**Financial Statements
Together with Independent Auditors' Report**

**As of December 31, 2023 and 2022 and
For the Year Ended December 31, 2023**

Independent Auditors' Report

To the Plan Participants and Trustees of
the C-Care Company, LLC Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the C-Care Company, LLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the C-Care Company, LLC Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the C-Care Company, LLC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the C-Care Company, LLC Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the C-Care Company, LLC Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

C-CARE COMPANY, LLC RETIREMENT PLAN

Notes to Financial Statements As of December 31, 2023 and 2022 For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the C-Care Company, LLC Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document and amendments for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established by C-Care Company, LLC (the Company) effective July 1, 2000, and restated effective January 1, 2009. The Plan covers all employees, including those of the Company and those of CAG Beauty, LLC, OX-Solutions, LLC, and Stoelzle Glass USA, Inc., with the exception of nonresident aliens and leased employees. Employees are eligible to participate in the Plan upon completion of three months of service, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended effective January 2, 2023.

On March 1, 2021, Stoelzle Glass USA, Inc. completed an acquisition. Effective May 1, 2021, Stoelzle Glass USA, Inc. created the Stoelzle Glass USA, Inc. 401(k) Plan and employees of Stoelzle Glass USA, Inc. began participating in that plan. Effective January 2, 2023, the C-Care Company, LLC Retirement Plan was formally amended to exclude Stoelzle Glass USA, Inc. employees.

Participant Contributions

Participants may elect to defer up to 85% of their eligible annual compensation, as defined by the Plan, or a flat dollar amount, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code). Participants may also make Roth contributions to the Plan through regular salary deductions. The maximum allowable contributions totaled \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 for the year ended December 31, 2023. Participants are permitted to make rollover contributions from other qualified plans into the Plan.

Company Matching Contributions

The Company may make matching contributions equal to a discretionary percentage, to be determined by the Company, on behalf of each eligible participant. Such contributions are contributed and calculated on a per payroll basis. In order to be eligible for matching contributions, participants must contribute during the Plan year, complete 1,000 hours of service during the Plan year and be actively employed on the last day of the Plan year. During the year ended December 31, 2023, Company discretionary matching contributions were 100% of the first 3% of the participant's eligible compensation and totaled \$139,844.

C-CARE COMPANY, LLC RETIREMENT PLAN

Notes to Financial Statements As of December 31, 2023 and 2022 For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN - cont'd.

Participant Accounts

Each participant's account is participant-directed and contributions and withdrawals are credited according to the investment options selected by each participant. Any earnings, losses and administrative expenses are allocated to the participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in Company matching contributions plus earnings thereon based on years of service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Upon termination of service due to death, disability, early retirement (age 55 plus 6 years of participation in the Plan), or retirement at age 65, an employee becomes 100% vested in their Company matching contributions.

Forfeitures

Forfeitures may be applied to reduce future Company matching contributions or to pay Plan expenses. The amount of unallocated forfeitures totaled \$0 as of December 31, 2023 and 2022. During the year ended December 31, 2023, forfeitures used to reduce Company matching contributions totaled \$7,923.

Notes Receivable from Participants

Participants may borrow up to 50% of their account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and a participant can have no more than two notes outstanding at any given time. The notes are collateralized by the balance in the participant's account. Note repayments are to be made through payroll deductions and bear interest at rates commensurate with those offered by financial institutions at the time of note issuance. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence may be repaid over a ten year period.

C-CARE COMPANY, LLC RETIREMENT PLAN

Notes to Financial Statements As of December 31, 2023 and 2022 For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN - cont'd.

Payment of Benefits

Upon termination of service, death, disability, early retirement, retirement, or attainment of age 59½, a participant, or a beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon a qualifying distribution event, if the account balances are not fully withdrawn, remaining balances over \$5,000 will remain a part of the Plan and share in investment gains and losses. Remaining balances under \$5,000 will be automatically distributed. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59½. Distributions are subject to the applicable provisions of the Plan agreement. As of December 31, 2023 and 2022, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received payment by year-end.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Custodian and Trustee with assets of the Plan unless the Company, at its discretion, elects to pay them. For the year ended December 31, 2023, the Company did not pay any direct expenses related to the Plan. Distribution fees are paid by the Plan and its participants. Investment related expenses are included in net depreciation in fair value of investments.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes to net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

C-CARE COMPANY, LLC RETIREMENT PLAN

Notes to Financial Statements As of December 31, 2023 and 2022 For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Notes to Financial Statements As of December 31, 2023 and 2022 For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest bearing cash: Valued at cost plus accrued interest, which approximates fair value.

Interests in registered investment companies: Valued at the closing price of shares held by the Plan at year-end. Funds are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Subsequent Events

The Plan evaluated for disclosure of subsequent events through October 14, 2024, the date the financial statements were available to be issued, and determined there were no material subsequent events that warrant disclosure.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2023 and 2022, and interest income and net appreciation in the fair value of investments for the year ended December 31, 2023 was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments Institutional Operations Company, Inc. (FIIOC), who acts as a Custodian for the Plan. The Custodian is a related party to the Trustee. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Plan loans funds to its participants according to applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. INCOME TAX STATUS

The Plan adopted a standardized prototype plan, which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan, as then designed, was in compliance with the applicable requirements of the Code. Subsequent to the issuance of the opinion letter, the Plan was amended. The Plan sponsor believes that the Plan is currently designed and is operating in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2023 and 2022.

The Plan is subject to routine audits by the Internal Revenue Service and the Department of Labor; however, there are currently no audits in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, affected participants will become 100% vested in their accounts and the net assets of the Plan will be distributed to participants based upon individual account balances.

7. EXCESS CONTRIBUTIONS PAYABLE

During the year ended December 31, 2023, the Plan failed to comply with certain non-discrimination rules. As a result, the Plan was required to refund certain contributions to affected participants. As of December 31, 2023, corrective contributions totaling \$10,237 were required to be made and are recorded as a liability in the accompanying statements of net assets available for benefits. The excess contributions were distributed to the participants in April 2024.

During the year ended December 31, 2022, the Plan failed to comply with certain non-discrimination rules. As a result, the Plan was required to refund certain contributions to affected participants. As of December 31, 2022, corrective contributions totaling \$15,944 were required to be made and are recorded as a liability in the accompanying statements of net assets available for benefits. The excess contributions were distributed to the participants in October 2023.
