This representation letter is provided in connection with your audit of the financial statements of Keith Smith Company, Inc. Employee Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material.

Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 14, 2024, the following representations made to you during your audit.

Board of Trustees
Keith Smith Company, Inc. Employee Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Keith Smith Company, Inc. Employee Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Keith Smith Company, Inc. Employee Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Keith Smith Company, Inc. Employee Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keith Smith Company, Inc. Employee Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keith Smith Company, Inc. Employee Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keith Smith Company, Inc. Employee Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other

than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Keith Smith Company, Inc. Employee Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

(1) Description of Plan

The Keith Smith Company, Inc. Employee Profit Sharing Plan (“the Plan”) was established on May 1, 1967. Ascensus Trust Company (the “Trustee”) serves as trustee of the Plan. The Trustee has been designated to hold and invest plan assets for the benefit of the participants. The following is a description of the major provisions of the Plan that provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering all non-union employees of the Plan Sponsor, Keith Smith Company, Inc. (the “Company”), and have accumulated one year of service. Investments are directed by the individual participants within limits established by the Company.

Contributions: Eligible employees may make elective deferrals of their compensation up to the IRS allowed limits. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The Company may make profit sharing contributions at its discretion. The Company currently provides a safe harbor matching contribution of 100% of deferrals up to 3% of eligible wages, plus 50% of deferrals that exceed 3% of eligible wages but do not exceed 5% of eligible wages.

Participant Accounts: Each participant’s account is credited with the participant’s contributions, the Company’s matching and profit-sharing contributions, an allocation of current Plan earnings or loss, and an allocation of Plan expenses. Allocations are based on participant’s earnings or account balances, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: Participants are always 100% vested in their salary deferral, safe harbor matching contributions, rollover contributions, and the associated earnings. Vesting in the Company contributions portion of a participant’s account plus earnings thereon is based on years of service. A participant is 100% vested in profit sharing contributions, and earnings thereon, after six years of credited service.

Investment Options: Participants are permitted to direct the Trustee as to the investment of all the assets in their individual account balances in specific assets allowed under the Plan. Participants have access to a complete listing of all investment options available under the Plan through the Trustee website. Participants can change their investment allocation elections prospectively at any time, which takes effect on a daily basis.

Payment of Benefits: Upon termination of service, an employee may elect to receive his or her vested account balance either in a lump-sum amount or rollover to another qualified plan.

Forfeitures: Available forfeitures are used first to restore forfeited account balances of eligible rehired participants, then to pay for administrative expenses of the Plan, then to reduce the employer's matching and profit-sharing contributions, respectively.

(2) Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies used by the Plan in the preparation of the accompanying financial statements. Such policies are in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting: The Plan prepares financial statements using the accrual method of accounting whereby additions and deductions to net assets available for benefits, other than benefit payments, are recognized when earned or incurred, respectively. Benefit payments are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for a discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(3) Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter, however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan's information returns are subject to examination by the Department of Labor and the Internal Revenue Service generally for three years after they are filed.

(4) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(5) Forfeited Accounts

Forfeited balances were used to pay administrative expenses in the amount of \$5,880 for the year ended December 31, 2023. At December 31, 2023 and 2022, forfeited nonvested accounts available to reduce future employer contributions totaled \$0 and \$0, respectively.

(6) Administrative Fees

The Plan pays for administrative fees related to Trustee's fees, investment management fees, and individual benefit payment fees. Fees related to benefit payments are charged directly to the participant's account and are included in administrative expense. Other administrative fees are allocated to each participant's account on a pro rata basis.

(7) Party-In-Interest Transactions

During the year, the Plan incurred and paid \$72,458 to outside service providers for general administration, investment advisory, and record keeping services. Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employer association, or relatives of such persons. These transactions qualify as exempt party-in-interest transactions.

(8) Information Certified by Trustee

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedules that was prepared by the trustee and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

- Investments at fair value
- Investment income
- Schedule of assets (held at end of year)

(9) Fair Value Measurement

Under FASB ASC 820-10, three prioritized valuation inputs may be used to determine fair value at the measurement date: Level 1 – quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 – observable inputs other than the quoted prices included in Level 1; Level 3 – unobservable inputs. There have been no changes in valuation methodologies during the periods under audit, therefore no recognition of gain or loss is required for these financial statements.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets held for investment purposes at fair value as of December 31, 2023 and 2022.

Fair Value Measurements at Reporting Date				
December 31, 2023	Level 1	Level 2	Level 3	Fair Value
Money market funds	\$ 530,806	-	-	530,806
Mutual funds	10,975,630	-	-	10,975,630
	<u>\$ 11,506,436</u>	<u>-</u>	<u>-</u>	<u>11,506,436</u>

Investments measured at net asset value:

Common/collective trust fund	791,602
Total investments, at fair value	<u>\$ 12,298,038</u>

Fair Value Measurements at Reporting Date				
December 31, 2022	Level 1	Level 2	Level 3	Fair Value
Money market funds	\$ 513,882	-	-	513,882
Mutual funds	8,666,381	-	-	8,666,381
	<u>\$ 9,180,263</u>	<u>-</u>	<u>-</u>	<u>9,180,263</u>

Investments measured at net asset value:

Common/collective trust fund	1,217,285
Total investments, at fair value	<u>\$ 10,397,548</u>

Money market funds and mutual funds are deemed to be actively traded and valued at the daily closing price as reported by the fund.

The common/collective trust fund is valued at the daily net asset value (NAV) of units of the collective trust, as provided by the trustee. This fund is measured at fair value using the NAV per share practical expedient and has not been classified in the fair value hierarchy. The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits. Participant transactions may occur daily. There were no unfunded commitments or relevant redemption restrictions on such investments held by the Plan for the years ended December 31, 2023 and 2022. The investment strategies for this fund are not presented as the fund files as a direct filing entity.

Certain investments are measured at fair value using the NAV per share practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(10) Plan Termination

Although it has not indicated any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(11) Reconciliation of Financial Statements to Schedule H of Form 5500

There were no significant reconciling differences between the financial statements and Form 5500.

(12) Subsequent Events

The Plan has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.
