INDEPENDENT AUDITOR'S REPORT

October 10, 2024

To the Plan Administrator and Participants of the
DiMarco Group Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the DiMarco Group Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the DiMarco Group Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the DiMarco Group Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the DiMarco Group Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the DiMarco Group Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the DiMarco Group Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DIMARCO GROUP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the DiMarco Group Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Plan Amendments

Effective January 1, 2022, the Plan was amended and restated to bring the Plan into compliance with certain legislative and regulatory changes.

Effective June 1, 2022, the Plan was amended to change the Plan sponsor from Admar Supply Co., Inc. to The DiMarco Group, LLC.

General

The Plan is a qualified defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (IRC). The Plan covers substantially all of the employees of Admar Supply Co., Inc., The DiMarco Group, LLC, Admar PA, LLC, Admar PENN, LLC, Admar Ohio, LLC, Admar Holdings, Inc., DiMarco Constructors, LLC, J DiMarco Builders, Inc., 1950 Brighton Henrietta Town Line Road, DRO Greece LLC, DiMarco Staffing LLC, Baytown Liquor, LLC, and Baldwin Real Estate Corporation (collectively, the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The DiMarco Group, LLC, is the sponsor and administrator of the Plan. Modern Wealth Business (previously known as Enhanced Retirement Solutions) serves as the third-party administrator. Reliance Trust Company (Reliance) was the directed custodian of certain Plan assets (mutual funds) for the period January 1, 2022 to October, 28, 2022. Empower Retirement LLC (Empower) provides record-keeping services and was a custodian for certain of the Plan's assets (variable annuities) through October 28, 2022. For the year ended December 31, 2023 and for the period October 29, 2022 to December 31, 2022, Empower is the custodian for all of the Plan's assets (mutual funds and variable annuities). Three shareholders of Admar Supply Co., Inc. serve as trustees to the Plan.

During 2022, the Plan migrated record-keeping platforms from Massachusetts Mutual Life Insurance Company (MassMutual) to Empower.

Eligibility

Employees of the participating employers are eligible to participate in elective deferrals and the employer match provisions of the Plan upon the attainment of age 18. Participants are eligible to contribute to the Plan immediately upon the attainment of these eligibility requirements. Participants are eligible for profit-sharing contributions upon the first day of the quarter following attainment of age 18, completion of one year of eligibility service, and must be employed on the last day of the plan year. A year of eligibility service covers a 12-month period beginning on the employee hire date.

1. DESCRIPTION OF PLAN (Continued)

Contributions

Active participants may make voluntary contributions in the form of salary reductions. Participants are permitted to make elective deferrals in any amount up to 90% of compensation, not to exceed the maximum contribution limits established by the Internal Revenue Code (IRC). The Plan includes an automatic enrollment provision. Newly eligible employees who have not affirmatively opted out of enrollment or made an alternative deferral election in the Plan are automatically enrolled at 4% of their compensation. As long as a participant does not opt out of the automatic increase provision, the participant's elective deferral amount will automatically increase by 1% each year at the beginning of each plan year, up to a maximum of 10%.

The Plan includes a Qualified Automatic Contribution Arrangement (QACA) Safe Harbor Match. The matching formula is calculated based on 100% of the participant's first 1% of elective deferrals plus 50% of the next 5% of participant elective deferrals, not to exceed 6% of the participant elective deferrals matched. Participants will be fully vested in these matching contributions upon the completion of two years of service. QACA Safe Harbor Match contributions were \$1,027,940 and \$818,608 for the years ended December 31, 2023 and 2022, respectively.

The Company may also make discretionary profit-sharing contributions to the Plan on behalf of eligible participants. Such contributions shall be allocated to one group per participant, in an amount designated by the Company to be allocated to each group. The contribution shall be allocated to each group in a manner determined by the Company. The amount allocated to one group need not bear any relationship to amounts allocated to any other group. The Company shall notify the plan administrator and/or the trustees in writing of the amount of contributions allocated to each group. There were no profit-sharing contributions made during 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, QACA safe harbor matching contributions, discretionary profit-sharing contributions, and investment earnings or losses, and is reduced by benefit payments and administrative expenses. Company contributions, investment income and losses, and plan expenses are allocated to each participant's account based on compensation or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and actual earnings and losses thereon. QACA Safe Harbor Match contributions become fully vested after two years of service. Profit-sharing contributions vest 20% per year beginning upon completion of two years of service. Participants are fully vested in the profit-sharing contributions upon completion of six years of service.

Benefit Payments

Normal retirement age is 65, at which time participants are entitled to 100% of their account balance. On termination of service due to death, disability, retirement or termination of the Plan, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the account balance is less than \$5,000, the Plan may make an automatic rollover of the entire account balance if the participant does not make an affirmative election to take the distribution. If the account balance is greater than \$5,000, the participant may choose a lump-sum distribution, equal installments over various periods based on life expectancy, or partial withdrawal of any amount.

1. DESCRIPTION OF PLAN (Continued)

Benefit Payments (Continued)

Actively employed participants that have reached the age of 59 ½ may elect to receive in-service distributions. Hardship withdrawals are also permitted from the Plan for actively-employed participants. Distributions from the rollover source are permitted at any time.

Forfeitures

If an employee terminates their employment before their account has become fully vested, they will forfeit the unvested balance of their account and the forfeitures are used to reduce employer contributions. Any remaining forfeitures are used to offset plan expenses for the Plan year in which the forfeiture occurs. The Company used \$90,642 and \$182,908 of forfeitures to reduce employer match contributions and pay plan expenses in 2023 and 2022, respectively. Amounts forfeited by participants, including related investment earnings and fees totaled \$85,925 and \$139,348 in 2023 and 2022, respectively. Unapplied, forfeited accounts totaled \$26,096 and \$30,813 at December 31, 2023 and 2022, respectively.

Notes Receivable from Participants

While the Plan does not permit new loans, the outstanding loans from transferred plans continue to be amortized in accordance with the provisions of the transferred plan's documents. The notes are collateralized by the balance in the participant's account and bear interest at a rate as determined by the Plan Administrator.

Plan Termination

While the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments in mutual funds and variable annuities are reported at fair value as reported by Empower. Purchases, sales, and interest income are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments purchased and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

Benefit Payments

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Administrative Expenses

The Company pays certain administrative expenses of the Plan. Investment management and distribution fees are charged directly to the participants for the transactions.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

As of and for the year ended December 31, 2023, and as of December 31, 2022 and for the period October 29, 2022 to December 31, 2022, the following information was certified as complete and accurate by Empower, the custodian of the plan. For the period January 1, 2022 to October 28, 2022, the following information was certified as complete and accurate by Empower, the custodian of the Plan, and by Reliance as directed custodian of the Plan, and is included in the financial statements and accompanying supplemental schedule.

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 32,065,288	\$ -	\$ -	\$ 32,065,288

Total investments, at fair value	<u>\$ 32,065,288</u>	<u>\$ 7,085,478</u>	<u>\$ -</u>	<u>\$ 39,150,766</u>

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 27,310,009	\$ -	\$ -	\$ 27,310,009
Variable annuities	<u>-</u>	<u>5,805,981</u>	<u>-</u>	<u>5,805,981</u>
Total investments, at fair value	<u>\$ 27,310,009</u>	<u>\$ 5,805,981</u>	<u>\$ -</u>	<u>\$ 33,115,990</u>

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: valued at fair value based on quoted market prices in active markets.

Variable annuities: valued based on observable inputs. The initial pricing input is the quoted price obtained for the underlying mutual fund which is then adjusted to apply the expense factor disclosed in the annuity contract. The formula-calculated unit value is then compared to an accounting-driven unit value the following morning. The accounting unit value is determined in a manner similar to a mutual fund net asset value (NAV) calculation: dividing the net assets by the number of units outstanding.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan may invest in shares of variable annuities managed by Empower or MassMutual (the retirement business of MassMutual was acquired by Empower effective December 31, 2020). Empower acts as a custodian for these investments. As such, transactions between Empower or MassMutual and the Plan qualify as party-in-interest transactions. In addition, transactions involving notes receivable from participants also qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Plan obtained its latest opinion letter on August 19, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving that opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION TO FORM 5500

While total net assets available for benefits and the total change in net assets available agree between the financial statements and Form 5500 for 2023 and 2022, certain classifications differ between the financial statements and Form 5500.

8. SUBSEQUENT EVENTS

Effective July 1, 2024, the Plan was amended whereby new loans are permitted for plan participants. Participants are permitted to borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan transactions are limited to one loan outstanding at any given time. The loans are payable in their entirety upon the occurrence of a distributable event, as defined by the Plan, and bear interest at a rate of prime plus 2%.

Additionally, effective July 1, 2024, the Plan amended certain operational provisions, including appointing Empower Trust Company, LLC, as trustee of the Plan.

Subsequent events have been evaluated through October 10, 2024, which is the date the financial statements were available to be issued.

* During 2022, participant contributions were remitted untimely due to various payroll programming and system issues that arose as a result of a migration in recordkeeping platforms. All payrolls were funded as soon as administratively feasible once the technical issues were resolved. Subsequent to year-end, on January 15, 2024, late remittances pertaining to the 2022 Plan year were fully corrected under VFCP and PTE 2002-51.
