NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of Bank Independent Stock Bonus Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan sponsor is BancIndependent, Incorporated (Company, Plan Sponsor).

General: The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA), as amended. Effective January 1, 2005, the Plan is no longer offered as an investment option to employees.

Contributions: The Plan is a non-contributory plan. Employer contributions are contributed at the option of the Company's board of directors. For 2023, no contributions were made to the Plan.

Participants Accounts: Each participant's account is credited with an allocation of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant eligible wages or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are nonparticipant-directed.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting: Vesting in participants' accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after 3 years of credited service.

Forfeitures: The non-vested portion of terminated participants accounts plus earnings thereon are forfeited and are reallocated. For the year ended December 31, 2023, there were no forfeited amounts.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Loan Provisions: Loans are not permitted by the Plan.

Administrative Expenses: Certain costs incurred in the administration of the Plan have been paid by the Company.

Put Option: If BancIndependent, Incorporated common stock is distributed to a participant and such stock is not readily tradeable on an established securities market, a participant has a right to require the plan sponsor to repurchase the stock distributed to such Participant under a fair valuation formula. Such stock put transactions shall be subject to the provisions of the Plan.

Voting Rights: The Trustees shall vote all BancIndependent, Incorporated common stock held as Plan assets. If the Trustees do not timely receive voting directions from a Participant or Beneficiary with respect to any Company Stock allocated to that Participants or Beneficiary's Company Stock Account, the Trustees shall vote such Company Stock.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Investment Diversification: Each participant or former participant who has completed ten years of service and has attained age 55 may elect within ninety days after the close of each plan year to direct the plan sponsor in writing to diversify up to twenty-five percent of the total number of shares of BancIndependent, Incorporated common stock acquired by or contributed to the Plan that have been allocated to their account. The plan sponsor may satisfy the diversification election by permitting the participant to elect to receive a lump sum distribution of the applicable portion of the balance transferred to the plan sponsor's 401(k) and profit sharing plan as a direct rollover. Such distribution or transfer shall be completed no later than one-hundred and eighty days after the close of the plan year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments are reported at estimated fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates. It is at least reasonably possible that a significant change may occur in the near term in the estimated fair value of the Plan's investment in employer securities.

Payment of Benefits: Benefits are recorded when paid.

Distributions Payable: At December 31, 2023 and 2022, there were no benefit payments that had been approved but not yet paid.

Risk and Uncertainties: The Plan's investments are held in Company common stock which is exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with the Plan's investment in Company common stock and the sensitivity of its fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values the Plan's investment in Company common stock will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – RIGHTS UPON PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon. No action had been taken by the Plan sponsor as of the date of these financial statements to terminate the plan.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Company common stock: The fair value of BancIndependent, Incorporated common stock is estimated annually, as of the financial statement date, based upon the results of an independent third party appraisal performed by a business appraiser selected by the Plan. The Plan Trustee engages the valuation specialist and receives the valuation report directly. The appraisals are performed using a combination of the income approach using the discounted cash flows method, the net asset value approach, and the market approach based upon valuation multiples of guideline public companies (Level 3 inputs). Under the discounted cash flows method, projections are based upon past performance as identified in audited and unaudited financial statements of the Company and management's projections of the Company's future performance. The resulting cash flow projections are discounted using a market related discount rate (which incorporates the Company's estimated weighted average cost of capital). The net asset value approach uses the book value of the bank, assessing premiums or discounts to the balance sheet accounts based upon the current market value of the assets and liabilities. The guideline public companies method identifies pricing multiples of public companies deemed to be comparable to the Company. Under all three approaches a discount for a lack of marketability is applied since the Company's stock is not readily traded on an organized exchange.

Interest bearing cash account: Fair values are estimated to approximate deposit account balances, payable on demand, as no discounts for credit quality or liquidity were determined to be applicable (level 2 inputs).

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

Fair Value Measurements at December 31, 2023 Using			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments:

Interest bearing cash account	-	111,149	-

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor's regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company and certain others. The Plan holds 1,420 shares of BancIndependent, Incorporated common stock, and recognized dividend income of \$36,920 during 2023 from this related party investment. At December 31, 2023 and 2022, the Plan invested \$106,725 and \$111,149 respectively, in an interest bearing cash account at Bank Independent. The Plan Sponsor acts as custodian of the Plan's investment assets. The Plan's payment of administrative fees to FuturePlan, as third party participant record-keeper for the Plan, qualifies as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid by the Company.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated December 16, 2013 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Plan management also believes that the Plan is operating in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 15, 2024, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Bank Independent Stock Bonus Plan
Florence, Alabama

Opinion

We have audited the financial statements of Bank Independent Stock Bonus Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Management and the Audit Committee
Bank Independent Stock Bonus Plan
Florence, Alabama

Professional standards require that we communicate matters related to our audit of the financial statements of Bank Independent Stock Bonus Plan (“the Plan”) that we consider significant and relevant to the responsibilities of Those Charged with Governance in overseeing the financial reporting process. Those Charged with Governance includes the person(s) with responsibility for overseeing the strategic direction of and obligations related to the accountability of the Plan. We cover such matters below.

AUDITOR’S RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA

You should understand that the auditor is responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America and that the audit of the financial statements does not relieve you of your responsibilities and does not relieve management of their responsibilities. Refer to our engagement letter with the Plan for further information on the responsibilities of management and Crowe LLP.

COMMUNICATIONS REGARDING OUR INDEPENDENCE FROM THE PLAN

Auditing standards generally accepted in the United States of America require independence for all audits, and we confirm that we are independent auditors with respect to the Plan under the independence requirements established by the American Institute of Certified Public Accountants.

Additionally, we wish to communicate that we have no relationships with the Plan that, in our professional judgment, may reasonably be thought to bear on our independence and that we gave significant consideration to in reaching the conclusion that our independence has not been impaired.

PLANNED SCOPE AND TIMING OF THE AUDIT

We are to communicate an overview of the planned scope and timing of the audit. Accordingly, we communicated the following matters regarding the planned scope and timing of the audit with you.

- How we proposed to address the significant risks of material misstatement, whether due to fraud or error.
- Our approach to internal control relevant to the audit.
- The concept of materiality in planning and executing the audit, focusing on the factors considered rather than on specific thresholds or amounts.
- The nature and extent of specialized skills or knowledge needed to plan and evaluate the results of the audit, including the use of an auditor's expert.
- Where the entity has an internal audit function, the extent to which the auditor will use the work of internal audit, and how the external and internal auditors can best work together.

- Your views and knowledge about matters you consider warrant our attention during the audit, as well as your views on:
 - The allocation of responsibilities between you and management.
 - The entity's objectives and strategies, and the related business risks that may result in material misstatements.
 - Significant communications between the entity and regulators.
 - Other matters you believe are relevant to the audit of the financial statements.

SIGNIFICANT ACCOUNTING POLICIES AND MANAGEMENT JUDGMENTS AND ACCOUNTING ESTIMATES

Significant Accounting Policies: Those Charged with Governance should be informed of the initial selection of and changes in significant accounting policies or their application. Also, Those Charged with Governance should be aware of methods used to account for significant unusual transactions and the effect of significant accounting policies in controversial or emerging areas where there is a lack of authoritative consensus. We believe management has the primary responsibility to inform Those Charged with Governance about such matters. There were no such accounting changes or significant policies requiring communication.

Management Judgments and Accounting Estimates: Further, accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. These judgments are based upon knowledge and experience about past and current events and assumptions about future events. Certain estimates are particularly sensitive because of their significance and because of the possibility that future events affecting them may differ markedly from management's current judgments and may be subject to significant change in the near term.

The process used by management in formulating particularly sensitive accounting estimates and the primary basis for our conclusions regarding the reasonableness of those estimates primarily involved the following areas for this year:

Significant Accounting Estimate	Process Used by Management	Basis for Our Conclusions
Fair Values of Investments	The recording of investments at fair value requires management to use certain assumptions and estimates pertaining to the fair value of its investments	We reviewed the reasonableness of these estimates and assumptions.
Fair Value of Plan Sponsor Securities Determined by Independent Appraisal	The fair value of the common stock of the Plan Sponsor held by the Plan was determined by an independent appraisal performed by Hovde Group	We reviewed the financial data and significant estimates and assumptions used by the appraiser for reasonableness and the consistency of the appraiser's valuation methodology and assumptions with the methodology and assumptions used in the prior year's appraisal.
Classification of Investment Securities Within the Fair Value Hierarchy	FASB ASC 820- Fair Value Measurements and Disclosures requires the reporting of investments by classification level within a fair value hierarchy.	We reviewed the documentation maintained by management and performed procedures to test the reasonableness of management's judgments and accounting estimates related to the classification levels of investments within the fair value hierarchy as defined by FASB ASC 820- Fair Value Measurements and Disclosures.

Significant Accounting Estimate	Process Used by Management	Basis for Our Conclusions
Income Tax Status of Plan	The Plan has not yet received a determination letter (or a new determination letter reflecting recent plan amendments) from the Internal Revenue Service stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (Code) and that the related trust is exempt from federal income taxes. However, management believes the Plan is designed and is being operated in compliance with the applicable requirements of the Code in order to be qualified and tax-exempt.	During our audit, we became aware of no significant design or operational deficiencies which would likely prevent the Plan from being qualified or the related trust from being tax-exempt under the Code.

AUDITOR'S JUDGMENTS ABOUT QUALITATIVE ASPECTS OF SIGNIFICANT ACCOUNTING PRACTICES

We are to discuss with you our comments about the following matters related to the Plan's accounting policies and financial statement disclosures. Accordingly, these matters will be discussed during our meeting with you, as applicable.

- The appropriateness of the accounting policies to the particular circumstances of the Plan, considering the need to balance the cost of providing information with the likely benefit to users of the Plan's financial statements.
- The overall neutrality, consistency, and clarity of the disclosures in the financial statements.
- The effect of the timing of transactions in relation to the period in which they are recorded.
- The potential effect on the financial statements of significant risks and exposures, and uncertainties that are disclosed in the financial statements.
- The extent to which the financial statements are affected by unusual transactions including nonrecurring amounts recognized during the period, and the extent to which such transactions are separately disclosed in the financial statements.
- The issues involved, and related judgments made, in formulating particularly sensitive financial statement disclosures.
- The factors affecting asset and liability carrying values, including the Plan's basis for determining useful lives assigned to tangible and intangible assets.
- The selective correction of misstatements, for example, correcting misstatements with the effect of increasing reported earnings, but not those that have the effect of decreasing reported earnings.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Corrected Misstatements: We are to inform you of material corrected misstatements that were brought to the attention of management as a result of our audit procedures.

There were no corrected misstatements.

Uncorrected Misstatements: We are to inform you of uncorrected misstatements that were aggregated by us during the current engagement and pertaining to the latest and prior period(s) presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Uncorrected misstatements or matters underlying the uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if it was concluded that the uncorrected misstatements are immaterial to the financial statements under audit.

There were no uncorrected misstatements.

OTHER COMMUNICATIONS
