## INDEPENDENT AUDITOR'S REPORT

To the Committee of  
Century Aluminum Hawesville Retiree Health Care Reimbursement Trust:

### Opinion

We have audited the financial statements of the Century Aluminum Hawesville Retiree Health Care Reimbursement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Century Aluminum Hawesville Retiree Health Care Reimbursement Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Century Aluminum Hawesville Retiree Health Care Reimbursement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Century Aluminum Hawesville Retiree Health Care Reimbursement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Century Aluminum Hawesville Retiree Health Care Reimbursement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Century Aluminum Hawesville Retiree Health Care Reimbursement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# **Century Aluminum Hawesville Retiree Health Care Reimbursement Plan**

## **Notes to Financial Statements**

### **December 31, 2023 and 2022**

---

#### **1. DESCRIPTION OF THE PLAN**

The following description of the Century Aluminum Hawesville Retiree Health Care Reimbursement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

##### **General**

The Plan was established on October 23, 2012, to fund certain post-retirement healthcare benefits for retirees at the Hawesville, Kentucky plant of Century Aluminum of Kentucky GP (the “Employer”) whose benefits were negotiated under a collective bargaining agreement between the Employer and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO (the “Union”) (the “CBA”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

##### **Administration of the Plan**

The Plan is administered by a four member committee (the “Committee”) as set forth in the Century Aluminum Hawesville Retiree Health Care Reimbursement Trust Agreement (“Trust Agreement”).

##### **Benefits**

The Plan provides reimbursement for certain post-retirement healthcare benefits (such as medical, prescription drug, dental, vision and other permissible health care benefits) to eligible participants and covered dependents. Participation in the Plan ends when the participant’s account balance equals \$0.

##### **Funding**

The Plan is funded by Employer contributions which are determined subject to the provisions of the collectively bargained agreement between the Employer and the Union as well as earnings on investments. Employer contributions and investments are held in a Master Trust created by Washington Trust Bank and managed by Gallagher Benefit Services, Inc. which is used to facilitate the allocation of contributions and payment of Plan benefits and expenses.

##### **Participant Accounts**

Each participant’s account is credited with the employer’s contributions, as well as an allocation of Plan earnings. Participants have the option to direct their account balances toward a variety of funds in the Master Trust. Participant accounts are charged with benefits paid. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

##### **Vesting**

Participant accounts are fully vested for the lifetime of the eligible employee or eligible retiree and during the lifetime of beneficiaries who continue to satisfy the requirements to be treated as a beneficiary in the Plan documents.

##### **Forfeitures**

A deceased participant’s account balance will be forfeited one year following the participant’s date of death if (1) the participant did not have a Beneficiary Form on file with the Plan designating an eligible beneficiary, and (2) an eligible beneficiary does not contact the Plan within one year from the participant’s date of death. Forfeited account balances will be allocated on a per capita basis to the remaining participant accounts. There were no forfeitures during the years ended December 31, 2023 and 2022.

**Administrative Expenses**

The Employer funds the administrative costs of the Plan. For the years ended December 31, 2023 and 2022, \$144,289 and \$139,007, respectively, of Employer contributions were for the purpose of paying administrative costs in accordance with the CBA.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements have been prepared using the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

**Valuation of Investments and Income Recognition**

Investments are presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recognized as of the ex-dividend date.

In accordance with the policy of stating investments at fair value, net appreciation or depreciation (realized and unrealized gains and losses) is reported for investments bought and sold, as well as held on the statements of changes in net assets available for benefits in the year in which it occurs.

**Employer Contributions Receivable**

Employer contributions receivable are recorded based upon subsequent receipts and an analysis of remittance reports. Management believes no provision for uncollectible amounts is necessary.

**Recognition of Benefits**

Benefits are recognized when paid.

**Investment Expenses**

Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

**Subsequent Events**

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2023, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 11, 2024, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

**3. TAX STATUS**

The Internal Revenue Service ("IRS") has determined and informed the Committee by a letter dated November 20, 2014, that the Trust, as then designed, was in accordance with applicable sections of the Internal Revenue Code ("IRC"). The assets of the Plan are held in a trust that, as then designed, satisfied and operated in accordance with the requirements that would permit the Trust to constitute a voluntary employees' beneficiary association, exempt from federal income tax under section 501(c)(9) of the IRC. The Trust was amended and restated effective December 1, 2022, to reflect the necessary changes related to the appointment of Gallagher HealthInvest HRA as Third-Party Administrator and Washington Trust Bank as Custodian of Assets. The administrators of, and legal counsel for, the Plan are unaware of any defect in design or operations of the Plan or its related Trust that would preclude the Trust from being treated as exempt from federal income tax under section 501(c)(9) of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability if the entity has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has evaluated the tax positions taken by the Plan and concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Plan is subject to routine audits by taxing and regulatory jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

**4. PRIORITIES UPON TERMINATION**

It is the present intention of the Committee to continue the Plan indefinitely. In the event of termination of the Plan, the assets shall be paid out at the direction of the Committee in the following order of priority: (a) the payment of reasonable and necessary administrative expenses (including taxes); (b) the payment of benefits to participants and beneficiaries entitled to payments for claims arising prior to such termination; (c) at the discretion of the Committee, used in accordance with section 501(c)(9) of the IRC and ERISA, for the benefit of such group of participants in such fashion as the Committee determines; and (d) for charitable purposes. The Committee shall not have any beneficial interest in the Plan and no assets will be returned to the Employer.

**5. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

*Level 2* - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Century Aluminum Hawesville Retiree Health Care Reimbursement Plan**  
**Notes to Financial Statements**  
**December 31, 2023 and 2022**

---

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodology used at December 31, 2023 and 2022. Investments are presented at fair value, which is determined as follows:

*Registered investment companies* consist of mutual funds which are valued based on quoted market prices.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the years ended December 31, 2023 and 2022, there were no transfers into or out of Level 3.

As of December 31, 2023 and 2022, assets measured at fair value on a recurring basis are summarized by level within the fair value hierarchy as follows:

|                                 | <b>2023</b>          |                |                |                         |

## **6. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
