Independent Auditor's Report

Plan Administrator
M&R Printing Equipment, Inc. and Subsidiaries Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of M&R Printing Equipment, Inc. and Subsidiaries Profit Sharing and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Profit Sharing and 401(k) Plan**

Notes to Financial Statements

Note 1. Plan Description

The following brief description of the M&R Printing Equipment, Inc. and Subsidiaries Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of M&R Printing Equipment, Inc. and Subsidiaries (the Company) over the age of 20 ½ years, who have six months of continuous service. Bank of America, N.A., serves as trustee of the Plan. The Plan was recently amended on April 5, 2022, and had an effective date of April 1, 2022. The amendment updated the eligibility requirements by removing the age and service eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Employees may elect to contribute a percentage (not to exceed 80%) of their compensation to the Plan on a tax-deferred basis. The Company may make discretionary matching contributions as determined by the board on a year-to-year basis. Discretionary matching contributions totaled \$253,332 for the year ended December 31, 2023. Profit sharing contributions are made at the discretion of the Company and are distributed to those participants actively employed by the Company on the last day of the plan year based on their compensation, as defined. For the year ended December 31, 2023, there were no discretionary profit sharing contributions.

Rollovers: The Plan accepts rollovers from a qualified retirement plan of a prior employer with approval from the Plan Sponsor. Rollovers totaled \$285,657 for the year ended December 31, 2023.

Participant accounts: Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, and receives an allocation of the Company's discretionary contribution and plan earnings and is charged with an allocation of administrative expenses and plan investment losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Employees vest in the Company's matching and profit sharing contributions 20% each year starting after two years of service, becoming fully vested after six years of service.

Investment options: Upon enrollment in the Plan, a participant may direct employee and Company contributions in a variety of investment choices. Participants may change their investment options at any time.

Notes receivable from participants: Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one to five years or up to a longer reasonable period of time for the purchase of a primary residence. The loans are secured by the balance in the participant's account. All new loans bear interest at the prime rate plus 1.00%. At December 31, 2023 and 2022, the interest rates on outstanding loans ranged from 9.50% to 4.25%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits: Upon retirement, death, disability, or termination of service, participants (or the participants' beneficiaries) may elect to receive either a lump-sum payment or payment in substantially equal installments over a period not to extend beyond the participant's or beneficiary's life expectancy.

Notes to Financial Statements

Note 1. Plan Description (Continued)

Forfeitures: At December 31, 2023 and 2022, forfeited nonvested accounts totaled approximately \$3,600 and \$21,200, respectively. Forfeitures are first used to offset administrative expenses of the Plan. Any remaining forfeitures are then used to reduce employer contributions. In 2023, approximately \$29,000 worth of forfeitures were used to reduce employer contributions. For the year ended December 31, 2023, approximately \$10,550 of nonvested accounts were forfeited and approximately \$55 of forfeitures were transferred into the forfeiture account. In 2023, the forfeiture account appreciated by approximately \$800.

Note 2. Significant Accounting Policies

Basis of accounting: The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) and in accordance with the Financial Accounting Standards Board Accounting Standards Codification (ASC).

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits: Benefits are recorded when paid.

Excess participant contributions: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions adjusted for earnings.

Administrative expenses: Administrative expenses of the Plan are paid by the Plan as provided in the plan document.

Use of estimates: The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Note 3. Information Certified or Provided by Bank of America, N.A. (Trustee)

The following is a summary of the Plan's asset and income information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets and income:

	2023	2022
Units of common collective trust	\$ 5,643,047	\$ 5,724,695
Shares of registered investment companies	\$ 14,184,298	\$ 12,323,549
Notes receivable from participants	\$ 323,943	\$ 319,214
Noninterest-bearing cash	\$ 150	\$ 75
Net appreciation in fair value of investments	\$ 1,588,435	
Dividends and interest	\$ 655,156	
Interest income on notes receivable from participants	\$ 17,659	

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

M&R Printing Equipment, Inc. and Subsidiaries
Profit Sharing and 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Shares of registered investment companies: Valued at the daily closing price, as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Units of common collective trust: Valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate the fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 14,184,298	\$ -	\$ -	\$ 14,184,298
Total assets in the fair value hierarchy	\$ 14,184,298	\$ -	\$ -	14,184,298
Investments measured at NAV (a)				5,643,047
Investments at fair value				\$ 19,827,345
Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 12,323,549	\$ -	\$ -	\$ 12,323,549
Total assets in the fair value hierarchy	\$ 12,323,549	\$ -	\$ -	12,323,549
Investments measured at NAV (a)				5,724,695
Investments at fair value				\$ 18,048,244

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

M&R Printing Equipment, Inc. and Subsidiaries
Profit Sharing and 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth the fair value of investments in certain entities that calculate NAV per share (or its equivalent) as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitment		Redemption Frequency	Redemption Notice Period
	2023	2022	2023	2022		
Units of common collective trust	\$ 5,643,047	\$ 5,724,695	\$ -	\$ -	Daily	12 months

Changes in fair value levels: To assess that appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer to total net assets available for benefits. For the year ended December 31, 2023, there were no transfers in or out of Level 3.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in the employer contribution portion of their accounts. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such manner as the Company may determine.

Note 6. Related-Party Transactions

Certain plan investments are managed by Bank of America, N.A. and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan to Bank of America, N.A. were \$2,716 for the year ended December 31, 2023.

Certain employees of the Company provide administrative services to the Plan. These employees do not receive any compensation from the Plan for their services. Certain other administrative fees are paid by the Company.

Note 7. Tax Status

The Plan has adopted a nonstandardized form of a pre-approved plan sponsored by Merrill Lynch Pierce Fenner & Smith Inc. The pre-approved plan provider has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by the Plan. The Plan has been amended since the pre-approved plan received the opinion letter. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state, or local tax authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Refunds payable	45,311	-
Net assets available for benefits per Form 5500	<u>\$ 20,143,062</u>	<u>\$ 18,361,668</u>

The following is a reconciliation of the change in net assets available for benefits for the year ended December 31, 2023, per the financial statements to Form 5500:

Change in net assets available for benefits per the financial statements	\$ 1,698,722
Other income	12,740
Benefits paid directly to participants	(12,739)
Employee contribution receivable, prior year	39,960
Refunds payable	45,311
Administrative expenses	(2,600)
Change in net assets available for benefits per Form 5500	<u>\$ 1,781,394</u>

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

The Plan Administrator has evaluated subsequent events for recognition and/or disclosure through October 14, 2024, the date the financial statements were available to be issued.
