INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Angelus Block Company, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Angelus Block Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 and 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Angelus Block Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Angelus Block Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of Angelus Block Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Angelus Block Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

ANGELUS BLOCK COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Angelus Block Company, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time non-union employees of Angelus Block Company, Inc., E-Z Mix, Inc., and Twin Mountain Rock Venture, LLC (collectively, the "Companies") who have ninety days of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan. Those responsibilities include the determination of the Plan's investment offerings and monitoring investment performance.

The Plan offers the participants of the Plan investment options through group annuity contracts with John Hancock Insurance Company (U.S.A.), the Corporate Trustee. The investment options that are offered to the participants are mutual funds and guaranteed interest accounts.

Contributions - The participants contributed up to \$22,500 and \$20,500 of pretax annual compensation for 2023 and 2022, respectively, as defined in the Plan. Participants who are 50 years or older could contribute up to \$30,000 and \$27,000 of pretax annual compensation for 2023 and 2022, respectively. Participants may also contribute certain amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Companies contribute 50% of the first 5% of eligible compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Companies' Boards of Directors. Contributions are subject to certain statutory limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' matching contributions and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' contributions portion of their accounts is based on years of continuous service. Participants earn a year of service if they work 1,000 hours during a Plan year. A participant is 100% vested after six years of credited service.

NOTE A - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - On termination of service, a participant may elect to take the value of the vested interest in his or her account as a lump-sum distribution. They also may elect to take a partial lump sum of less than their entire vested benefit. However, they may not take a partial lump sum distribution of less than \$2,000.

Forfeited Accounts - Forfeited nonvested accounts are used to reduce employer contributions. The amounts were used in the year that they occurred. Forfeited nonvested accounts totaled \$23,116 and \$11,094 in 2023 and 2022, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant policies followed by the Plan:

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received from a sale of an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY CORPORATE TRUSTEE

The information regarding the Plan's investment in mutual funds and guaranteed interest accounts of \$20,462,948 and \$20,109,931 at December 31, 2023 and 2022, respectively, and the net appreciation in fair value of investments of \$2,994,846 for the year ended December 31, 2023 included in the accompanying financial statements and supplemental schedules were obtained from data that has been prepared and certified to for completeness and accuracy by the John Hancock Insurance Company (U.S.A.).

NOTE D - FAIR VALUE MEASUREMENTS

Fair value measurement authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs are unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are based upon significant unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used when Level 1 or 2 inputs were not available.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Level 1 Fair Value Measurements

The mutual funds are John Hancock U.S.A. Sub-Account Funds ("Sub-Account Funds"). The unit value of a Sub-Account Fund is calculated by dividing such fund's net asset value on the calculation date by the number of units established. The participants have the ability to redeem their investment in the Sub-Account Fund at the net asset value per unit at the valuation date.

Each Sub-Account Fund invests solely in shares of a specific mutual fund (the "Underlying Fund"). The fair value of the Underlying Fund equals the number of shares of the respective fund multiplied by the closing net asset value per share quoted by that fund. The Sub-Account Funds have been classified as Level 1 investments, as the fair values of the Underlying Funds are based upon reported net asset values, which represent the values at which each Sub-Account can redeem its investments.

Level 3 Fair Value Measurements

Under the Plan's group annuity contract, the participants of the Plan may make contributions to a guaranteed interest account. The guaranteed interest account guarantees the return of principal plus compound interest earned over a ten-year term provided all contributions remain in the account until the end of the guarantee period. If a participant withdraws a portion of their contribution before the end of the guarantee period, a portion of the withdrawal may be subject to a market rate adjustment. John Hancock maintains the contributions in a general account. The account is credited with earnings and is charged for participant withdrawals and administrative expenses.

The guaranteed interest accounts are included at their fair values as reported to the Plan by John Hancock USA. The fair values were determined utilizing a formula based upon interest rates in effect for accounts with similar maturities at December 31, 2023 and 2022.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level the plan's assets at fair value as of December 31, 2023 and 2022:

December 31, 2023	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)	Fair Value

Guarantee interest accounts	-	146,374	146,374
Total assets at fair value	<u>\$ 20,316,574</u>	<u>\$ 146,374</u>	<u>\$ 20,462,948</u>

December 31, 2022	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)	Fair Value

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023 are reported as net appreciation in fair value of investments.

The following tables set forth summaries of changes in the fair value of the plan's Level 3 assets for the years ended December 31, 2023 and 2022:

Balance at January 1, 2023	\$ 527,066
Purchases	7,942
Interest income	4,968
Withdrawals	<u>(393,602)</u>

Purchases	186,236
Interest income	4,372
Withdrawals	<u>(3,711)</u>
Balance at December 31, 2022	<u>\$ 527,066</u>

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following table represents the Plan's Level 3 financial instrument, the valuation techniques used to measure the fair value of that financial instrument and the significant unobservable inputs.

<u>Instrument</u>	<u>Valuation Technique</u>	<u>Unobservable Inputs</u>	<u>Range</u>
Guaranteed interest accounts	Discounted cash flow	Current yield	.35% - 2.85%

NOTE E - RELATED PARTY TRANSACTIONS

An affiliate of the contract administrator of the Plan was paid commissions of \$21,028 and \$21,693 in 2023 and 2022, respectively. Investment income has been reduced by the amount of these fees. In addition, the contract administrator was paid \$7,063 and \$3,238 in 2023 and 2022, respectively, which is included in administration expenses.

The Corporate Trustee was paid contract administration fees totaling \$58,978 and \$59,625 in 2023 and 2022, respectively.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The Internal Revenue Service has determined and informed the Companies by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that it is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in mutual funds and guaranteed interest accounts which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of the investments will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Certain events would limit the Plan's ability to transact at contract value with John Hancock. Such events include the following: a) premature termination of the contract by the Plan, b) termination of the Plan, or c) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

NOTE I - SUBSEQUENT EVENTS

Subsequent to December 31, 2023, the Plan distributed \$761,968 to participants. Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available for issue.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Angelus Block Company, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Angelus Block Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 and 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Angelus Block Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Angelus Block Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of Angelus Block Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Angelus Block Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANGELUS BLOCK COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Angelus Block Company, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time non-union employees of Angelus Block Company, Inc., E-Z Mix, Inc., and Twin Mountain Rock Venture, LLC (collectively, the "Companies") who have ninety days of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan. Those responsibilities include the determination of the Plan's investment offerings and monitoring investment performance.

The Plan offers the participants of the Plan investment options through group annuity contracts with John Hancock Insurance Company (U.S.A.), the Corporate Trustee. The investment options that are offered to the participants are mutual funds and guaranteed interest accounts.

Contributions - The participants contributed up to \$22,500 and \$20,500 of pretax annual compensation for 2023 and 2022, respectively, as defined in the Plan. Participants who are 50 years or older could contribute up to \$30,000 and \$27,000 of pretax annual compensation for 2023 and 2022, respectively. Participants may also contribute certain amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Companies contribute 50% of the first 5% of eligible compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Companies' Boards of Directors. Contributions are subject to certain statutory limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' matching contributions and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' contributions portion of their accounts is based on years of continuous service. Participants earn a year of service if they work 1,000 hours during a Plan year. A participant is 100% vested after six years of credited service.

NOTE A - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - On termination of service, a participant may elect to take the value of the vested interest in his or her account as a lump-sum distribution. They also may elect to take a partial lump sum of less than their entire vested benefit. However, they may not take a partial lump sum distribution of less than \$2,000.

Forfeited Accounts - Forfeited nonvested accounts are used to reduce employer contributions. The amounts were used in the year that they occurred. Forfeited nonvested accounts totaled \$23,116 and \$11,094 in 2023 and 2022, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant policies followed by the Plan:

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received from a sale of an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY CORPORATE TRUSTEE

The information regarding the Plan's investment in mutual funds and guaranteed interest accounts of \$20,462,948 and \$20,109,931 at December 31, 2023 and 2022, respectively, and the net appreciation in fair value of investments of \$2,994,846 for the year ended December 31, 2023 included in the accompanying financial statements and supplemental schedules were obtained from data that has been prepared and certified to for completeness and accuracy by the John Hancock Insurance Company (U.S.A.).

NOTE D - FAIR VALUE MEASUREMENTS

Fair value measurement authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs are unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are based upon significant unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used when Level 1 or 2 inputs were not available.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Level 1 Fair Value Measurements

The mutual funds are John Hancock U.S.A. Sub-Account Funds ("Sub-Account Funds"). The unit value of a Sub-Account Fund is calculated by dividing such fund's net asset value on the calculation date by the number of units established. The participants have the ability to redeem their investment in the Sub-Account Fund at the net asset value per unit at the valuation date.

Each Sub-Account Fund invests solely in shares of a specific mutual fund (the "Underlying Fund"). The fair value of the Underlying Fund equals the number of shares of the respective fund multiplied by the closing net asset value per share quoted by that fund. The Sub-Account Funds have been classified as Level 1 investments, as the fair values of the Underlying Funds are based upon reported net asset values, which represent the values at which each Sub-Account can redeem its investments.

Level 3 Fair Value Measurements

Under the Plan's group annuity contract, the participants of the Plan may make contributions to a guaranteed interest account. The guaranteed interest account guarantees the return of principal plus compound interest earned over a ten-year term provided all contributions remain in the account until the end of the guarantee period. If a participant withdraws a portion of their contribution before the end of the guarantee period, a portion of the withdrawal may be subject to a market rate adjustment. John Hancock maintains the contributions in a general account. The account is credited with earnings and is charged for participant withdrawals and administrative expenses.

The guaranteed interest accounts are included at their fair values as reported to the Plan by John Hancock USA. The fair values were determined utilizing a formula based upon interest rates in effect for accounts with similar maturities at December 31, 2023 and 2022.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level the plan's assets at fair value as of December 31, 2023 and 2022:

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following table represents the Plan's Level 3 financial instrument, the valuation techniques used to measure the fair value of that financial instrument and the significant unobservable inputs.

<u>Instrument</u>	<u>Valuation Technique</u>	<u>Unobservable Inputs</u>	<u>Range</u>
Guaranteed interest accounts	Discounted cash flow	Current yield	.35% - 2.85%

NOTE E - RELATED PARTY TRANSACTIONS

An affiliate of the contract administrator of the Plan was paid commissions of \$21,028 and \$21,693 in 2023 and 2022, respectively. Investment income has been reduced by the amount of these fees. In addition, the contract administrator was paid \$7,063 and \$3,238 in 2023 and 2022, respectively, which is included in administration expenses.

The Corporate Trustee was paid contract administration fees totaling \$58,978 and \$59,625 in 2023 and 2022, respectively.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The Internal Revenue Service has determined and informed the Companies by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that it is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in mutual funds and guaranteed interest accounts which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of the investments will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Certain events would limit the Plan's ability to transact at contract value with John Hancock. Such events include the following: a) premature termination of the contract by the Plan, b) termination of the Plan, or c) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

NOTE I - SUBSEQUENT EVENTS

Subsequent to December 31, 2023, the Plan distributed \$761,968 to participants. Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available for issue.
