Independent Auditors' Report

**To the Plan Administrator
Team RMS, LLC 401(k) Plan
San Diego, California**

Opinion on 2023 Financial Statements

We have audited the financial statements of TEAM RMS, LLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of June 30, 2023, the related statement of changes in net assets available for benefits for the period January 1, 2023 through June 30, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2023, and the changes in its net assets available for benefits for the period January 1, 2023 through June 30, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Merger

As further discussed in Note 1 to the financial statements, the Manager of TEAM RMS, LLC, the Plan's sponsor, voted to merge the Plan into TEAM AHR, LLC Multiple Employer 401(k) Plan on January 1, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditors' Report on the 2022 Financial Statements

The 2022 financial statements of the Plan were audited by predecessor auditors whose report dated October 16, 2023, expressed an unmodified opinion on those financial statements.

TEAM RMS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the TEAM RMS, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan sponsored by TEAM RMS, LLC (the "Company"). The Plan existed for the exclusive benefit of its eligible employees who have completed six months of service. The Plan was formed effective April 1, 2019.

Effective January 1, 2023, the Plan merged into the TEAM AHR, LLC Multiple Employer 401(k) Plan. The total assets of the Plan transferred to the TEAM AHR, LLC Multiple Employer 401(k) Plan. All assets of the Plan were transferred out by June 30, 2023.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participating Companies

The following companies, which are related parties, were participating employers in the Plan:

- TEAM RMS, LLC
- TEAM Risk Management Strategies, LLC
- Charter Management Services, LLC
- TEAM Direct, LLC
- TEAM First, LLC
- TEAM PFS Direct, LLC

Plan Amendments

Effective January 1, 2023, highly compensated employees were not eligible for the Plan and were excluded from participation.

Entrance Date

An employee was eligible to enter the Plan immediately following completion of the eligibility requirements.

Contributions

Each year, participants could contribute from 1% up to 98% of their annual compensation, as defined by the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute rollover amounts from other qualified plans.

TEAM RMS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Plan allowed for the Plan Sponsor to make non-elective profit-sharing contributions to the Plan. These contributions were permitted at the discretion of the Board of Directors in accordance with the Plan. Participants must be employed on the last day of the year to be eligible for such contributions. For the period January 1, 2023 through June 30, 2023, there were no non-elective contributions made to the Plan.

Forfeitures

Forfeited balances from terminated participants' accounts are used to first reduce Plan expenses, then, if amounts remain, could be used to reduce employer contributions and finally, if amounts still remain, could be used as a non-elective contribution. There were no forfeitures used during the period January 1, 2023 through June 30, 2023. There were no forfeitures available for use as of June 30, 2023 and 2022.

Participant Accounts

Each participant's account was credited with the participant's contribution and allocations of (a) the non-elective profit-sharing contributions, if any, and (b) Plan earnings. Allocations were based on participant's qualified compensation or account balances, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Upon enrollment in the Plan, a participant could direct contributions to a selection of a money market fund, stock, and bond funds under an arrangement with the custodian of the Plan investments. Participants could change the allocation of their account in different funds at any time.

Vesting

Participants were immediately vested in their voluntary contributions and actual earnings thereon. Vesting of the Company's non-elective profit-sharing contributions was based on years of service. The vested portion of participant accounts containing non-elective profit-sharing contributions was determined in accordance with the following schedule based on years of service through the date of termination with the Company:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 2 years of service	0%
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 years or more	100%

NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

On termination of service due to death, disability, or retirement, a participant could elect to (a) receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, (b) elect to have the benefits paid in the form of a direct rollover to an individual retirement account or (c) elect to have the benefit paid to another qualified retirement plan described in Section 401(a) of the Internal Revenue Service.

Participants achieving the age of 59 1/2 were permitted to take in-service withdrawals in accordance with the Plan specifications. Other withdrawals, such as a hardship distribution, were permitted under certain circumstances provided by the Plan. Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Contributions

Contributions from Plan participants and the matching contributions from the Employer were recorded in the year in which the employee contributions were withheld from compensation.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States required the Plan administrator to make estimates and assumptions that affected the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of Investments

Quoted market prices are used to value Plan investments. Purchases and sales of securities were recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income was recorded on the accrual basis.

Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements.

TEAM RMS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (or exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the inputs that market participants would use in pricing the asset or liability and are developed based on the best information available in the circumstances.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Management Evaluation of Subsequent Events

The Company has evaluated subsequent events through October 15, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - PARTICIPANT DIRECTED INVESTMENTS

Participant contributions held in the Plan were participant-directed accounts. That is, individual participants decided how funds held in trust for them were allocated among various investment options.

TEAM RMS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and December 31, 2022

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments were shares of registered investment companies managed by Slavic Integrated Administration, Inc. ("third party administrator" or "Slavic") and held by Fidelity Investments ("custodian" or "Fidelity"). Fidelity, under terms of an investment contract, served as the custodian and held all the Plan's investment assets and executed transactions therein. Fidelity was the custodian as defined by the Plan and, therefore, the related transactions qualified as party-in-interest.

Slavic provided to the Plan certain accounting and administrative services for which the fees were charged to the Plan. Slavic also provided broker related services to the Plan for which commissions were charged to the Plan. The Plan was charged fees related to maintaining custody of the Plan's assets and various Plan management services, which amounted to \$3,985 for the period January 1, 2023 through June 30, 2023.

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

NOTE 5 - TAX STATUS

The Plan sponsor adopted a volume submitter profit sharing plan with CODA. The volume submitter document received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating the Plan was qualified under Section 401(a) of the Internal Revenue Code ("IRC"). Although the Plan had not been issued an individual opinion letter and had been amended since receiving the opinion letter, the Plan administrator believed the Plan was designed and was being operated in compliance with the applicable requirements of the IRC.

Authoritative accounting standards required the Plan to examine its tax positions for uncertain positions. Management was not aware of any tax positions that were more likely than not to change in the next twelve months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in assets available for benefits.

NOTE 6 - ADMINISTRATIVE EXPENSES

Administrative expenses paid from the Plan represent fees relating to the Plan, which amounted to \$3,985 for the period January 1, 2023 through June 30, 2023.

NOTE 7 - FAIR VALUE MEASUREMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and December 31, 2022

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023, compared to December 31, 2022. There were also no transfers of financial instruments into or out of Level 3.

Registered investment companies: Valued at the daily closing price as reported by the underlying fund, which is traded on a national exchange.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

	Level 1	Total
Registered investment companies	\$ -	\$ -

Assets at Fair Value as of December 31, 2022

	Level 1	Total
Registered investment companies	\$ 1,793,718	\$ 1,793,718

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 - PLAN MERGER

The Manager of TEAM RMS, LLC, the Plan's sponsor, voted to merge the Plan effective January 1, 2023, into the TEAM AHR Multiple Employer 401(k) Plan, which is the successor plan. In connection with the merger and immediately prior to the transfer of plan assets to the successor plan, all participants' account balances became 100% vested.
