INDEPENDENT AUDITORS' REPORT

Board of Trustees
Leading Edge Aviation Inc. 401(K) PS Plan and Trust
Bend, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Leading Edge Aviation Inc. 401(k) PS Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Leading Edge Aviation Inc. 401(k) PS Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section:

Independent Member

233 S.E. Second Ave., Hillsboro, Oregon 97123 Tel: (503) 648-6651 Fax: (503) 640-8639

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to asset held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Leading Edge Aviation Inc. 401(K) PS Plan and Trust, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Year Financial Statements

We performed a compilation engagement with respect to the 2022 statement of net assets available for benefit, and our report thereon dated October 15, 2023 stated that we did not audit or review those financial statements and, accordingly, express no opinion or other form of assurance on them.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of these ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Leading Edge Aviation Inc. 401(K) PS Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Leading Edge Aviation Inc. 401(K) PS Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Leading Edge Aviation Inc. 401(K) PS Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) for the period from January 1 to December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certificate investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the Leading Edge Aviation Inc. 401(K) PS Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all non-union employees who have completed three consecutive months of service with Leading Edge Aviation Inc. (the Company). Employees are eligible for employer match after one year of service (1,000 hours) and must be employed on the last day of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan, not to exceed the limits set forth by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are allowed to make Roth elective deferral contributions. The Roth contribution limits are the same as the pretax contribution limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an auto-enrollment provision, currently set at three percent of eligible compensation, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Company contributes 50% of the first 4% of compensation that a participant contributes to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Additional profit sharing amounts may be contributed to the Plan at the option of the Company's board of directors and are invested at the participant's direction. Contributions are subject to certain statutory limitations.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' non-vested accounts, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. They are also fully vested in qualified non-elective contributions made by the Company and earnings thereon. Vesting in the Company's matching and other discretionary profit sharing contribution portions of their account plus actual earnings thereon is determined based on years of continuous service. Amounts subject to the graduated vesting schedule are vested in 20% increments with full vesting after completion of six years of credited service.

LEADING EDGE AVIATION INC. 401(K) PS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

As of December 31, 2023

NOTE 1: **DESCRIPTION OF PLAN** (Continued)

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear annual interest between 8.5% to 9.5%. Principal and interest are paid ratably through bi-monthly payroll deductions.

Payment of benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment or applied to the purchase of an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Amounts allocated to accounts of persons who, at the financial statement date, have elected to withdraw from the Plan but have not been paid totaled \$0 as of December 31, 2023.

Forfeited accounts:

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$93 respectively. Forfeitures, if available, will be applied to plan expenses or employer contributions. For the year ended December 31, 2023, the plan used \$327 of forfeiture to reduce the plan sponsor's expense.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Date of managements review:

Subsequent events were evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

LEADING EDGE AVIATION INC. 401(K) PS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

As of December 31, 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition:

The Plan's investments in shares of registered investment companies are stated at fair value as determined by quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Substantially all administrative expenses are paid by the Plan sponsor, Leading Edge Aviation Inc. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

FASB ASC 820-10, *Fair Value Measurement and Disclosure*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. As of December 31, 2023 and 2022, the Plan held only investments measured by the Level 1 inputs in the fair value hierarchy.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	<u>Fair Value</u>	<u>Markets for Identical Assets (Level 1)</u>	<u>Observable Inputs (Level 2)</u>	<u>Unobservable Inputs (Level 3)</u>

NOTE 4: INVESTMENTS

For the plan year ending December 31, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$128,422 as follows:

Mutual funds	\$ <u><u>128,422</u></u>
--------------	--------------------------

NOTE 5: RELATED PARTY AND PARTY-IN-INTEREST

ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain plan investments are shares of mutual funds managed by Mid Atlantic Trust Company (MATC), who receives revenue from mutual fund service providers for services performed. MATC is the custodian of assets as defined by the Plan. In addition, Paychex Retirement Services, who is the third-party administrator for the Plan, receives contract administration fees. These transactions qualify as party-in-interest transactions, however they are exempt from the prohibited transaction rules under ERISA. The revenue is used to offset certain amounts owed to MATC and Paychex for administrative services to the Plan. Contract administrator fees paid by the Plan amounted to \$ 6,902 and \$8,298 for the year ended December 31, 2023 and 2022, respectively.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: TAX STATUS

The Company has adopted a prototype plan document and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service (IRS) dated April 10, 2014. The letter states that the prototype and related trust, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC).

LEADING EDGE AVIATION INC. 401(K) PS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

As of December 31, 2023

NOTE 8: TAX STATUS (continued)

Although the prototype plan has been amended since receiving the determination letter, the prototype sponsor and the plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Leading Edge Aviation Inc. 401(K) PS Plan and Trust
Bend, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Leading Edge Aviation Inc. 401(k) PS Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Leading Edge Aviation Inc. 401(k) PS Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section:

Independent Member

233 S.E. Second Ave., Hillsboro, Oregon 97123 Tel: (503) 648-6651 Fax: (503) 640-8639

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to asset held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Leading Edge Aviation Inc. 401(K) PS Plan and Trust, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Year Financial Statements

We performed a compilation engagement with respect to the 2022 statement of net assets available for benefit, and our report thereon dated October 15, 2023 stated that we did not audit or review those financial statements and, accordingly, express no opinion or other form of assurance on them.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of these ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Leading Edge Aviation Inc. 401(K) PS Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Leading Edge Aviation Inc. 401(K) PS Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Leading Edge Aviation Inc. 401(K) PS Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) for the period from January 1 to December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certificate investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the Leading Edge Aviation Inc. 401(K) PS Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all non-union employees who have completed three consecutive months of service with Leading Edge Aviation Inc. (the Company). Employees are eligible for employer match after one year of service (1,000 hours) and must be employed on the last day of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan, not to exceed the limits set forth by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are allowed to make Roth elective deferral contributions. The Roth contribution limits are the same as the pretax contribution limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an auto-enrollment provision, currently set at three percent of eligible compensation, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Company contributes 50% of the first 4% of compensation that a participant contributes to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Additional profit sharing amounts may be contributed to the Plan at the option of the Company's board of directors and are invested at the participant's direction. Contributions are subject to certain statutory limitations.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' non-vested accounts, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. They are also fully vested in qualified non-elective contributions made by the Company and earnings thereon. Vesting in the Company's matching and other discretionary profit sharing contribution portions of their account plus actual earnings thereon is determined based on years of continuous service. Amounts subject to the graduated vesting schedule are vested in 20% increments with full vesting after completion of six years of credited service.

LEADING EDGE AVIATION INC. 401(K) PS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

As of December 31, 2023

NOTE 1: **DESCRIPTION OF PLAN** (Continued)

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear annual interest between 8.5% to 9.5%. Principal and interest are paid ratably through bi-monthly payroll deductions.

Payment of benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment or applied to the purchase of an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Amounts allocated to accounts of persons who, at the financial statement date, have elected to withdraw from the Plan but have not been paid totaled \$0 as of December 31, 2023.

Forfeited accounts:

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$93 respectively. Forfeitures, if available, will be applied to plan expenses or employer contributions. For the year ended December 31, 2023, the plan used \$327 of forfeiture to reduce the plan sponsor's expense.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Date of managements review:

Subsequent events were evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

LEADING EDGE AVIATION INC. 401(K) PS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

As of December 31, 2023

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition:

The Plan's investments in shares of registered investment companies are stated at fair value as determined by quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Substantially all administrative expenses are paid by the Plan sponsor, Leading Edge Aviation Inc. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 3: **FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

LEADING EDGE AVIATION INC. 401(K) PS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

As of December 31, 2023

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

FASB ASC 820-10, *Fair Value Measurement and Disclosure*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. As of December 31, 2023 and 2022, the Plan held only investments measured by the Level 1 inputs in the fair value hierarchy.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

NOTE 5: RELATED PARTY AND PARTY-IN-INTEREST

ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain plan investments are shares of mutual funds managed by Mid Atlantic Trust Company (MATC), who receives revenue from mutual fund service providers for services performed. MATC is the custodian of assets as defined by the Plan. In addition, Paychex Retirement Services, who is the third-party administrator for the Plan, receives contract administration fees. These transactions qualify as party-in-interest transactions, however they are exempt from the prohibited transaction rules under ERISA. The revenue is used to offset certain amounts owed to MATC and Paychex for administrative services to the Plan. Contract administrator fees paid by the Plan amounted to \$ 6,902 and \$8,298 for the year ended December 31, 2023 and 2022, respectively.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: TAX STATUS

The Company has adopted a prototype plan document and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service (IRS) dated April 10, 2014. The letter states that the prototype and related trust, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC).

NOTE 8: TAX STATUS (continued)

Although the prototype plan has been amended since receiving the determination letter, the prototype sponsor and the plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
