a prototype Plan which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter. The Administrator believes that the Plan and related trust are designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Generally accepted accounting principles (GAAP) require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has concluded that as of December 31, 2023, the Plan has not taken any uncertain tax positions that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

The inputs or methodology used for valuing investments is not necessarily an indication of the risk associated with investing in those securities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual Funds: Investments in mutual funds are classified as Level 1. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: valued using the NAV as a practical expedient, which is based on the quoted market prices of the underlying securities of the funds. The unit price is based on the value of the underlying investments assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The collective trust funds provide for daily redemptions by the Plan at reported NAV with no advance notice requirements.

Empower Investments Fixed Account Series Class I: The Empower Investments Fixed Account (EIFA) is a general account product of Empower Annuity Insurance Company of America (EAICA). Because the EIFA is a general account product offered through a group annuity contract, participant principal and interest are backed by the entire general account assets of EAICA. This product seeks to achieve consistent returns to support a competitive credited rate. EIFA is recorded at contract value which approximates fair value.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 – continued

NOTE 5 - STABLE VALUE ASSET FUND

The Standard maintains the contributions in a general account that is part of the general corporate assets of The Standard. The account is credited with earnings based on a rate declared by The Standard each quarter and charged for participant withdrawals and administrative expenses. The Standard has a general liability to participants for the balance in the general account. The Standard also guarantees a minimum interest rate of 1%.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by The Standard, represents contributions made under the contract, plus earnings less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of The Standard. The contract value of the investment contract at December 31, 2023 was \$40,735. On a quarterly basis, The Standard

Note 5 – continued

declares a crediting rate for assets in the general account based on the underlying investments of The Standard. The crediting rate for the investment contract at December 31, 2023 was 2.78%.

Certain events may limit the ability of the Plan to transact at contract value with The Standard. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a payout adjustment may apply. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The guaranteed investment contract does not permit The Standard to terminate the agreement prior to scheduled maturity date.

NOTE 6 - INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the custodian of the Plan's investments, has certified that the following data included in the accompanying financial statements, notes and supplemental schedule is complete and accurate.

1. Fair value of mutual funds as of December 31, 2023.
2. The contract value of the stable value asset fund as of December 31, 2023.
3. Net appreciation in fair value of mutual funds for the period January 18, 2023 through December 31, 2023.
4. Interest and dividends for the period January 18, 2023 through December 31, 2023.
5. The information in Note 4 as of December 31, 2023 and the supplemental schedule on page 15.

Following is a summary of the unaudited information included in the financial which was prepared by Empower Trust Company, LLC in 2022, the trustee and custodian of the Plan's investment assets, and furnished to the administrator along with certification that such information is complete and accurate.

1. Fair value of investments as of December 31, 2022.
2. Notes receivable from participants as of December 31, 2022.
3. Investment income for the period January 1, 2023 through January 17, 2023.
4. Interest income on participants notes receivable for the period January 1, 2023 through January 17, 2023

NOTE 7 - PARTY IN INTEREST

Reliance Trust Company is the custodian of the Plan's investments for the period January 18, 2023 through December 31, 2023; therefore, transactions with Reliance during this period qualify as party-in-interest transactions. The Standard is the third-party administrator and co-fiduciary of the Plan and contracts with Reliance for custodial services. For the period January 18, 2023 through December 31, 2023, the Plan paid fees of \$39,668 to The Standard and its affiliates for administration and custodial services. In addition, transactions involving the guaranteed investment contract with The Standard qualify as party-in-interest transactions.

Empower Annuity Insurance Company of America and its subsidiaries provided the Plan with custodial, management, administrative and consulting services for the period January 1, 2023 through January 17, 2023. Therefore, transactions with the above named and their subsidiaries and the related payment of fees qualify as party-in-interest transactions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

The Plan's Administrator has evaluated subsequent events for possible recognition or disclosure in the financial statements through October 14, 2024, which is the date the financial statements were available to be issued.

On February 22, 2024, the Plan executed Participation Agreements with the following participating employers:

- Devco US Construction, LLC
- HNN Communities, US, LLC
- DevCo Procurement, LLC
