INDEPENDENT AUDITOR'S REPORT

To Work Services Corporation, the Plan Administrator of the
Work Services Corporation 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Work Services Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Work Services Corporation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Work Services Corporation 401(k) Profit Sharing Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Work Services Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Work Services Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Work Services Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, and Schedule H, line 4a—Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WORK SERVICES CORPORATION 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 - DESCRIPTION OF PLAN

The following description of the **Work Services Corporation 401(k) Profit Sharing Plan** (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Work Services Corporation (Company) established the Plan for the benefit of its employees. The Plan is a defined contribution plan that is intended to conform to and qualify under section 401(k) of the Internal Revenue Code of 1986, as amended (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Administration

Fidelity Management Trust Company serves as the trustee and investment manager for the Plan's funds and executes all investment actions at the discretion of the Plan's participants. Fidelity Workplace Services LLC and other subsidiaries of the parent company, FMR LLC (Fidelity), provide recordkeeping, asset management, and investment advising services to the Plan.

Eligibility

All employees of the Company, except employees whose employment is governed by the terms of a collective bargaining agreement, who have 12 months of service and are age twenty-one or older are eligible to participate in the Plan. Plan entry dates are January 1, April 1, July 1, and October 1 coinciding with or next following the date eligibility requirements are met. Nonelective contributions made under the prevailing wage provision of the Plan are not subject to these eligibility requirements.

Contributions

Participants may elect to contribute deferral contributions to the Plan on a pre-tax basis through traditional 401(k) deferrals or on an after-tax basis through Roth deferrals. Contributions are subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from certain other eligible retirement plans. Participants direct the investment of all contributions into various mutual funds offered as investment options by the Plan.

The Company will make a safe harbor enhanced matching employer contribution of 100% of the first 6% of the participant's eligible compensation deferred into the Plan each payroll period. The Company may contribute a discretionary matching employer contribution that is based on eligible compensation deferred into the Plan each payroll period, not to exceed 4% of Plan compensation. The Company may contribute a discretionary nonelective profit sharing employer contribution in an amount to be determined each Plan year to eligible participants who are employed as of the last day of the Plan year, unless not employed due to death, disability, or retirement. In determining Plan compensation for purposes of the safe harbor enhanced matching contributions, discretionary matching contributions, and discretionary nonelective profit sharing contributions, only Plan compensation earned while the individual is a participant under the Plan will be taken into account. Contributions are subject to certain limitations. Forfeitures of participant's accounts may be used to reduce the Company's contribution.

WORK SERVICES CORPORATION 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONT'D) DECEMBER 31, 2023 AND 2022

Note 1 - DESCRIPTION OF THE PLAN (CONT'D.)

Contributions (cont'd)

For employees covered by the applicable prevailing wage laws, the Company will make contributions as required under such laws to meet the required benefit levels for each Plan year. These prevailing wage contributions will be considered qualified nonelective contributions.

For 2023, the Company made safe harbor enhanced matching employer contributions of 100% of the first 6% of the participant's eligible compensation deferred into the Plan each payroll period. The Company also made an additional discretionary matching employer contribution of 3% of the participant's eligible compensation deferred into the Plan each payroll period. In addition, the Company also made a discretionary nonelective profit sharing employer contribution of 2% of participant's eligible compensation for the Plan year.

For 2023, the Company also made prevailing wage contributions to applicable employees' accounts throughout the 2023 year.

Participant Accounts

As applicable, each participant's account is credited with the participant's salary deferral and rollover contributions and allocations of (a) the Company's employer matching contributions and prevailing wage contributions, and (b) Plan income, as well as charged with withdrawals and an allocation of the Plan's losses and administrative fees. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral contributions, safe harbor enhanced employer matching contributions, discretionary nonelective profit sharing plan employer contributions, prevailing wage contributions, and rollover contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching employer contribution portion of their accounts is based on the elapsed time method whereby the participant will receive vesting credit for a whole year of service. Accordingly, vesting in the Company's discretionary matching employer contribution portion of their accounts is based on years of continuous service. Discretionary matching employer contributions and related earnings are subject to the following vesting schedule: 20% at 1 year, 40% at 2 years, 60% at 3 years, 80% at 4 years and 100% at 5 or more years of service. Participants become immediately and fully vested at age sixty-five (normal retirement age) or upon death or total and permanent disability.

Payment of Benefits

Participants may receive a distribution of their vested account balance upon termination of service, death or disability. In-service withdrawals of all or any portion of their account may be made to participants who have attained age 65. In addition, in-service withdrawals of all or any portion of a participant's entire vested account may also be made after having attained age 59 ½. A participant's account attributable to rollover contributions is available for in-service withdrawals without restrictions. Hardship distributions may be made from the participant's elective deferral accounts and qualified nonelective contribution accounts in the Plan while the participant is still employed based on specific Plan provisions.

WORK SERVICES CORPORATION 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONT'D) DECEMBER 31, 2023 AND 2022

Note 1 - DESCRIPTION OF THE PLAN (CONT'D.)

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$38,814 and \$2,293, respectively. This account will be used to reduce the Company's future contributions or pay plan administrative fees. Also, in 2023, employer contributions were reduced by \$0 from forfeited nonvested accounts.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Plan Amendments

The Plan has implemented provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) and the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) of 2020, related to minimum required distributions and participant distributions. Any required written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

WORK SERVICES CORPORATION 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONT'D) DECEMBER 31, 2023 AND 2022

Note 3 - INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by a qualified institution, Fidelity Management Trust Company (the trustee of the Plan).

Note 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements, Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is a quoted price in an active market.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair Value Measurements at Reporting Date Using:

As of:	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2023:				
Mutual Funds	\$ 8,945,848	\$ 8,945,848	\$ -	\$ -
December 31, 2022				
Mutual Funds	\$ 6,951,944	\$ 6,951,944	\$ -	\$ -

WORK SERVICES CORPORATION 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONT'D) DECEMBER 31, 2023 AND 2022

Note 5 - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

All the Plan investments are held and invested by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee, as defined by the Plan, and it, along with other subsidiaries of the parent company, FMR LLC (Fidelity), provide recordkeeping, asset management, and investment advising services to the Plan. In addition, the Plan is authorized to include mutual funds managed by Fidelity. Therefore, these transactions qualify as party-in-interest transactions.

Fidelity provides certain administrative services to the Plan pursuant to a Service Agreement between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the Service Agreement, Fidelity will maintain the excess in a Service Credit Account on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses. Any unused revenue will expire at the end of the twelve-month period from the quarter in which it was credited. During 2023 there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Note 7 - TAX STATUS

On July 26, 2021, the Company adopted the FMR LLC non-standardized pre-approved profit sharing plan with CODA plan document, effective July 21, 2021. Fidelity received an opinion letter from the IRS dated June 30, 2020, which stated that the plan document is acceptable under IRC Section 401. The Company believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods currently in progress.

**NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2023 AND 2022**

Note 8 - RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds. These investments are exposed to various risks such as market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
