Plan Administrator
American Realty Capital 401(k) Retirement Plan
Jenkintown, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of American Realty Capital 401(k) Retirement Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2023 Financial Statements” section of our report. We are required to be independent of American Realty Capital 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Realty Capital 401(k) Retirement Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statement” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Realty Capital 401(k) Retirement Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Realty Capital 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control- related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of American Realty Capital 401(k) Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

General

The following brief description of the American Realty Capital 401(k) Retirement Plan the (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan, which was established on January 1, 2007, and restated on January 1, 2022, is a defined contribution plan under Section 401(k) of the Internal Revenue Code, which covers all eligible employees of American Realty Capital, LLC the (Employer) and certain controlled groups of employers and affiliated service groups the (Company). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Reliance Trust Company is the trustee and custodian of the Plan. Effective October 1, 2023, the Plan's trustee and custodian changed from Charles Schwab Trust Bank to Reliance Trust Company.

Change in Record Keeper

Effective October 1, 2023, ADP, LLC became the Plan's record keeper.

Eligibility

All employees of the Company who have completed six months of service and are age 21 or older, are eligible to join the Plan, except for collective bargaining, leased employees, and nonresident aliens. Employees of certain affiliated companies are credited with prior service.

Contributions

Contributions to the Plan are made by eligible employees and the Company. Contributions of compensation (as defined in the Plan document) may be made by the employees not to exceed the maximum amount allowable under the Internal Revenue Code in any calendar year. Participants who attained the age of 50 are eligible to make catch-up contributions.

The Company makes safe harbor matching contributions. The Plan's safe harbor matching contributions are equal to 100% of each participant's elective deferral up to 3% of participant's compensation, plus 50% of each participant's elective deferral for participant compensation between 3% and 5%.

The Company may also make discretionary non-elective profit-sharing contributions to the Plan. For the year ended December 31, 2023, the Company did not make any discretionary contributions.

The Plan also permits participants to rollover certain amounts received from another qualified retirement plan.

Participant Accounts

Individual participant accounts are credited with applicable participant contributions and related Company safe harbor contributions and allocations of (a) the Company's non-elective profit-sharing contributions and (b) plan earnings or losses. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is equal to the vested portion of the participant's account. Each participant may direct the investment of their contributions and the Company's matching contributions and profit-sharing contributions into one or more formal investment options offered by the Plan, including mutual funds and a common collective trust, or into various other investments including common stock, preferred stock, cash and cash equivalents, and exchange-traded funds available through a self-directed brokerage account.

American Realty Capital 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Notes Receivable from Participants

Participants in the Plan may be permitted to borrow a portion of their vested account balance. The loan program adopted is available on a uniform basis to all participants of the Plan who meet loan qualification requirements. The loans are collateralized by the balance in the participant's accounts and bear interest at the prime rate plus 1% as of the date of the loan. Loans shall be limited to a minimum of \$1,000 and a maximum of the lesser of one-half of the vested account balance or \$50,000. At December 31, 2023, the interest rates on the outstanding loans range from 4.25% to 9.50%.

Loans must generally be repaid within a period not to exceed five years. Loans used for the purchase of a principal residence must be repaid within a period not to exceed ten years. Principal and interest are paid through payroll deductions.

Vesting

The Plan provides that participants shall at all times be fully vested in funds that they contribute to the Plan and the Company's safe harbor matching contributions and earnings thereon. Non-elective contributions by the Company vest based on years of continuous service. A participant becomes 25% vested after one year of credited service and vests 25% per year thereafter. The participant is 100% vested after four years of credited service.

Forfeitures

A participant who terminates employment and is less than 100% vested forfeits the non-vested portion of his/her account. Forfeitures may first be used to pay reasonable plan expenses and then to reduce non-elective contributions. The Plan had no forfeitures as of December 31, 2023, and 2022.

Payment of Benefits

A participant's vested interest in his or her account balance is distributable generally upon termination, disability, retirement or death in the form of a lump sum distribution.

A hardship distribution is available pursuant to specific guidelines as set forth in the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires Plan's management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of the Plan income and expenses during the period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

American Realty Capital 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the note receivable from participant to be in default, the note receivable from participant balance is reduced, and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Administration

All non-investment administrative expenses of the Plan are paid by the Company.

Note 3. Certifications of Plan Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company and Charles Schwab Trust Bank, qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statement of net assets available for benefits as of December 31, 2023
- Investments as shown in the statement of net assets available for benefits as of December 31, 2022
- Investment income and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting guidance titled Fair Value Measurements and Disclosures, provide a framework for measuring fair value including a fair value hierarchy. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value of measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value fall into one of the three levels of the fair value hierarchy below and are defined as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts – These accounts may include mutual funds, common stock, preferred stock, cash and cash equivalents, and exchange-traded funds all of which are valued at the closing price reported in the active market in which securities are traded.

Common collective trust - Valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The common collective trusts do not have unfunded commitments relating to their respective investments, or any significant restrictions or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

American Realty Capital 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2023 and 2022

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Fair Value Measurements Using			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2023				
Mutual funds	\$ 14,622,745	\$ 14,622,745	\$ -	\$ -
Self-directed brokerage accounts	1,014,433	1,014,433	-	-
Total investments in the fair value hierarchy	15,637,178	<u>\$ 15,637,178</u>	<u>\$ -</u>	<u>\$ -</u>
Common collective trust, measured at net asset value (a)	6,556,686			
Total investments at fair value	<u>\$ 22,193,864</u>			
December 31, 2022				
Mutual funds	\$ 19,470,965	\$ 19,470,965	\$ -	\$ -
Self-directed brokerage accounts	1,107,747	1,107,747	-	-
Total investments in the fair value hierarchy	20,578,712	<u>\$ 20,578,712</u>	<u>\$ -</u>	<u>\$ -</u>
Common collective trust, measured at net asset value (a)	919,115			
Total investments at fair value	<u>\$ 21,497,827</u>			

- (a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5. Transfer of Plan Assets

On November 14, 2023, American Realty Capital, LLC approved an amendment to transfer certain employees under one affiliated service group to a different plan. All participants impacted became 100% vested in the Plan and were provided the option to have their account balance rolled into any qualified plan (including the affiliated service group plan) or IRA, or receive a lump-sum distribution. An aggregate of \$4,733,669 was transferred out of the Plan during the year ended December 31, 2023, and is included as a transfer on the statement of changes in net assets available for benefits.

Note 6. Plan Amendments

Effective November 14, 2023, the Plan was amended and restated ("Plan Amendment") and a new trustee, administrator, and custodian ("Trustee") of the Plan was appointed. Plan assets transferred to the new Trustee were transferred into funds comparable to those offered by the previous custodian. The conversion initiated a "Black Out" period beginning October 1, 2023, and continued through November 15, 2023. During this period, funds could not be applied to the employee-selected funds with the Trustee or withdrawn from the Plan until the Trustee had time to accurately complete the conversion. During this period, employee contributions continued to be made through payroll deductions and the contributions were held until the completion of the Black Out period. At the end of the Black Out period, these funds were transferred to the new Trustee and invested in funds as requested by each participant.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8. Income Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by ADP, LLC. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 9. Risks and Uncertainties

Participants of the Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Notes to the Financial Statements
December 31, 2023 and 2022

Note 10. Related-Party and Party In Interest Transactions

The Plan invests in certain funds managed by Schwab, the trustee of the Plan. Schwab also provides certain administrative services to the Plan. The Plan also paid \$3,106 for recordkeeping services for the year ended December 31, 2023.

These transactions qualify as party in interest transactions and are exempt under the prohibited transaction rules. The Company provides certain administrative services at no cost to the Plan.

Note 11. Voluntary Correction Program

The Company filed an application under the IRS' Voluntary Correction Program (VCP) to correct several operational failures identified. The application was approved in August 2017, and the Company made the corrections within the 150-day IRS approved timeframe.

Subsequent to filing the VCP application, the Company determined there were additional corrections of \$73,606 related to missed deferrals, which the Company intends to contribute on behalf of the participants. The amount is included in other employer contributions receivable on the statements of net assets available for benefits.

Note 12. Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date these financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

Note 13. Reconciliation of Financial Statements to Form 5500
