INDEPENDENT AUDITOR'S REPORT

October 14, 2024

To the Plan Administrator of
Schuyler Hospital Employee Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Schuyler Hospital Employee Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCHUYLER HOSPITAL EMPLOYEE RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

General

The Schuyler Hospital Employee Retirement Savings Plan (the Plan) is a defined contribution plan covering all employees of Schuyler Hospital, Inc. (Schuyler) who are age twenty-one (21) or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

Administration

The Plan is administered by management who are appointed by authorized officers of Schuyler. Management administers the Plan in accordance with its terms and applicable laws and has all necessary and appropriate powers to carry out the provisions of the Plan. Newport Trust Company (NTC) is the custodian of the Plan's assets. NFP Corporate Services, LLC is the third-party administrator of the Plan. Newport provides recordkeeping services to the Plan.

Eligibility

Participants may become eligible for employer contributions after the attainment of age 21. For elective deferrals made by the participant, the eligibility requirements are age 21.

Contributions

Participants may make voluntary contributions subject to certain limitations of the Plan and Internal Revenue Code (the Code). The Plan provides for safe harbor matching contributions of 100% of a participant's pre-tax contributions up to 3% of the participant's compensation, plus 50% of the participant's pre-tax contributions up to an additional 2% of compensation.

Participant Accounts

Participants direct the investment of their vested contributions and Schuyler's contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, Schuyler's contributions, any allocations of Plan earnings or losses, and any applicable administrative expenses. Participants direct the investment of the contributions into various options offered by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings and losses thereon. Participants become fully vested in Schuyler's contributions plus earnings and losses thereon after three years of service.

Payment of Benefits

Upon termination of service due to death, retirement or other reasons, a participant or beneficiary will receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment.

1. DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Participants may receive distributions up to 100% of their elective deferral account balance in the form of a hardship withdrawal upon meeting financial hardship requirements outlined in the Plan document.

Notes Receivable from Participants

Plan participants may borrow up to the lesser of \$50,000, or 50%, of the amount of the participant's vested interest in the Plan and have a maximum of one outstanding loan. The minimum loan amount is \$1,000. Notes receivable from participants are secured by their account balances and bear interest at the prime rate on the date of the loan.

Participant Rollovers

Participants are allowed to transfer or rollover funds into the Plan, subject to approval by the Plan Administrator.

Forfeitures

Forfeitures of non-vested discretionary contribution accounts can be used to reduce Plan fees. There were no forfeitures used to reduce Plan fees for the years ended December 31, 2023 and 2022. There were no balances remaining of forfeited non-vested discretionary contribution accounts at December 31, 2023 and 2022.

Administration

Administrative expenses of the Plan for the years ended December 31, 2023 and 2022 were paid by the Plan participants as a reduction of investment income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value, based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in group annuity contracts are fully benefit-responsive and are stated at contract value.

All investments are participant directed. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurement

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methodology used for mutual funds, which are measured at fair value, is based on the quoted market price of shares held at year end. Mutual funds are considered Level 1 inputs.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the valuation methodologies used during 2023 or 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

The Plan's expenses are paid by the Plan and allocated to the participants' accounts, as provided by the Plan document. Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are recorded as a reduction to additions in the accompanying statements of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

NTC, the custodian, has certified to the completeness and accuracy of information included in the financial statements and supplemental schedule as of and for the years ended December 31, 2023 and 2022 as follows:

<u>Description</u>	<u>2023</u>	<u>2022</u>
Statements of Net Assets Available for Benefits:		
Investments, at fair value	<u>\$ 12,775,235</u>	<u>\$ 10,889,194</u>

Schedule H, Line 4i - Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The following are measured at fair value on a recurring basis at December 31, 2023:

<u>Description</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 12,775,235</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,775,235</u>

The following are measured at fair value on a recurring basis at December 31, 2022:

<u>Description</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 10,889,194</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,889,194</u>

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan has a fully benefit-responsive group annuity contract with MetLife, which is included in the financial statements at contract value for the years ended December 31, 2023 and 2022. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. There are no redemption restrictions or unfunded commitments related to the group annuity contract.

The strategy for having this investment option is to provide safety and stability by preserving principal and accumulated earnings this investment. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment to non-competing funds at contract value. MetLife is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

	<u>2023</u>	<u>2022</u>
Average yields on MetLife Stable Value Fund:		
Based on actual earnings	5.27%	1.36%
Based on interest rate credited to participants	2.82%	2.90%

6. PLAN TERMINATION

While Schuyler has not expressed any intent to discontinue the Plan, it has the right to do so at any time, subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Internal Revenue Service has determined and informed Schuyler by letter dated March 2, 2006, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the advisory opinion letter, the Plan Administrator and legal counsel believe that the Plan is designed and currently being operated in compliance with the applicable provisions of the Code, and that the Plan was qualified and exempt from income taxes as of December 31, 2023. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. PARTY-IN-INTEREST TRANSACTIONS

NTC is the trustee and custodian of the Plan's assets, NFP Corporate Services, LLC is the third-party-administrator, Newport is the recordkeeper, and Schuyler is the Plan Sponsor. As such, transactions between NTC, NFP Corporate Services, LLC, Newport, Schuyler, and the Plan qualify as party-in-interest transactions. Additionally, notes receivables from participants qualify as party-in-interest-transactions.

9. RECONCILIATION TO FORM 5500

While total net assets available for benefits and the change in net assets available for benefits agree between the financial statements and Form 5500 as of and for the years ended December 31, 2023 and 2022, certain classifications differ between the financial statements and Form 5500.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.
