INDEPENDENT AUDITOR'S REPORT

Plan Trustees and Plan Administrator
Heath Ceramics, Ltd. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Heath Ceramics, Ltd. 401(k) Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Heath Ceramics, Ltd. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Heath Ceramics, Ltd. 401(k) Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company (Reliance Trust), the trustee of the Heath Ceramics, Ltd. 401(k) Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information as described in Note 7 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Reliance Trust agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Heath Ceramics, Ltd. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Heath Ceramics, Ltd. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Heath Ceramics, Ltd. 401(k) Plan; and determining whether the Heath Ceramics, Ltd. 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Heath Ceramics, Ltd. 401(k) Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Heath Ceramics, Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Heath Ceramics, Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of assets and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by Reliance Trust agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEATH CERAMICS, LTD. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Heath Ceramics, Ltd. 401(k) Plan (the Plan) provides only general information. Participants and others should refer to the plan document or summary plan description for a more complete description of the Plan's provisions.

General: Heath Ceramics, Ltd. (the Plan Sponsor) established the Plan on January 1, 2005. The Plan is a defined contribution profit sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee is responsible for oversight of the Plan. Reliance Trust Company (Reliance Trust) serves as the trustee of the Plan.

In October 2020, the Plan was amended with respect to how employer contributions will be calculated effective January 1, 2021. This amendment (a) eliminated Employer Qualified Safe Harbor Contributions (QACA) and changed the related vesting schedule, (b) converted automatic employee deferrals to Eligible Automatic Contribution Arrangement (EACA), (c) changed the profit sharing contribution formula to tiered based on years of service and (d) changed the employer nonelective profit sharing contributions to be immediately and fully vested when received.

Effective April 1, 2021, the Plan was amended with respect to how employer contributions will be determined, annual conditions for employer profit-sharing contributions, age requirements for normal and early retirement, and union employees' eligibility to participate in the Plan.

Effective May 24, 2021, the Plan was amended to merge the Supplemental Income 401(k) Plan (Heath Ceramics Union Employees) into the Plan.

Eligibility: The Plan covers all employees of the Plan Sponsor except for part-time, temporary and seasonal employees who have not met plan requirements and certain non-resident aliens. Participants who are not employed on the last working day of the plan year are generally not eligible for an allocation of company contributions for such year.

Contributions: Participants may make voluntary elective deferral contributions subject to prescribed limitations as well as rollover contributions from a qualified plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may enter a salary deferral agreement at any time to select an alternative deferral amount or to elect not to defer in the Plan. The Plan includes an EACA. Under the EACA, if an eligible participant does not complete a salary deferral agreement, the Plan Sponsor will automatically withhold 3% of compensation and contribute that amount to the Plan as a salary deferral, increasing every year after two years of participation by 1% with a maximum deferral of 10%.

Each year the Plan Sponsor may also contribute discretionary amounts to the Plan as determined by the Board of Directors. These discretionary amounts may be comprised of an employer matching contribution (a designated percentage of a participant's elective contribution) and/or a discretionary employer profit sharing contribution based upon the participant's years of service. An employee must have completed at least a year of service during the plan year and be employed with the Plan Sponsor on the last day of the year to be eligible for a discretionary employer matching and/or profit sharing contribution. The Plan Sponsor made discretionary employer profit sharing contributions totaling \$173,500 for the year ended December 31, 2023.

Participant Accounts: Separate accounts are maintained for each participant (an elective deferral contribution account, an elective Roth deferral contribution account [if applicable], a matching contribution account, a discretionary employer contribution account and a rollover contribution account). Each participant's elective contribution accounts are credited with the participant's elective contributions and an allocation of plan earnings (losses) attributable to the elective accounts. Each participant's account is credited with the Plan Sponsor's discretionary contributions, along with an allocation of plan earnings (losses) attributable to the accounts. Investment direction for each participant's accounts is provided by the participant.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: Participants are fully and immediately vested in their elective deferral contribution accounts and rollover contribution accounts together with allocated plan earnings (losses) thereon. Discretionary employer profit sharing contributions are fully and immediately vested. Employer safe harbor QACA matching contributions and discretionary employer matching contributions are vested according to the following schedule:

Participants' Years of Service	Employer Safe Harbor QACA Matching Vested Percentage	Discretionary Employer Matching Vested Percentage
Less than 2 years	0%	0%
2 years	100%	20%
3 years	100%	40%
4 years	100%	60%
5 years	100%	80%
6 or more years	100%	100%

If employed on or after normal retirement age, death or disability, participant's accounts become fully vested.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. The repayment term of the loans may not exceed five years (with the exception of a loan used to purchase a primary residence, whereby the term of the loan may exceed five years but no more than ten years). The loans are secured by the participant's interests in the Plan's assets and bear interest at the prime rate at which the loan is issued. The Plan Administrator requires the participant receiving a loan from the Plan to enter into a payroll deduction agreement to repay the loan.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant is entitled to receive their vested aggregate account balance and may choose to leave the assets invested in the Plan or take a lump-sum distribution. However, the Plan Administrator, without the consent of the participant, may distribute a participant's vested aggregate account balance in a lump sum any time after a participant terminates employment if the participant's account balance does not exceed \$5,000.

Forfeited Accounts: Forfeited nonvested accounts can be used to reduce employer contributions or pay plan expenses. There were no forfeitures during 2023 and 2022. For the year ended December 31, 2023, forfeited nonvested accounts used to pay for plan expenses totaled \$784.

Investment Options: Participants may direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The statements of net assets available for plan benefits present the fair value of the investment contracts as well as an adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statement of changes in net assets available for plan benefits was prepared using the contract value basis for fully benefit-responsive investment contracts.

HEATH CERAMICS, LTD. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires the custodians to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements: The Accounting Standards Codification (ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The guidance also establishes a three-level fair value hierarchy that describes the inputs used to measure assets and liabilities.

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values are based on observable inputs that include quoted market prices for similar assets or liabilities, quoted market prices that are not in an active market, or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 compared to December 31, 2022.

- *Mutual Funds* – Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

New Accounting Pronouncement Adopted: On January 1, 2023, the Plan adopted ASC 326, *Financial Instruments—Credit Losses*, and all of the related amendments, which replace the incurred loss accounting methodology with the current expected credit losses approach for financial instruments measured at amortized cost, which includes accounts receivable. The adoption of this standard did not have a material impact on the Plan's financial statements.

HEATH CERAMICS, LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Benefit Payments: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distributions, terminated employees' accounts and certain fees related to maintaining the Plan are charged directly to the participant's account and included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events: The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, by level within the fair value hierarchy, are as follows:

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2023				
Mutual funds	\$ 10,868,593	\$ 10,868,593	\$ -	\$ -
2022				
Mutual funds	\$ 8,758,431	\$ 8,758,431	\$ -	\$ -

Gains and losses included in changes in net assets available for plan benefits for the year ended December 31, 2023 are reported under net depreciation in fair value of variable annuity contracts.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3, as the Plan only has Level 1 investments.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive guaranteed investment contract with The Standard Insurance Company (The Standard). The Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

HEATH CERAMICS, LTD. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

As described in the basis of accounting disclosure, because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the statements of net assets available for plan benefits at fair value with an adjustment to contract value in arriving at net assets available for plan benefits. Contract value, as reported to the Plan by The Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The fair value of the guaranteed investment contract approximates contract value. The crediting interest rate is based on a formula agreed upon with the issuer and may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event that would limit the Plan's ability to transact at contract value with participants is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average yields based on actual earnings and interest rate credited to participants were 2.78% and 2.23% for the years ended December 31, 2023 and 2022, respectively.

NOTE 5 – TAX STATUS

The Plan adopted the Standard Retirement Services Inc Non-Standardized Pre-Approved Profit Sharing Plan/Money Purchase/CODA. Standard Retirement Services Inc received its latest opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt as of the date of the financial statements.

US GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

HEATH CERAMICS, LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 6 – RISKS AND UNCERTAINTIES (CONTINUED)

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2023 and 2022, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of investments and notes receivable from participants.

NOTE 7 – TRUSTEE CERTIFICATION

The investment information, notes receivable from participants and related income information included in the financial statements, accompanying notes and supplemental schedules of assets and delinquent participant contributions, summarized below, were derived from statements certified by Reliance Trust as of December 31, 2023 and 2022 as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

The certified plan assets are as follows:

Interest on guaranteed investment contracts	11,581
Dividends and interest	327,142
	<u>\$ 1,578,527</u>

NOTE 8 – RELATED PARTY TRANSACTION

The guaranteed investment contract maintained in the Standard Stable Asset A (SSAA) is managed by The Standard, which is a corporate affiliate of the third-party administrator of the Plan. Transactions in SSAA are considered to be party-in-interest investments. Fees paid to The Standard and affiliates for administrative and recordkeeping services amounted to \$67,757 for the year ended December 31, 2023.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in the Plan Sponsor's contributions.

NOTE 10 – CONTINGENCIES

Management became aware of delinquent participant contributions for the plan years ended December 31, 2023 and 2022. Delinquent participant contributions are considered prohibited transactions under IRC Section 4975(c)(1). The IRS may impose a nondeductible excise tax up to 15% under IRC Section 275(a)(6) on the amount involved with respect to each prohibited transaction that occurs in a year or part thereof.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 10 – CONTINGENCIES (CONTINUED)

Additional taxes and penalties may be imposed if the transactions are not corrected within a specified period of time.

Management is in the process of resolving issues related to delinquent participant contributions and filing all the required forms. (See the schedule of delinquent participant contributions for amounts involved.)

NOTE 11 – PROHIBITED TRANSACTIONS

The DOL requires plan sponsors to deposit 401(k) contributions and loan payments as soon as possible after the payroll deduction is made. Regulations state that participant contributions and loan repayments should be deposited no later than the earlier of (1) the date the amounts could have reasonably been segregated from the employer's general assets or (2) the 15th business day of the month following the month in which they were withheld or paid by the employer. In 2022, the Plan Sponsor failed to remit certain contributions and loan payments amounting to \$462,210 within the period prescribed by DOL Regulation 2510.3-102. In October 2023, the Plan Sponsor corrected the issue outside of Voluntary Fiduciary Correction Program.

In 2023, the Plan Sponsor failed to remit certain contributions and loan payments amounting to \$2,620 within the period prescribed by DOL Regulation 2510.3-102.
