INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Methodist Medical Center of Oak Ridge
Salary Deferral Plan for Union Employees:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Methodist Medical Center of Oak Ridge Salary Deferral Plan for Union Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified information, as described in Note C to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note B to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the accompanying statement of changes in net assets available for benefits. The amounts related to these excluded accounts are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets Held at Year End as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of

the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to, and we do not express an opinion on this supplemental schedule.

METHODIST MEDICAL CENTER OF OAK RIDGE SALARY DEFERRAL PLAN FOR UNION EMPLOYEES

Notes to Financial Statements

Year Ended December 31, 2023

NOTE A--DESCRIPTION OF PLAN

The following brief description of the Methodist Medical Center of Oak Ridge Salary Deferral Plan for Union Employees (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Bargaining unit employees of Methodist Medical Center of Oak Ridge (MMC) who have completed 90 days of service are eligible to participate in the Plan.

Contributions: Participants may contribute to the Plan, through salary reduction, a percentage of their eligible compensation each Plan year subject to the Internal Revenue Service (IRS) limit. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions up to \$7,500 each year. For participants employed prior to January 10, 2010, that have completed 12 months of eligible service, MMC contributes to the Plan a matching contribution of 100 percent of the first 3 percent of qualified participant's compensation contributed to the Plan. For participants employed on or after January 10, 2010, that have 1,000 hours of service within the Plan year, MMC contributes to the Plan a matching contribution of 100 percent of the first 6 percent of a qualified participant's compensation contributed to the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, MMC's matching contribution, an allocation of Plan earnings or losses, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested benefit of their account balance.

Vesting: Participants are immediately vested in their voluntary contributions. Vesting in MMC's matching contributions is based on years of credited service and employment date as follows:

<u><i>Years of Service</i></u>

2	20%
3	40%

Notes to Financial Statements - Continued

Year Ended December 31, 2023

Forfeitures: Plan investments consisting of forfeiture balances were approximately \$29,900 and \$60,900 at December 31, 2023 and 2022, respectively. Forfeitures will be used to reduce future employer contributions or pay plan expenses. Forfeitures used to reduce employer contributions were approximately \$60,900 during the year ended December 31, 2023. Forfeitures used to pay Plan expenses were approximately \$7,438 during the year ended December 31, 2023.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum balance or percent subject to IRS limits. The loans are secured by the balance in the participant's account and bear interest rates between 3.25% and 6.25% as of December 31, 2023. The term of a loan is no longer than five years unless the loan is used to purchase a principal residence. Principal and interest are paid through payroll deductions.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the participant's account balance, systematic installment payments over a specified period, or an immediate life annuity contract.

Plan Termination: Although it has not expressed any intent to do so, MMC has the right under Plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all participants become immediately vested in their account balance.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Excluded Contracts and Accounts: The Plan administrator has elected to exclude certain contracts and accounts from Plan assets in accordance with the Department of Labor's (DOL) Field Assistance Bulletin (FAB) 2009-02 due to the fact that:

- The contract or account was issued to a current or former employee before January 1, 2009.
- The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact, stopped making contributions to the contract or account before January 1, 2009.
- All the rights under the contract or account are legally enforceable against the insurer by the individual owner of the contract or account without any involvement by the employer.

METHODIST MEDICAL CENTER OF OAK RIDGE SALARY DEFERRAL PLAN FOR UNION EMPLOYEES

Notes to Financial Statements - Continued

Year Ended December 31, 2023

- The individual owner of the contract is fully vested in the contract or account.

Because the Plan administrator has elected to exclude certain contracts in accordance with DOL FAB 2009-02, the excluded contracts are not in accordance with generally accepted accounting principles in the United States of America (GAAP) and, accordingly, it is not intended that these financial statements be presented in accordance with GAAP.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition: Investments in shares of registered investment companies are stated at fair value based on the quoted market values of the shares held by the Plan as determined by the trustee.

Money market funds are stated at cost which equals fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are stated at their unpaid principal balance plus accrued interest. Delinquent participant loans are recognized as benefits paid to participants based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Administrative expenses related to maintaining participant accounts and third party administration are paid by the Plan and deducted from participant funds. Plan expenses related to legal and accounting fees may be paid by MMC or the Plan.

NOTE C--INFORMATION CERTIFIED BY THE CUSTODIAN

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Fidelity Management Trust Company, the custodian of the Plan, and was not subjected to any auditing procedures performed by the Plan's independent public accountants:

METHODIST MEDICAL CENTER OF OAK RIDGE SALARY DEFERRAL PLAN FOR UNION EMPLOYEES

Notes to Financial Statements - Continued

Year Ended December 31, 2023

- The investments and notes receivable from participants as shown in the accompanying Statements of Net Assets Available for Benefits of \$50,470,426 and \$1,050,934, respectively as of December 31, 2023, and \$44,210,233 and \$993,545, respectively as of December 31, 2022.
- Net appreciation in fair value of investments of \$6,940,494 and interest and dividends of \$1,348,470 as shown on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.
- All investment-related information in the accompanying supplemental Schedule H, Line 4i – Schedule of Assets Held at Year End as of December 31, 2023.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy based on valuation inputs. The three levels of the fair value hierarchy are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or are corroborated by observable market data by correlation or other means.
- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the valuation hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The investment valuation methods described in Note B may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE E--RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Management Trust Company or related organizations. Fidelity Management Trust Company is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in the net appreciation (depreciation) in fair value of investments. Fees paid by the Plan directly to Fidelity Management Trust Company and Fidelity Investments Institutional Operations Company, the record keeper as defined by the Plan, totaled \$24,180 for the year ended December 31, 2023.

NOTE F--INCOME TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated August 7, 2017, in which the IRS stated that the restated prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator has adopted the restated prototype plan. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator has evaluated the tax positions taken by the Plan and determined there are no uncertain tax positions as of December 31, 2023, that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and could materially affect the participants' account balances and the amount reported in the Statements of Net Assets Available for Benefits.

NOTE H--SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued. During this period, management did not note any material recognizable subsequent events that required recognition or disclosure in the financial statements.
