## **INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of  
Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year and the schedule of delinquent participant contributions is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

For the Years Ended December 31, 2023 and 2022

**NOTE 1. DESCRIPTION OF THE PLAN**

The following description of the Ninyo & Moore Geotechnical & Environmental Sciences Consultants 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan's date of inception was January 1, 1989. The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor, Ninyo & Moore Geotechnical & Environmental Sciences Consultants (Company). An eligible participant is an employee of the Company who has one month of service and is age 18 or older. The Plan provides participants with a salary deferral option pursuant to Section 401(k) of the Internal Revenue Code. The Company serves as the administrator of the Plan. The Plan engages Principal Life Insurance Company (custodian) to hold and invest Plan assets and execute Plan transactions. The Plan was last amended effective February 17, 2022. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

*Employee Contributions:*

The Plan provides for automatic enrollment and elective deferral contributions. The automatic elective deferral contributions are pre-tax elective deferral contributions and are 6% of compensation. The automatic elective deferral contribution is automatically increased on or after each first day of the Plan year by 1% up to a maximum automatic elective deferral contribution of 10%. Participants may affirmatively elect a different percentage up to an annual maximum as determined by the Internal Revenue Code or elect not to make elective deferral contributions. Participants direct the investment of their contributions and their share of the Company's matching contributions into various investment options offered by the Plan. Effective January 1, 2021, the Plan allows for Roth deferrals.

*Discretionary Matching Contributions:*

The Company may make a discretionary additional matching contribution and match participants' elective deferrals up to 6% of base compensation of each participant. If the Company makes a discretionary additional matching contribution, the discretionary additional matching contribution will be based on the participant's eligible compensation deferred into the Plan each Plan year. Discretionary matching contributions are limited to 4% of eligible compensation contributed to the Plan. For the years ended December 31, 2023 and 2022, the Company did not make any discretionary matching contributions.

*Discretionary Nonelective Company Contributions:*

In addition, the Company may make discretionary nonelective contributions in an amount to be determined by the Board of Directors for each Plan year. Participants must complete at least 1,000 hours of service during the Plan Year and be employed as of the last day of the Plan Year to be eligible to receive any nonelective contributions that may be made for that Plan year. For the years ended December 31, 2023 and 2022, the Company did not make any discretionary contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, Plan earnings and charged with an allocation of administrative expenses. Allocations are made by the Plan Administrator in a manner which recognizes each participant's account balance, investment selection and timing of contributions and withdrawals. The benefit a participant is entitled to is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions and their share of the Company's matching contributions into any of a variety of investment options held by Principal Financial Group.

Vesting

A vesting service is a vesting period in which a participant has at least 1,000 hours of service. Participants are fully vested in their contributions, rollover contributions and all earnings thereon. Company matching contributions and discretionary matching contributions are vested under the following schedule:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 2 years       | 0%                        |
| 2 years                 | 20%                       |
| 3 years                 | 40%                       |
| 4 years                 | 60%                       |
| 5 years                 | 80%                       |
| 6 years                 | 100%                      |

Notes Receivable from Participants

A participant may borrow from their account a minimum of \$1,000 or up to a maximum of the lesser of (i) 50% of their vested account balance or (ii) \$50,000 less the highest outstanding loan balance, if any, during the prior year. Participant loans are secured by the participant's vested account balance and bear interest at prevailing rates on the date of the loan. At any given time, the number of outstanding loans is limited to one. Effective February 17, 2022, the number of outstanding loans is limited to two. A participant may have no more than two loans approved in any 12-month period. Outstanding notes receivable must be repaid upon the participant's termination of employment with the Company. For participant loans that become delinquent and result in default, the amount of the unpaid loan principal and interest due to the Plan will be deemed a distribution. Deemed distributions are reported as a taxable distribution. Interest rates were 4.25% to 9.50% on loans outstanding as of December 31, 2023 and 4.25% to 8.50% on loans outstanding as of December 31, 2022.

Payment of Benefits

The Plan allows for participants to make withdrawals from the Plan upon reaching age of 59 1/2 or in the case of serious financial hardship, as approved by the administrator. Participant withdrawals are limited to two per year. Additionally, the value of participants' contributions and the value of all vested Company contributions are payable to participants or their designated beneficiaries upon death, disability, retirement or upon termination of employment with the Company. If the participant is an active employee at the time of his/her death or disability, the account balance will automatically become 100% vested. At the participant's election, payment may be made in cash as a single lump sum or in installments. Participants will not be taxed on the amount of Roth deferrals taken as a distribution, since these amounts are after tax contributions.

On termination of service due to death, disability or retirement, or for termination of service due to other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or may elect to direct or partially direct transfer to an individual retirement account (IRA), an individual retirement annuity, or another qualified plan.

**NOTE 1. DESCRIPTION OF THE PLAN (continued)**

Administrative Expenses

Certain contract administration fees are deducted from participant accounts or investment income. Plan expenses are paid from forfeitures.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), except for benefits paid to participants, which are recorded when paid.

Managements' Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, as well as disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of insurance company pooled separate accounts are reported at the value reported to the Plan by the insurance company, which approximates fair market value. Investments in insurance company deposit administration contracts (guaranteed investment contracts) are reported at contract value, as determined by the insurance company, if the contract is fully benefit responsive, otherwise at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for discussion of fair value measurements.

Roth Deferrals

As of December 31, 2023 and 2022, the Roth deferral amount at fair market value totaled \$677,519 and \$292,775, respectively.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan's administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Forfeitures

Forfeitures of terminated participants' nonvested amounts are used to reduce administrative expenses under the Plan, if any. Any remaining forfeited balances are used to reduce future Company contributions. As of December 31, 2023, the forfeiture balance included in the Plan assets was \$210,083. As of December 31, 2022, the forfeiture balance included in the Plan assets was \$101,309.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Forfeitures (continued)

For the Plan years ended December 31, 2023 and 2022, the Plan sponsor used \$71,532 and \$133,991, respectively, toward employer contributions and administrative expenses.

Investment Contract with Insurance Company

The Plan has deposit administration contracts with Principal Life Insurance Company (Principal). Principal maintains the deposits in an unallocated fund, to which it adds interest at the contract rates, which were between 0.12% and 4.25% at December 31, 2023 and 0.12% and 2.40% at December 31, 2022. Deposits into these contracts are guaranteed at the contract minimum rate of return.

Withdrawals are permitted, subject to a surrender charge; therefore, the contract is not considered to be fully benefit responsive, as defined in Statement of Position 94-4, *Reporting on Investment Contracts Held by Health and Welfare Benefit Plans and Defined Contribution Plans*. The investment is reported at fair value, which is not materially different from its contract value.

**NOTE 3. INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY AND TRUSTEE**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, have certified as being complete and accurate the investments on the statement of net assets available for benefits as of and for the years ended December 31, 2023 and 2022, and the investment activity reflected in the statement of changes in net assets available for benefits and the investment information included in the supplemental schedule for the year ended December 31, 2023.

**NOTE 4. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC 820), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and is measured according to a hierarchy that includes: "Level 1" inputs, such as quoted prices in an active market for identical assets or liabilities; "Level 2" inputs, which are observable inputs for similar assets; or "Level 3" inputs, which are unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. Upon adoption of ASU 2016-01, the change in methodologies has been applied consistently to December 31, 2023 and 2022.

*Mutual funds:* This is a mutual fund for which a quoted market price is available on an active market.

*Pooled separate accounts:* pooled separate account ("PSA") invest mainly in domestic stocks. The majority of the underlying securities have observable level 1 quoted pricing inputs. The net asset value ("NAV") of the pooled separate account is not publicly quoted but is available to current investors.

**NINYO & MOORE GEOTECHNICAL & ENVIRONMENTAL SCIENCES CONSULTANTS**  
**401(K) RETIREMENT PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For the Years Ended December 31, 2023 and 2022

**NOTE 4. FAIR VALUE MEASUREMENTS (continued)**

*Pooled separate accounts (continued):* The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date, therefore, this investment has a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with GAAP for investment companies. Because it is valued similarly to mutual funds, the pooled separate account is considered a level 1 asset.

*Guaranteed Interest:* The Principal Fixed Income Guaranteed Option is a fully benefit-responsive guaranteed general-account backed group annuity contract, issued by Principal Life Insurance Company (Principal Life) to Principal Trust Company as custodian. Principal Life guaranteed interest accounts are reported at contract value which is the aggregation of contributions, plus interest, less withdrawals and administrative expenses. A rate of interest contractually guaranteed by Principal Life is credited to participant account balances and the rate may not be less than 1%. Certain events limit the Plan's ability to transact at contract value with Principal Life. Such events include the following: amendments to the Plan documents (including complete or partial plan termination or merger with another plan), termination of any record-keeping arrangement, service agreement or other agreement between Principal and the Plan, or termination of the investment contract. No redemption fees, early withdrawal charges, or market value adjustments are charged on participant transfers of assets into or out of the contract. A surrender of the Plan's interest or initiated transfer in this contract is subject to either a 12-month advance notice or a 5% surrender charge. Notification of the Plan's intent to terminate its interest may be revoked within 90 days of Principal's receipt of such notice, after which time, the notice becomes irrevocable. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. Contract value approximates termination value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments may result in a different fair value measurement as of the reporting date.

As of December 31, 2023, Plan investments that are measured at fair value on a recurring basis are as follows:

**NOTE 5. TRANSACTIONS WITH RELATED PARTIES AND PARTIES-IN-INTEREST**

As of December 31, 2023 and 2022, the Company was the Plan Sponsor, and Principal Financial Group was the custodian and record-keeper as defined in the Plan document and, therefore, these transactions qualify as allowable party-in-interest transactions. Participant loans also qualify as exempt party-in-interest transactions.

Additionally, the Plan Sponsor is a party-in-interest to the Plan; however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

**NOTE 6. ADMINISTRATION OF PLAN ASSETS**

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

**NOTE 7. TAX STATUS**

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate certain tax positions taken by the Plan and recognize a tax liability (asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

**NOTE 7. TAX STATUS (continued)**

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax period in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2019.

**NOTE 8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

The Plan invests through mutual funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

**NOTE 9. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**NOTE 11. CORRECTIVE ACTIONS**

In January 2021, the Plan Sponsor identified a small number of participants that did not receive a match on eligible deferrals for the plan year ended December 31, 2020 and in May 2021, the Plan Sponsor was notified of untimely contributions related to 2018 contributions and the June 28, 2019 payroll. In addition, in April 2023, the Plan Sponsor was notified of untimely contributions related to the May 6, 2022 payroll.

Correction of these defects in accordance with EPCRS required the employer to (1) remit the matching contribution including "missed" earnings through the date of correction and (2) submit delinquent contributions and matching contributions to the accounts of affected employees adjusted for "missed" earnings through the date of correction.

The total corrective matching contribution amounts for the plan year ended December 31, 2020 was remitted to the Plan's trust on February 4, 2021. The delinquent participant deferrals, employer matching contribution and loan payments in connection with the June 28, 2019 payroll were remitted on July 23, 2019. The loan payments in connection with the May 6, 2022 payroll were remitted on June 24, 2022. On October 30, 2023, the June 28, 2019 untimely contributions were corrected. On December 13, 2023, the May 6, 2022 untimely contributions were corrected. Restored earnings on late contributions were remitted in 2023.

Assuming these corrections are made in accordance with IRS correction guidelines, the Plan's tax-exempt status should not be adversely affected. To the extent the operational failures involve prohibited transactions under IRC, excise tax may be due pursuant to IRC 4975. Any penalties imposed by the IRS with regard to the delinquent contributions and loan payments for the 2019, 2020, and 2022 Plan years would be the responsibility of the Plan Sponsor and would not affect the Plan's financial statements.

**NOTE 12. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through (pending), the date which the financial statements were available to be issued.
