Report of Independent Auditor

To the Plan Administrator
Sky Solutions LLC 401(k) Profit Sharing Plan
Herndon, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of Sky Solutions, LLC 401(k) Profit Sharing Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2023 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Contributions – Form 5500, Schedule H, Part IV, Line 4a for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 (AUDITED) AND 2022 (COMPILED)

Note 1—Description of the Plan

The following description of the Sky Solutions LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of Plan’s provisions.

General – The Plan was established on January 1, 2012 by Sky Solutions, LLC (the “Company” or the “Plan Sponsor”) and was most recently amended effective April 1, 2023 to add an age requirement to enter the Plan and update the vesting schedule for the Company’s discretionary matching contributions and profit-sharing contributions. The Plan is a defined contribution plan covering all employees except union employees, non-resident aliens and interns. Employees who are at least age 21 are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

As of December 31, 2022 and for the period January 1, 2023 through March 31, 2023, the investments were held by Reliance Trust Company (“Reliance”). As of December 31, 2023 and for the period April 1, 2023 through December 31, 2023, the investments were held by Ascensus Trust Company and Newport Trust Company, LLC (“Ascensus”). Reliance and Ascensus are the qualified institutions.

Participant Contributions – Participants are automatically enrolled in the Plan immediately after they first satisfy the eligibility requirement. The Company will deduct 3% of their eligible compensation, as defined in the Plan, unless the participant elects otherwise. Participants may make salary deferral contributions in any percentage up to the less of 90% of their pretax annual compensation or \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, reflected as rollover contributions.

Employer Contributions – The Company may elect to make discretionary matching, profit-sharing and qualified nonelective contributions to the Plan. For the year ended December 31, 2023, the Company elected to make a discretionary matching contribution equal to 3% of compensation for each eligible employee. To be eligible for the profit-sharing contribution, an employee must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. For the year ended December 31, 2023, the Company elected to make a profit-sharing contribution equal to 3% of compensation for each eligible employee. There were no qualified nonelective contributions for the year ended December 31, 2023. Total employer contributions to the Plan were \$1,007,097 for the year ended December 31, 2023. Contributions are subject to regulatory limitations.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and Company discretionary matching contributions, if any, as well as allocations of the Company’s profit-sharing and qualified nonelective contributions, if any, and Plan earnings (losses). Participant accounts are charged with distributions and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their account into various investment options offered by the Plan.

Vesting – Participants are vested immediately in their contributions and the Company’s qualified nonelective contributions plus actual earnings (losses) thereon. Prior to April 1, 2023, participants were immediately vested in the Company’s discretionary matching contributions and profit-sharing contributions. Effective April 1, 2023, the Company’s discretionary matching contributions and profit-sharing contributions vest as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
<1	0%
1	25%
2	50%

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 (AUDITED) AND 2022 (COMPILED)

Note 1—Description of the Plan (continued)

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence. Under the terms of the Plan agreement, Plan loans will bear a reasonable rate of interest determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. As of December 31, 2023, the rates of interest on outstanding loans ranged from 4.25% to 9.50%, with various maturities through March 2028.

Payment of Benefits – On termination of service, a participant may receive a lump-sum amount equal to the value of the vested balance in their account. The Plan allows for distributions upon termination of service, death, disability, attainment of age 59½ or in certain hardship situations. In the event a participant terminates and participant's vested account balance is less than \$1,000, the balance will be automatically paid in a lump sum. If the participant's vested account balance is greater than \$1,000 but less than \$5,000, the balance will be automatically rolled into an IRA, unless otherwise directed. Hardship withdrawals are subject to Internal Revenue Code ("IRC") restrictions and penalties.

Administrative Expenses – The Plan is administered by the Plan Sponsor. Certain administrative functions are performed by offices or employees of the Plan Sponsor. No such officer or employee receives compensations from the Plan. Administrative expenses are paid either directly by the Plan Sponsor or the Plan.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions that may affect certain reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan provides for various investment fund options. Investments are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment Valuation – Investments in the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 (Audited) and 2022 (Compiled), no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considered the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

DECEMBER 31, 2023 (AUDITED) AND 2022 (COMPILED)

Note 2—Summary of significant accounting policies (continued)

Administrative Expense – Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. However, most of the Plan's operating expenses are paid out of Plan assets; investment-related expenses are included in net appreciation in fair value of investments, and expenses relating to specific participant transactions are included in administrative expenses and charged directly to the participant's account.

Fair Value Measurements – U.S. GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements).

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability, including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Mutual Funds – These public investment vehicles are valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is classified within level 1 of the valuation hierarchy based on the underlying assets of the account, which are traded on an active market.

Money Market Fund – These investments are valued at closing price reported on the active market on which the individual securities are traded and are classified within Level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Payment of Benefits – Benefits are recorded when paid.

Contributions Receivable – The amount of participant-related contributions that have been deducted from the participant's payroll as of the end of the year but that have not been deposited with the Plan until after the end of the year is reflected as participant contributions receivable in the Plan's financial statements. In addition, any contributions due and payable by the Company are reflected as Company contributions receivable in the Plan's financial statements.

Note 3—Information certified by the Trustees (unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus has certified to the completeness and accuracy of the following data in the accompany financial statements and supplemental schedule as of December 31, 2023 and for the period of April 1, 2023 through December 31, 2023. Reliance has certified to the completeness and accuracy of the following data in the accompanying financial statements and supplemental schedule as of December 31, 2022 and for the period of January 1, 2023 through March 30, 2023:

- Investments, at fair value, and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2023 (Audited) and 2022 (Compiled).

- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023 (Audited).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5—Tax status

The Plan utilized a prototype plan document sponsored by Ascensus. The prototype plan sponsor has obtained a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although, the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan continues to be tax-exempt.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 (AUDITED) AND 2022 (COMPILED)

Note 5—Tax status (continued)

U.S. GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 (Audited) and 2022 (Compiled), there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 6—Party-in-interest transactions

Certain Plan investments are managed by Ascensus for the period April 1, 2023 through December 31, 2023 and Reliance for the period January 1, 2023 through March 30, 2023. Certain administrative expenses are paid to these qualified institutions which qualify as party-in-interest transactions for which statutory exemption exists under DOL Regulations. Fees paid to these qualified institutions totaled \$9,541 for the year ended December 31, 2023 (Audited). Notes receivable from participants also qualify as party-in-interest transactions.

Note 7—Plan termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

Note 8—Reconciliation of financial statements to Form 5500
