### **Report on the Audits of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of The Orthopaedic Multispecialty Network Inc. Cash Balance Pension Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and accumulated plan benefits as of December 31, 2023 (in liquidation) and 2022 (on going), and the related statements of changes in net assets available for benefits and changes in accumulated plan benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of The Orthopaedic Multispecialty Network Inc. Cash Balance Pension Plan and Trust as of December 31, 2023 (in liquidation) and 2022 (on going), and the changes in its net assets available for benefits and changes in accumulated plan benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Orthopaedic Multispecialty Network Inc. Cash Balance Pension Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audits of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Orthopaedic Multispecialty Network Inc. Cash Balance Pension Plan and Trust' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

***Emphasis of Matter***

As discussed in Note 1 and 2 to the financial statements, the Board of Directors and Plan administrator authorized the termination of the Plan and liquidation was deemed imminent during 2023. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

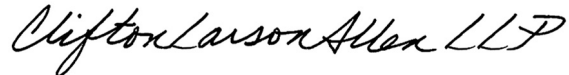

Plan Administrator  
The Orthopaedic Multispecialty Network Inc. Cash Balance  
Pension Plan and Trust

***Other Matter — Supplemental Schedule Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of reportable transactions for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ON GOING)**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of The Orthopaedic Multispecialty Network Inc. Cash Balance Pension Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan was a noncontributory defined benefit pension plan established January 1, 2017. The Plan was amended and restated throughout the years to comply with tax legislation and most recently amended effective October 25, 2022.

The Plan covered substantially all employees of the Orthopaedic Multispecialty Network, Inc. (the Company), who have completed one year of service, 1,000 hours, and attained the age of 21 years old. Employees may enter the Plan on January 1 or July 1, after meeting the eligibility service requirement. The Plan excluded nonresident aliens with no U.S. source income and employees covered by a collective bargaining agreement. It is subject to the provisions of ERISA, as amended.

On November 2, 2022, the Board of Directors and the Plan administrator adopted a resolution and the plan was amended to terminate the Plan effective December 31, 2022 (also see Note 5). Effective December 31, 2022, benefit accruals for all participants were frozen. No employee shall first become a participant, nor shall any participant accrue any further benefit or Unit Cash Balance Benefit in this Plan after December 31, 2022. To the extent not previously forfeited, all accrued amounts under the Plan shall vest as of the date of the proposed termination date. Participants were given notice of their distribution options in September 2023. The Company filed a notice with Internal Revenue Service (IRS) to fully terminate the Plan effective November 1, 2023 and distributed the Plan assets to the participants by distributing each participant's beneficial interest in the Plan pursuant to the participants elections by December 2023.

**Pension Benefits**

Under the cash balance formula, an account balance was the sum of the initial account balance, if any, Employer credits, investment credits, and offset by the participants benefit in the Company's defined contributions plan as of the date of the account balance. An initial account balance of \$-0- was established for all participants as of the date a participant becomes eligible. Employer credits were allocated based on specific groups of employees as determined by the Advisory Committee. Groups 1 through Group 13 were credited specific dollar amounts ranging from \$1,000 to \$554,000. Employees in group 14 were credited 3% of annual compensation paid during the Plan year. Investment credits were determined by multiplying the beginning of year account balance by the "applicable interest rate" which was currently 2.06%. The interest rate was defined as the 30 Year Treasury Rate in effect for the third month prior to the first day of the Plan Year.

As a pension plan subject to Internal Revenue Code (IRC) Section 412, participants received their accrued vested benefits in the form of a lump-sum payment, Life Annuity, installments, or a Qualified Joint and Survivor Annuity depending on traditional or cash balance participant. Under the terms of the Plan, a Qualified Joint and Survivor Annuity was a joint and 50% survivor annuity.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ON GOING)**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Pension Benefits (Continued)**

Participants became fully vested in the Plan after three years of service or upon attaining normal retirement age, a participant's early death, or total disability. Normal retirement age was defined as age 62.

**Death and Disability Benefits**

If an active employee died before retirement benefits have begun, a death benefit equal to the actuarial equivalent of the vested balance of the employee's cash balance account was payable as an annuity.

**Funding Policy**

The Plan's funding policy was for the Company to contribute an amount which would meet or exceed the annual ERISA minimum funding requirement. As described in Note 1, the board of directors and Plan administrator approved to terminate the plan effective December 31, 2022 and made a contribution of \$1,466,426 for the year ended December 31, 2022 to fully fund each participants accrued benefit.

**NOTE 2 SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The Board of Directors and Plan administrator authorized the termination of the Plan effective December 31, 2022, and management deemed liquidation was imminent during 2023 when distributions commenced. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements.

Under the liquidation basis of accounting, assets were stated at their estimate net realized cash value expected to be collected in settling or disposing of assets during the liquidation process and liabilities were stated at their anticipated settlement amounts. Investments were stated at fair value which approximates the amount the plan expects to collect.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated Plan benefits at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ON GOING)**

**NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition**

Investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's plan administrators determined the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Investment income (loss) was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation (depreciation) included the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits were recorded when paid.

**Administrative Expenses**

The Plan's expenses were paid either by the Plan or the Company as provided by the Plan document. Expenses that were paid directly by the Company were excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that were paid by the Plan were recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses were included in net appreciation (depreciation) of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

**Subsequent Events**

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

**NOTE 3 ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS**

Accumulated plan benefits were those future periodic payments, including lump-sum distributions that were attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits included benefits expected to be paid to:

- a. Retired or terminated employees or their beneficiaries,
- b. Beneficiaries of employees who have died, and
- c. Present employees or their beneficiaries.

Benefits under the Plan were accumulated based on certain formulas determined by the Plan. Benefits payable under all circumstances – retirement, death, and termination of employment – were included, to the extent they were deemed attributable to employee service rendered to the valuation date. Benefits to be provided through annuity contracts were excluded from Plan assets and were also excluded from accumulated plan benefits.

**THE ORTHOPAEDIC MULTISPECIALTY NETWORK INC. CASH BALANCE  
PENSION PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ON GOING)**

**NOTE 3 ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS (CONTINUED)**

The actuarial present value of accumulated plan benefits was determined by an independent actuary and was that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuation as of December 31, 2022 were:

- a. Life expectancy of Participants (2022 IRS Static Combined Mortality Table).
- b. Retirement Age Assumptions (Normal retirement age of 62 years).
- c. Investment Return 5.27%.

The significant actuarial assumptions used in determining actuarial present value of accumulated plan benefits as of December 31, 2023 (in liquidation) was a discount rate of 5.10%. No other assumptions were necessary because the actual known benefit payments and settlement amounts were used.

The computations of the actuarial present value of accumulated plan benefits were made as of January 1 and rolled forward to December 31.

**NOTE 4 FAIR VALUE OF INVESTMENTS**

The framework for measuring fair value provided a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gave the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy were described as follows:

*Level 1* – Inputs to the valuation methodology were unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that were observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that were observable for the asset or liability;
- inputs that were derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input was observable for substantially the full term of the asset or liability.

**THE ORTHOPAEDIC MULTISPECIALTY NETWORK INC. CASH BALANCE  
PENSION PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ON GOING)**

**NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)**

*Level 3* – Inputs to the valuation methodology were unobservable and significant to the fair market value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy was based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximized the use of relevant observable inputs and minimize the use of unobservable inputs.

Following was a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

*Cash:* Investments in cash were valued based on cost, which approximates fair value in a noninflationary economy and was protected by the Federal Deposit Insurance Corporation.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

*Common Stocks:* Valued at the closing price reported on the New York Stock Exchange.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31:

	2022			Total
	Level 1	Level 2	Level 3	
Cash	\$ 94,653	\$ -	\$ -	\$ 94,653
Mutual Funds	4,524,661	-	-	4,524,661
Common Stocks	470,395	-	-	470,395
Total Investments at Fair Value	\$ 5,089,709	\$ -	\$ -	\$ 5,089,709

There were no remaining investment assets as of December 31, 2023.

**NOTE 5 PLAN TERMINATION**

In 2022, the Plan administrator and Board of Directors approved to amend and terminate the Plan effective December 31, 2022. Participants were given notice of their distribution options in September 2023.

**THE ORTHOPAEDIC MULTISPECIALTY NETWORK INC. CASH BALANCE  
PENSION PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ON GOING)**

**NOTE 5 PLAN TERMINATION (CONTINUED)**

Upon termination, the net assets of the Plan were allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

1. Annuity benefits former employees or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under Plan provisions in effect at any time during the five years preceding Plan termination.
2. Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) (a U.S. governmental agency) up to the applicable limitations.
3. All other vested benefits (that is, vested benefits not insured by the PBGC).
4. All nonvested benefits.

Certain benefits under the Plan were insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan were guaranteed at the level in effect on the date of the Plan's termination.

In 2022, the Plan administrator and Board of Directors resolved to terminate the Plan. The Company filed a notice with Internal Revenue Service (IRS) to fully terminate the Plan effective November 1, 2023 and distributed the Plan assets to the participants by distributing each participant's beneficial interest in the Plan pursuant to the participants elections by December 2023.

Options were given to participants to receive a lump sum payment or receive the distribution in a form of an annuity. By December 2023, approximately \$6,800,000 in lump sum payments were paid out to participants. No participants elected to receive distributions in the form of an annuity.

**NOTE 6 PLAN TAX STATUS**

Effective January 1, 2017, the Plan adopted a standardized form of prototype plan sponsored by CCH Incorporated dba: ftwilliam.com. The prototype plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with applicable provision of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

PENSION PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ON GOING)**

**NOTE 7 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of the investment securities would occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Plan contributions were made and the actuarial present value of accumulated plan benefits were reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which were subject to change. Due to uncertainties inherent in the estimations and assumptions process, it was at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**NOTE 8 PARTY-IN-INTEREST TRANSACTIONS**

The Plan investments were managed by an investment advisor, with Alliance Bernstein being the custodian and, therefore, the investment transactions qualified as party-in-interest transactions. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions were party-in-interest transactions under ERISA.

**NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The financial statements are prepared as of December 31, 2023 and the Form 5500 is prepared as of December 13, 2023. There were no material transactions between those dates.

**Statement by Enrolled Actuary**

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
