Independent Auditor's Report

First Step 401(k) Retirement Savings Plan & Trust
Hot Springs, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of First Step 401(k) Retirement Savings Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First Step 401(k) Retirement Savings Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First Step 401(k) Retirement Savings Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Step 401(k) Retirement Savings Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Step 401(k) Retirement Savings Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Step 401(k) Retirement Savings Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Very truly yours,

FIRST STEP 401(K) RETIREMENT SAVINGS PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – PLAN ADMINISTRATION AND DESCRIPTION

The following brief description of the First Step 401(k) Retirement Savings Plan & Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

A. General

The Plan was established July 1, 2000 and is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”). The Plan is a qualified, voluntary contributory, profit sharing 401(k) prototype plan, sponsored by Fidelity Management Trust Company, as adopted, and restated by the First Step 401(k) Retirement Savings Plan & Trust effective March 25, 2022.

All full-time employees of First Step, Inc. (the “Company”) who have three months of service and are age twenty-one or older are eligible to participate in the Plan. Plan entry dates are the first day of the quarter following completing the eligibility requirements.

B. Contributions

Each year, participants may contribute up to 80 percent of their pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to a limit set by the Internal Revenue Service.

The Plan provides for automatic enrollment for new hires unless the new hire affirmatively elects otherwise.

The Plan provides a dollar for dollar safe-harbor match up to a maximum deferral of 4%. The Plan provides for a discretionary match by the employer based on a scale of years of service with the Company.

C. Participants’ Accounts

Each participant account is credited with the participant’s contribution and allocation of (a) the Company’s contribution and (b) plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of their account to any of the investment options available under the plan.

D. Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, and safe-harbor match contributions, and any income or loss thereon. Vesting in the Company discretionary contributions is based upon continuous years of service and is as follows:

0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

E. Investment Options

Upon enrollment in the Plan, participants may change their investment options daily. Participants may direct the investment of their account balances into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

F. Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. The minimum loan amount is \$1,000 and loans are secured by the balance in the participant's account. Loans bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator and currently are bearing interest at 4.00% per annum. Principal and interest is paid ratably through payroll deductions and / or direct payments.

G. Payments of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution of their vested balance, or annual installments over the life expectancy of the participant and/or his/her designated beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution. Account balances that are under \$1,000 may be automatically paid out to the participant at the discretion of the Company. Account balances between \$1,000 and \$5,000 may be transferred to an IRA for the participant, at the discretion of the Company.

H. Forfeitures

The non-vested portion of terminated participants accounts plus earnings thereon are forfeited and are used by the Plan to pay administrative expenses. The Company may also elect to use forfeitures to reduce future employer contributions. For the years ended December 31, 2023 and 2022 forfeitures of \$8,405 and \$16,124, respectively, were used to reduce employer contributions.

I. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the interests of all participants and beneficiaries accrued to the date of the termination become non-forfeitable.

J. Plan Expenses

Certain administrative expenses of the Plan are paid by the application of participant forfeitures or directly by the Employer. Certain participant transaction charges are paid from the participant's Plan assets.

K. SECURE Act and CARES Act

The Plan has implemented certain requirements by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change some Plan operating procedures. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

L. Reclassification

Certain comparative figures have been reclassified to conform to the current year presentation.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Method of Accounting

The financial statements are prepared on the accrual method of accounting in that revenues are recognized when earned and expenses are recognized when incurred. Allocations of the Plan's assets to the participant accounts include accrued employer contributions in accordance with the provisions of the Plan.

B. Investment Valuation and Income Recognition

The Plan's investments in mutual funds and common/collective trusts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are reported on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

C. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

D. Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

E. Payment of Benefits

Benefits are recorded when paid.

F. Date of Management's Review

Subsequent events were evaluated through September 29, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED BY CUSTODIAN

The following is a summary of the information included in the Plan's financial statements and financial schedules for 2023 and 2022 which was prepared by the Plan trustee, Fidelity Management Trust Company, and furnished to the plan administrator. The plan administrator has obtained a certification from the custodian that such information is complete and accurate.

- A) Investments at the beginning and end of the year.
- B) Notes receivable from participants at the beginning and end of the year.
- C) Changes in net assets resulting from investment and notes receivable from participants activities.
- D) Information included in the supplemental schedule of assets (held at end of year)

FIRST STEP 401(K) RETIREMENT SAVINGS PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 4 – PARTY IN INTEREST

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 5 – TAX STATUS

The Plan uses a prototype plan document sponsored by Fidelity Investments. Fidelity Investments has received an opinion letter dated June 30, 2020 stating that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a favorable determination letter from the Internal Revenue Service, however, the Plan's management believes that the plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America (U.S. GAAP) require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods progress. The Company is required to file and does file Form 5500 with the Internal Revenue Service.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset or inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

FIRST STEP 401(K) RETIREMENT SAVINGS PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Mutual funds represent investments with various investment managers. The fair value of these investments is determined by reference to the fund's underlying assets, principally marketable equity, and fixed income securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	<u>Fair Value Measurements:</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>				
Mutual funds	\$ 1,429,384	\$ -	\$ -	\$ 1,429,384
Total investments at fair value	1,429,384	-	-	1,429,384
Collective trust measured at NAV*	-	-	-	12,644,274
Total investments	<u>\$ 1,429,384</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,073,658</u>
<u>December 31, 2022</u>				
Mutual funds	\$ 1,063,613	\$ -	\$ -	\$ 1,063,613
Total investments at fair value	1,063,613	-	-	1,063,613
Collective trust measured at NAV*	\$ -	\$ -	\$ -	\$ 11,234,556
Total investments	<u>\$ 1,063,613</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,298,169</u>

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value amounts presented in the Statements of Net Assets Available for Benefits.

The Plan holds an investment in a collective trust, specifically the Fidelity Management Income Portfolio Fund (the MIP). The MIP invests in investment contracts issued by insurance companies and other financial institutions, fixed income securities, money market funds, and may include derivative instruments such as futures contracts and swap agreements to provide daily liquidity. The investment contract issuers seek to preserve the principal investment and earnings but cannot guarantee that they will be able to do so. The MIP is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments, and the redemption frequency is daily.

NOTE 8 – TERMINATED PARTICIPANTS

As of December 31, 2023 and 2022, there were no amounts allocated to participants who have elected to withdraw from the plan but have not been paid.
