P.F. CHANG'S CHINA BISTRO, INC. 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **P.F. Chang's China Bistro, Inc. 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2023 and the schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

P.F. CHANG'S CHINA BISTRO, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan

In July 1997, P.F. Chang's China Bistro, Inc. (the "Sponsor") established a 401(k) plan, the ***P.F. Chang's China Bistro, Inc. 401(k) Plan*** (the "Plan"), for its employees. The Plan's trustees are appointed by the Sponsor.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description.

- A. General** – The Plan is a prototype defined contribution plan which covers all employees of the Sponsor who meet specified age and service requirements and which provide for pension and disability benefits. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The cost of the annual audit, fidelity bonding and certain other expenses relating to the Plan are paid for by the Sponsor. Certain administrative functions are performed by employees of the Sponsor at no cost to the Plan.
- B. Contributions** – Participants aged 21 and over are eligible to make elective deferrals in the Plan immediately upon hire. Participants are eligible for Sponsor contributions after completing 1,000 hours of service at the end of a twelve month period.

Participants may contribute a portion of their compensation on a before-tax basis and an after-tax basis, using the Roth 401(k) option, up to the maximum percentage allowable by the Internal Revenue Code. Participants may change or revoke their election to make 401(k) contributions in accordance with procedures established by the advisory committee. Participant and employer contributions are placed into participant directed investment funds selected by the participant.

The Sponsor has the right to make discretionary matching contributions each year which are allocated among eligible participants. For the 2023 plan year, the Sponsor matched 25% of eligible participants' contributions up to the first 6% of the participants' annual compensation.

- C. Participant accounts** – Each participant's account is credited with the participant's contributions, employer matching and discretionary contributions, rollover contributions, if any, and an allocation of Plan earnings. Allocations are based on participant contributions or account balances, as defined. Contributions are allocated to participant accounts for the period they apply, not in the period the payment is made. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.
- D. Notes receivable from participants** – Upon meeting certain criteria, participating employees are allowed to borrow from their vested account balance a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan amounts are transferred from a participant's investment fund to a specific loan fund with the participant's vested account balance serving as collateral for the loan. Loan repayments, including interest and principal, are credited or charged to the participant's loan fund. Loans bear interest at a rate of prime plus two percent. Loan repayment terms are typically 5 years or up to 10 years for the purchase of a primary residence.

P.F. CHANG'S CHINA BISTRO, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan (continued)

- E. Vesting** – Participants are 100% vested in contributions they make to the Plan plus actual earnings thereon. Vesting under the Plan is based on whole years of employment service with the Sponsor. Participants are not vested in any employer matching contributions or earnings thereon until reaching three years of vesting service at which time they will become 100% vested.

Upon death, disability or attaining retirement age, a participant becomes 100% vested in employer match and discretionary contributions.

- F. Termination of the Plan** – Although it has not expressed as an intention to do so, the Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100% vested.

- G. Forfeited accounts** – At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$9,297 and \$184, respectively. These amounts will be used to reduce future employer contributions or pay Plan expenses. For the year ended December 31, 2023, employer contributions were reduced by approximately \$7,000 from forfeited non-vested accounts. Further, during the year ended December 31, 2023, the Plan used approximately \$25,000 to pay Plan expenses.

(2) Significant accounting policies

Basis of accounting – The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, income is recognized when earned and expenses are recorded when incurred.

Management's use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

Risks and uncertainties – The Plan provides for various investment fund options which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits – Benefits are recorded when paid.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which approximates fair value.

Investment valuation and income recognition – Investments in shares of mutual funds are stated at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recognized on the ex-dividend date. Interest and dividend income is recorded on the accrual basis.

Net appreciation or depreciation in fair value of investments consists of realized gains or losses on investments sold during the year and the unrealized appreciation or depreciation of investments held during the year.

(2) Significant accounting policies (continued)

Subsequent events – Plan management has evaluated subsequent events through October 10, 2024 which is the date the financial statements of the Plan were available to be issued.

(3) Fair value measurements

FASB ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 43,272,350	\$ -	\$ -	\$ 43,272,350

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 36,085,157	\$ -	\$ -	\$ 36,085,157

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(4) Income tax status

The Prototype Plan received an opinion letter from the IRS dated June 30, 2020, stating that the Prototype Plan was designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Management has not obtained an individual determination letter for the Plan. The Prototype Plan has been amended since receipt of the opinion letter consisting primarily of changes to ERISA. Management and the Plan administrator believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust remains tax-exempt at December 31, 2023. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

(5) Information certified by the trustee

The Plan administrator has elected the method of annual reporting compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan's assets, has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments
- Notes receivable from participants
- Interest and dividend income
- Net appreciation in fair value of investments
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform any audit procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

(6) Party-in-interest transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions represent party-in-interest transactions. Administrative fees paid to Fidelity Workplace Services, LLC, the recordkeeper of the Plan, totaled \$191,739 for the year ended December 31, 2023.

(7) Non-exempt transactions

The DOL's regulations require defined contribution plans to remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets but not later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. For the years ended December 31, 2023 and 2022, the Company failed to remit certain participant contributions to the Plan in a timely manner constituting a lending of such monies to the Company. As such, these transactions represented non-exempt transactions between the Company and the Plan as identified in Schedule H, Line 4(a), Schedule of Delinquent Participant Contributions. The participant contributions during the year ended December 31, 2023 totaling \$953 have been remitted to the Plan in 2023, including the lost earnings on these contributions. The participant contributions during the year ended December 31, 2022 totaling \$414 were remitted to the Plan in February 2023, including the lost earnings on these contributions.
