INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Stink, Inc. Health Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Stink, Inc. Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2023, and the related notes to the financial statements - modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Stink, Inc. Health Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Stink, Inc. Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Stink, Inc. Health Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - *Supplementary Schedules Required by ERISA*

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) - Modified Cash Basis and Schedule H, Part IV, Line 4j - Schedule of Reportable Transactions - Modified Cash Basis as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The Stink, Inc. Health Plan (the “Plan”) was established on January 1, 2015. The following description of the Plan provides only general information. Participants should refer to the associated Plan documents for a complete description of the Plan’s provisions. Stink, Inc. (the “Company” or “Plan Sponsor”) has the right to terminate, suspend, withdraw, or amend the Plan in whole or in part at any time, subject to the provisions set forth in the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Stink, Inc. Employee Benefit Trust (the "Trust") was established on March 1, 2015, to fund employee health and welfare benefits under the Plan for the eligible employees of the Plan Sponsor, its affiliates and subsidiaries, and such employees' eligible dependents. The Trust is funded by irrevocable cash contributions paid by or at the direction of the Company or any eligible employer to be held, invested, reinvested, managed, administered, and distributed for the exclusive benefit of the participants. The Trust acts as the conduit for payment of claims, premiums, and other Plan expenses. The Company serves as Plan fiduciary and Plan Sponsor and Comerica Bank and Trust, N.A. serves as Trustee of the Trust. Boon Administrative Services, Inc. (“BAS”) serves as the third-party administrator.

General

The Plan was established as an employee health and welfare benefit plan for the exclusive benefit of eligible employees of the Plan Sponsor and its affiliates, as amended. The Plan benefits include medical and pharmacy benefits for full-time and part-time employees.

At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums, may change. Coverage is continued for employees who are on approved short-term disability leave or leave under the Family and Medical Leave Act of 1993 (“FMLA”). Former employees and their dependents are eligible for continued coverage for the number of months specified under the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”), if they so elect.

Eligibility

In general, all employees of the Plan Sponsor and its affiliates are eligible to participate in benefits offered by the Plan, as further described in the Plan documents, with respect to himself or herself on the first day of the month following completion of the service waiting period of 60 days. Qualified dependents and spouses are eligible, as further described in the Plan document.

Participating full-time employees that were terminated in March 2020 and subsequently rehired within 12 months were not subject to the service waiting period due to the Plan Sponsor’s discretionary continuation of coverage.

Contributions and Premiums

The Company pays contributions to the Plan to be used to fund benefits for employees based on either number of lives or hours worked. The employer contribution is a set dollar amount either per life or per hour worked by each employee, per month, pursuant to governmental requirements in force at each work location. Plan participants are responsible for payment of dependent cost of coverage, based on the level of coverage selected, through payroll deductions. These contributions are held in the Trust. BAS pays authorized benefits from the Trust as claims are processed by the Plan’s claims administrator.

The Plan Sponsor did not pay contributions to the Plan for those terminated full-time employees that received discretionary continuation of coverage. The contributions due for benefits were offset by the Plan’s claims reserves.

Contributions are invested in assets held in a Trust bank account. The Trustee invests the Plan's funds as set forth in the Trust Agreement. Investments consist of money market funds and are reported at fair value.

Underwriters and actuaries of the insurance carriers have developed a set of rates applicable to the policies that have been issued to the Plan. The Plan Sponsor is quoted a premium rate based upon Plan design, location, and other demographic data. These rates are subject to change annually.

Benefits

The Plan benefits include self-insured medical and pharmacy benefits, Aetna Hospital Indemnity, Aetna Dental, and telemedicine benefits under the Smart Minimum Value Coverage Plan ("SmartMVP Plan") for full-time employees in San Francisco. The Plan provides self-insured medical benefits under the Smart Minimum Essential Coverage Plan ("SmartMEC Plan") for full-time employees in non-San Francisco cities. Contributions related to the self-funded medical plans and all other contributions are remitted to a lockbox maintained by BAS to be transferred into the Trust. Medical claims are processed by Boon-Chapman and pharmacy claims are processed by Caremark, but the responsibility for payments to the providers is retained by the Plan. The Employer maintains an excess risk policy that reimburses the Plan for medical, and pharmacy claims in excess of certain limits. The Plan benefits also include fully insured medical benefits under the Aetna Med Premier insurance plan for part-time employees. Contributions received related to Aetna premiums are paid directly from the Trust to BAS, which then remits the premium dollars to Aetna Life Insurance Company. Telemedicine benefits for participants enrolled in the SmartMVP Plan are provided at no additional cost to the Plan Sponsor. Instead, these benefits utilize the Plan's claims reserves and are based on the current number of enrolled employees, the historical claims utilization, and the available claims reserve amount. Should any of these factors fluctuate substantially, the Plan's claims reserves may not fund this benefit for the entire year.

Administrative Fees and Expenses

Administrative fees such as, but not limited to, administrative service fees, trustee fees, PPO access, medical management, audit and accounting fees, and investment management fees, are paid by the Plan, as allowed by the Plan document. The Company pays all other expenses.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles ("GAAP"). GAAP requires the accrual basis of accounting whereby revenues are recognized as earned and expenses are recognized as incurred. Under the modified cash basis of accounting, incurred but not recorded claims are disclosed in the notes to financial statements rather than accrued in the financial statements. See Note 5.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than GAAP, requires the Plan administrator to make estimates and assumptions that affect the amounts reported in either the financial statements, accompanying notes, or supplementary schedules. Actual results could differ from those estimates.

Risks and Uncertainties
The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits - modified cash basis. The Plan's investments are managed and monitored by the Trustee in accordance with the Plan's investment policy.

Investment Valuation and Income Recognition
The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the money market fund is based on quoted prices in active markets. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the accrual basis.

Payment of Benefits
Health claims are recorded when paid. Any refunds due to overpayments, subrogation, or adjustments are recorded in the period received and are shown netted with benefit payments. Premiums are recorded when incurred.

Excess Risk Insurance
The Plan Sponsor limits potential claim liabilities through stop-loss insurance. The policy in effect during the year ended December 31, 2023, provided specific loss coverage for all claims under the SmartMVP Plan exceeding $50,000 in liability per person and when annual losses exceed an aggregate limit. The aggregate limit was $195,002 for the year ended December 31, 2023. The maximum specific benefit is unlimited for the policy period, whereas the maximum aggregate benefit is $1,000,000. The Plan remains liable to the extent the insurer cannot meet its obligations under the stop-loss insurance policy.

Administrative Expenses
The Plan is responsible for payment of the administrative expenses and fees; however, the Company may pay the Plan expenses directly.

Subsequent Events
The Plan's management has evaluated subsequent events through October 11, 2024, the date which the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which require adjustment to or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Money Market Fund: Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily net asset value ("NAV") and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value at December 31, 2023 and 2022:

	2023			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market fund	$ 2,203,566	$ -	$ -	$ 2,203,566

	2022			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market fund	$ 2,017,037	$ -	$ -	$ 2,017,037

4. INVESTMENTS AND INFORMATION PROVIDED AND CERTIFIED BY TRUSTEE

No auditing procedures were performed by the independent auditor with respect to the information certified as complete and accurate by Comerica Bank and Trust, N.A, the Plan trustee, except for comparing such information with the information reported in the financial statements. Based on the information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2023 and 2022. Accordingly, the trustee of the Plan assets has certified the completeness and accuracy of:

- Investments and related investment activity reflected on the accompanying statements of net assets available for benefits - modified cash basis as of December 31, 2023 and 2022, and the statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2023, and the accompanying supplemental schedule of assets (held at end of year) - modified cash basis and schedule of reportable transactions - modified cash basis as of and for the year ended December 31, 2023.

5. CLAIMS INCURRED BUT NOT REPORTED

The Plan has not recorded an accrual for claims incurred, but not reported ("IBNR") at year-end. IBNR as of December 31, 2023 and 2022, for health claims incurred by active participants but not reported at that date, for accumulated eligibility of participants are estimated by the Company by analyzing claim lag studies. Such amounts are disclosed at an undiscounted amount because amounts typically are payable within one year. Any differences in the amounts estimated and actual amounts will be disclosed in future years. As of December 31, 2023 and 2022, the total estimated liability for claims incurred and not reported was $0 and $3 respectively, including amounts that may be covered by the insurance carrier under the aggregate excess risk benefit agreement.

6. PARTY-IN-INTEREST TRANSACTIONS

Plan assets include investment in funds managed by the Trustee. BAS is the third-party administrator. Transactions with the Trustee and third-party administrator qualify as exempt party-in-interest transactions under ERISA. Fees paid to the Trustee were $3,000 for the year ended December 31, 2023. The Boon Insurance Agency, Inc. ("BIA"), an affiliate of BAS, receives allowable commissions and BAS receives administrative fees paid out of premiums received by the Plan's insurance carrier for fully-insured Plan benefits. Payments to BAS related to services rendered for general Plan and Trust administration for self-insured Plan benefits for the year ended December 31, 2023, totaled $83,425. Payments to BIA for marketing services rendered, including insurance proposals, enrollment and implementation support, and issuance of pre-enrollment forms for the year ended December 31, 2023, totaled $19,199.

At December 31, 2023 and 2022, receivables due from BAS include $7 and $35,477, respectively, for contributions remitted to the lockbox not yet transferred to the Trust. At December 31, 2023 and 2022, Plan payables include $593 and $10,554 respectively, due to BAS for Plan expenses.

7. PLAN TERMINATION

Upon termination of the Plan, the Trustee would distribute all remaining net assets in a nondiscriminatory manner for the benefit of participants and eligible persons. Remaining net assets are deemed to be those monies remaining after payment of all reasonable and necessary obligations and expenses of the Plan.

8. INCOME TAX STATUS

The Trust funding the Plan has not received an exemption letter from the Internal Revenue Service (“IRS”) stating that the Trust is tax-exempt under Section 501(a) of the Internal Revenue Code ("IRC") as a Voluntary Employee Beneficiary Association; therefore, the Trust is a taxable trust. As an employee welfare benefit plan and related taxable trust, the Plan and Trust are required to operate in conformity with the IRC and ERISA. The Plan administrator believes the Plan and Trust are currently designed and being operated in compliance with the applicable requirements of the IRC and ERISA. The Plan’s financial statements do not include a provision for income taxes as the Plan Sponsor is responsible for payment of any tax liability that may be due with regard to the Trust.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties for the periods presented in these financial statements.
