Report of Independent Auditor

To the Board of Directors and Plan Administrator
Tryon Medical Partners 401(k) Retirement Savings Plan
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Tryon Medical Partners 401(k) Retirement Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investments information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRYON MEDICAL PARTNERS 401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan

The following brief description of the Tryon Medical Partners 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established by Tryon Medical Partners, PLLC on September 1, 2018, and was most recently amended effective September 1, 2021. The Plan includes the following related employers, Tryon Direct, LLC and Tryon Management Group, LLC (collectively, with Tryon Medical Partners, PLLC, the “Practice”, “Employer”, or “Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – The Plan is administered by the Practice, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Practice has outsourced the recordkeeping function of the Plan to Empower Trust Company, LLC (the “qualified institution”).

Eligibility – All employees, excluding certain nonresident aliens who have no earned income from sources within the United States, part-time, temporary, or seasonal employees (employees whose regularly scheduled service is less than one year of service), leased employees, and reclassified employees are entitled to participate in the Plan. Once an employee has completed three months of service including service to related employers and attained the age of 18, they become eligible to enter the Plan on the first date of the month after satisfying the requirements. Employees, other than physician-owners, as defined by the Employer, become eligible to receive a fixed nonelective contribution on January 1 or July 1 after completing 12 months of service. Physician-owners, as defined by the Employer, become eligible to receive a discretionary nonelective contributions on January 1 or July 1 after completing 12 months of service.

Contributions – For the year ended December 31, 2023, eligible participants may elect to contribute up to 75% of their compensation, as defined by the Plan, up to the maximum limits provided under the Internal Revenue Code (“IRC”) limitations within the Plan. The Plan allows participants to contribute to the Plan through pre-tax or Roth elective deferrals. Employee contributions are recognized in the period in which they are deducted from the employee’s pay. The Practice makes a safe harbor match of 100% of the first 4% of eligible compensation contributed by participants to the Plan.

Each Plan year, the Employer will make a fixed nonelective contribution equal to 3% of eligible compensation for all participants, other than physician-owners. In order to receive the fixed nonelective contribution, the participant must be employed on the last day of the Plan year. The Employer made fixed nonelective contributions totaling \$459,786 for the year ended December 31, 2023. The Employer is able to make discretionary nonelective contributions to the physician-owners. The Employer made discretionary nonelective contributions totaling \$642,401 for the year ended December 31, 2023.

Rollovers – Participants may rollover eligible amounts from other qualified plans.

Catch-Up Contributions – For the year ended December 31, 2023, if a participant is eligible to make deferrals and reaches age 50 before the end of any calendar year, the participant may defer an additional \$7,500 into the Plan as a pre-tax contribution subject to certain IRC limitations. Catch-up contributions are not eligible for matching contributions.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, related Employer contributions, an allocation of Plan earnings and charged with any applicable benefits paid to participants, an allocation of Plan losses, and an allocation of administrative expenses not paid by the Sponsor. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

TRYON MEDICAL PARTNERS 401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan (continued)

Vesting Requirements – Participants are immediately fully vested in their elective contributions, including catch-up contributions, rollover contributions, safe harbor match contributions and earnings thereon. For Employer nonelective contributions, a participant is 0% vested for the first three years and 100% vested thereafter. Employees hired by Tryon Medical Partners whose former Employer was Gaston Medical Partners with an original hire date prior to July 1, 2021 will have all prior service counted towards vesting requirements.

Investment Options – Upon enrollment in the Plan, a participant may direct 100% of their allocation of contributions with the qualified institution. Participants may select between several investment options and may transfer balances periodically based on the applicable funds as defined in the service agreement.

Benefits Paid to Participants – Upon retirement, disability, or death, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in annual installments. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participant's account in a lump sum. Withdrawals prior to attaining age 59½ are not permitted, except in the event of retirement, disability, or as a hardship distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000. The maximum loan allowed under the Plan is equal to the lesser of \$50,000 or 50% of their vested balance under the Plan. Loans are permitted for specific purposes as stated in the Plan document and terms range from one to five years. The loans are secured by the vested interest in the participant's account and bear interest rates from 4.25% to 9.50% with maturities through December 2029 as of December 31, 2023. Principal and interest is paid ratably through bi-weekly payroll deductions.

Forfeitures – All forfeitures are held in a suspense account and may be used to reduce future Sponsor contributions or pay Plan expenses. The forfeiture account amounted to \$43,813 and \$27,567 as of December 31, 2023 and 2022, respectively. Forfeitures of \$9,206 were used to pay Plan expenses during the year ended December 31, 2023.

Note 2—Summary of significant accounting policies

Basis of Presentation – The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Administrative Expenses – Certain administrative expenses are paid by the Plan and are included in the accompanying financial statements. Any administrative expenses not meeting the Plan provisions are paid by the Sponsor and are not included in the accompanying financial statements. Administrative expenses paid by the Sponsor are not reimbursed by the Plan.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

TRYON MEDICAL PARTNERS 401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies (continued)

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

TRYON MEDICAL PARTNERS 401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The Plan uses appropriate valuation methodologies based on the available inputs to measure the fair value of its investments. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Money Market Fund – Money market funds are short-term, United States dollar-dominated obligations issued or guaranteed by the U.S. Treasury. The money market fund is valued based on the amount of cash balances on deposit, which approximates fair value. Accordingly, the money market fund is classified within Level 2 of the valuation hierarchy.

Stable Value Fund – This investment is a public investment vehicle valued using NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The stable value fund is measured at fair value using NAV per share as a practical expedient and is not classified under the fair value hierarchy.

Self-Directed Brokerage Accounts – These investments are valued at current value based on published market quotations from individual investments composing the brokerage accounts. Such assets are classified as Level 1 of the valuation hierarchy.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3—Information certified by the qualified institution (unaudited)

Other than the fair value of the investment in the self-directed fund and the related net appreciation in fair value, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the qualified institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule as of December 31:

	2023	2022
Mutual funds, at fair value	\$ 41,347,832	\$ 30,736,864
Money market fund, at fair value	\$ 50,153	\$ 28,922
Stable value fund, at fair value	\$ 593,990	\$ 550,442
Notes receivable from participants	\$ 329,852	\$ 268,827

In addition, net appreciation in fair value of investments of \$5,069,473 was certified by the qualified institution for the year ended December 31, 2023. Interest income on notes receivable from participants of \$17,655 was certified by the qualified institution for the year ended December 31, 2023. Interest and dividends of \$995,019 was certified by the qualified institution for the year ended December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

TRYON MEDICAL PARTNERS 401(k) RETIREMENT SAVINGS PLAN **NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 4—Fair value measurements

The Plan's financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total Fair Value
Mutual funds	\$ 41,347,832	\$ -	\$ -	\$ 41,347,832
Money market fund	-	50,153	-	50,153
Self-directed brokerage accounts	1,219,995	-	-	1,219,995
Total assets in the fair value hierarchy	<u>\$ 42,567,827</u>	<u>\$ 50,153</u>	<u>\$ -</u>	<u>42,617,980</u>
Stable value fund (*)				593,990
Investments, at fair value				<u>\$ 43,211,970</u>

	2022			
	Level 1	Level 2	Level 3	Total Fair Value
Mutual funds	\$ 30,736,864	\$ -	\$ -	\$ 30,736,864
Money market fund	-	28,922	-	28,922
Self-directed brokerage accounts	909,122	-	-	909,122
Total assets in the fair value hierarchy	<u>\$ 31,645,986</u>	<u>\$ 28,922</u>	<u>\$ -</u>	<u>31,674,908</u>
Stable value fund (*)				550,442
Investments, at fair value				<u>\$ 32,225,350</u>

(*) In accordance with U.S. GAAP, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits. The Fund has no unfunded commitments, daily redemption frequency, and a daily redemption notice period. The stable value fund provided a stated rate of return, generated from the performance of a short-term bond portfolio that insulated the account from daily fluctuations in the bond market.

Note 5—Stable value fund

The Plan invests in the Putnam Stable Value Fund (the "Fund"), a collective investment trust which invests in guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions with Putnam Fiduciary Trust Company, LLC (the "Trust Company"). An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time.

The Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Fair value represents contributions made under the contract, plus accrued interest, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contract generally does not permit the Trust Company to terminate the agreement prior to the scheduled maturity date.

TRYON MEDICAL PARTNERS 401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 5—Stable value fund (continued)

Certain events limit the Plan's ability to transact at NAV with the Trust Company. Such events include, but are not limited to, the following: (a) material amendments to the Fund's structure or administration, (b) changes to the participating plans' competing investment options (including the elimination of equity wash provisions), (c) complete or partial termination of the Fund (including a merger with another fund), (d) the failure of the Fund to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (e) the redemption of all or a portion of the interests in the Fund held by a participating plan at the direction of the participating plan sponsor (for example, the closing or sale of a subsidiary, employing unit, or affiliate), (f) any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Fund or participating plans, and (g) the delivery of any communication to Plan participants designed to influence a participant not to invest in the Fund. The Plan does not believe that any events that would limit the Fund's ability to transact at NAV with Plan participants are probable of occurring.

The Trust Company has purchased a wrapper contract to protect the Fund in extreme circumstances. The wrap issuer has agreed to pay the Fund the difference between the book value and the market value of the covered assets once the Fund's market value has been totally exhausted.

Note 6—Party-in-interest transactions

Plan investments are managed by the qualified institution. Fees paid by the Plan for the investment management services of the qualified institution amounted to \$70,834 for the year ended December 31, 2023.

Additionally, notes receivable from participants are also considered to be party-in-interest transactions because they are transactions with Plan participants. Fees paid and interest earned during the year, in connection with these parties-in-interest, were based on customary and reasonable rates for such transactions.

Note 7—Plan termination

The Sponsor believes that the Plan will continue without interruption but reserves the right to discontinue the Plan. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination. Distribution of participant account balances will occur as soon as administratively feasible upon termination of the Plan.

Note 8—Tax status

The Practice adopted a non-standardized pre-approved profit sharing plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the prototype plan is designed in accordance with applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the opinion letter. However, the Practice believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023 and 2022. The Practice believes the Plan has no income subject to unrelated business income tax.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 9—Reconciliation of the financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per Form 5500 as of December 31, 2023 and 2022:

	2023	2022
Net assets available for benefits per financial statements	\$ 45,480,331	\$ 34,516,311
Employee contribution receivable	(19,337)	-
Employer contribution receivable	(1,919,172)	(2,022,134)
Deemed distributed loans	21,709	-
Net assets per Form 5500	<u>\$ 43,563,531</u>	<u>\$ 32,494,177</u>

The following is a reconciliation of net increase in net assets per the financial statements to net income per Form 5500 for the year ended December 31, 2023:

Net increase in net assets per financial statements	\$ 10,964,020
Change in employee contribution receivable	(19,337)
Change in employer contribution receivable	102,962
Change in deemed distributed loans	21,709
Net income per Form 5500	<u>\$ 11,069,354</u>

Note 10—Nonexempt transaction

During the Plan years ended December 31, 2023 and 2022, employee withholdings totaling \$593 and \$18,394, respectively, were not remitted to the qualified institution within the appropriate time period by the Employer. These transactions constituted prohibited transactions as defined by ERISA. The Employer remitted the withholdings and lost earnings to the Plan in 2024 (for 2023 and 2022).

Note 11—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through October 11, 2024, the date these financial statements were available to be issued.
