INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
To Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan
Lafayette, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits as of December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN

The following description of the Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan and Trust ("Plan"), which was adopted by Darnall, Sikes, & Frederick, CPAs ("Sponsor"), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Sponsor established the Plan to provide employees with a systematic means of savings and investing for the future. Regular, full-time employees of the Company, as defined by the Plan document, are eligible to enroll. Deferrals begin on the first day of the pay period subsequent to enrollment. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Assets of the Plan are allocated to participant accounts based on specific contributions made by each participant. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participant account and any earnings thereon.

Employee Contributions

Participants may contribute the maximum amount allowed by law (Code Sections 402(g) and 415), by means of payroll deductions, subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. Participants are allowed to designate a portion of their elective deferrals as Roth Deferrals subject to the legal maximum.

Employer Contributions

The employer may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the Participants Elective Deferrals. For the years 2023 and 2022, the employer contributed one-third of participant elective contributions, subject to a maximum of 2% of the participants gross income.

Forfeited Accounts

Forfeitures are applied toward employer contributions and reallocated to other participants' accounts when employer contributions are made. Unallocated forfeitures

Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

used to reduce future employer contributions were \$6,500 as of December 31, 2023 and \$0 as of December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Sponsor's matching contributions, and Plan gains or losses. Allocations of earnings and losses for each fund are based on the ratio of weighted average participant account balances per fund to the total weighted average of all participant account balances. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions, and actual earnings thereon. However, vesting in Sponsor's matching is based on years of service on the following scale:

2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participants become immediately vested in the event of death or total and permanent disability.

Distributions

Upon retirement, disability, or death, a participant or beneficiary receives the entire amount credited to the participant's account in a lump sum. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participant's vested account in a lump-sum.

Participant Notes Receivable

Participants may borrow from their account balances with interest charged at prime plus one percent for the duration of the loan. Loan terms range from 1 to 5 years. The minimum loan is \$1,000 and the maximum loan is the lesser of \$50,000 or 50 percent of the participant's account balance. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll

Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan
Notes to Financial Statements

deductions. As of December 31, 2023 and 2022, the Plan had loans receivable from participants with principal balances totaling \$93,326 and \$74,002 which are included with investments in the accompanying Statements of Net Assets Available for Benefits.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Retirement

A participant achieves normal retirement age at age 65. A participant is eligible for early retirement at age 60 with a minimum of six years of service.

A Plan is also required to disclose significant accounting policies such as the basis of accounting, investments, non-readily marketable securities (if applicable), and the use of estimates. A summary of significant accounting policies is included below.

2. *SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities and disclosure. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value. The net change in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a settlement date basis. Interest income is accrued as it is earned and dividends are recorded as of the ex-dividend date.

The Plan's interest in a fixed contract is valued at book value less any Contingent Deferred Sales Charge (CDSC). The contract currently does not have a CDSC. The book value is based on information reported by the custodian.

The net change in the valuation of investments held from the beginning of the plan year to the end of the plan year is reported in the accompanying statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of assets.

Interest income from participant loans is recognized on the accrual basis.

Contributions

Contributions from employees are recorded in the period in which the Sponsor makes the payroll deductions from participant earnings.

Distributions

Distributions are recorded when paid. As of December 31, 2023 and 2022, there were no benefits processed and approved for payment but not paid.

Administrative Expenses

Certain administrative expenses are paid by the Sponsor. Other expenses such as legal and accounting are paid from Plan assets and deducted from participant accounts in accordance with the Plan document.

Date of Management's Review

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

Nationwide Financial Services, Inc., the custodian, maintains all records of investment transactions and determines the valuation of the investment portfolio. As required by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Nationwide Financial Services, Inc. has provided certification to the Plan Administrator regarding the accuracy and completeness of certain information. The following information was included in the information certified by Nationwide Financial Services, Inc. as agent for Nationwide Financial Services, Inc. for the years ended December 31, 2023 and 2022, and was used in the preparation of the financial statements and supplemental schedules in compliance with ERISA.

	2023	2022
Investments with registered investment companies	\$ 21,719,719	\$ 18,266,361
Investment contract	1,485,616	1,207,616
Participant loans	93,326	74,002
Interest	3,543	3,943
Net appreciation (depreciation) in fair value of investments	3,050,019	(3,247,898)

4. FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Investment contract:* Valued at book value. Book value, as provided by the custodian, is used as a practical expedient to estimate fair value. Book value is based on the fair value of the underlying investments held by the fund less its liabilities, less and Contingent Deferred Sales Charge (CDSC). The contract currently does not have a CDSC. The net rate, crediting rate, and average yield earned are the same. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported cost. Participant transactions (purchased and sales) may occur daily.

The Index Fixed contract crediting rate is reset quarterly, and the following table indicates the rates for 2023 and 2022:

	<u>2023</u>	<u>2022</u>
First	2.32%	1.88%
Second	2.42%	1.88%
Third	2.42%	1.96%
Fourth	2.42%	2.22%

Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

The Indexed Fixed contract does not have a maturity date. The provisions do not provide for a distribution at book value at some specified future date. The contract continues in force until all assets have been distributed, or no further payments are due.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 21,719,719	\$ -0-	\$ -0-	\$ 21,719,719

December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 18,266,361	\$ -0-	\$ -0-	\$ 18,266,361

5. *RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS*

The Plan paid \$150 and \$250 for administration fees to Darnall, Sikes, & Frederick, CPAs for the years ended December 31, 2023 and 2022. Darnall, Sikes, & Frederick, CPAs is the Plan Sponsor. In addition, during 2023 and 2022, audit fees of \$9,000 and \$8,500 were paid by the sponsor.

During 2023 and 2022, investment advisory fees were paid to the Plan custodian, Nationwide Financial Services, Inc. in the amount of \$62,890 and \$60,951 respectively.

6. *TAX STATUS*

The Plan has received a determination letter from the Internal Revenue Service dated June 30, 2020 stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Plan management believes the Plan is currently designed and

Darnall, Sikes, & Frederick 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of American require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

7. *PLAN TERMINATION*

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

8. *RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500*

There were no reconciling items between the net assets available for benefits per the financial statements to Schedule H of Form 5500.

9. *DELINQUENT PARTICIPANT CONTRIBUTIONS*

The Company determined that certain participant contributions and loan repayments had not been remitted to the Plan in a timely manner according to Department of Labor regulations. The amount reported for the year ended December 31, 2023 was \$44,086. Although these remittances were made, they fell outside the normal processing time the Company allows. The Company calculated lost earnings for the 2023 late contributions and deposited these funds into the Plan.
