Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of ***Innovative Consulting & Management Services, LLC 401(k) Plan***, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ***Innovative Consulting & Management Services, LLC 401(k) Plan's*** 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of ***Innovative Consulting & Management Services, LLC 401(k) Plan*** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Innovative Consulting & Management Services, LLC 401(k) Plan's*** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

**Innovative Consulting & Management Services, LLC 401(k) Plan
Independent Auditors' Report
Page 3**

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Innovative Consulting & Management Services, LLC 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Innovative Consulting & Management Services, LLC 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

**Innovative Consulting & Management Services, LLC 401(k) Plan
Independent Auditors' Report

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

The financial statements of Innovative Consulting & Management Services, LLC 401(k) Plan, an employee benefit plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated May 2, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Innovative Consulting & Management Services, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution and profit-sharing plan covering substantially all full-time employees, excluding union employees of Innovative Consulting & Management Services, LLC (the Plan Sponsor or the Company). Employees can enter the Plan after completing two months of service with entry dates every first day of each quarter of the year, and must be at least 21 years old. The Plan was originally effective January 1, 2016 and was restated effective January 1, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

The Plan is administered by the Employer and the assets of the Plan are held and invested by John Hancock Life Insurance Company (the Custodian). The Board of Trustees is responsible for oversight of the Plan, determining the appropriateness of the Plan's investments and monitoring investment performance.

Contributions

Participants may elect to make any combination of the pre-tax deferral and Roth deferral contributions through salary reduction up to 90% of their compensation as defined by the Plan, subject to the limitations of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollovers). The Plan provides for a safe harbor non-elective employer contribution equal to 3% of Plan compensation to all participants. The Employer may also make discretionary employer match contributions up to 4% of Plan compensation, subject to the provisions of the Plan. On an annual basis, the Employer may contribute a discretionary profit-sharing contribution to eligible participants. The discretionary profit-sharing contribution allocation is based on the ratio that each eligible participant's compensation bears to the total of such compensation of all eligible participants. For the year ended December 31, 2023, \$363,790 was contributed as a safe harbor non-elective employer match contributions and \$50,000 was contributed as profit-sharing contributions. There were no discretionary employer contributions during the year ended December 31, 2023.

**Innovative Consulting & Management Services, LLC 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2023 and 2022**

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Participants direct the investment of their contributions and the Employer contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options for the participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, the earnings/losses on the participant's account, the Employer matching contribution, and the allocations of the Employer's discretionary profit-sharing contribution, if any. Participant accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participant loans are not permitted.

Vesting

Participants are immediately vested in their contributions (including rollover contributions) plus actual earnings thereon. A participant's account attributable to the safe harbor non-elective employer contributions becomes 100% vested immediately. Vesting in the Company's discretionary employer match and profit-sharing portion of their accounts, plus actual earnings thereon, is based on years of continuous service. The participants become vested based on continuous service in 20% increments starting upon completion of two years of service and become 100% vested upon completion of their sixth year of service.

Payment of Benefits

Participants or their beneficiaries are entitled to receive a distribution of their vested accounts in the Plan upon termination of their employment, their retirement, death, or disability. The participant may elect to receive either a lump-sum amount equal to the value of the participant's account balance or receive partial withdrawals. For termination of service due to other reasons, a participant may receive the value of his or account as a lump-sum distribution. A terminated participant's account balance of less than \$5,000 does not require the participant's consent and is automatically rolled over to an IRA selected by the Plan Administrator.

In-service distributions without penalty are allowed if the participant has attained age 59 1/2. Upon financial hardship, a participant is entitled to the value of his or her fully vested accounts, which is payable immediately in a lump-sum distribution. The Plan, in line with the IRS rules, also requires the participants to receive Required Minimum Distributions once they are 72 years old.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

Amounts allocated to participants who have withdrawn from the Plan but have not received a payout of benefits amounted to \$160,134 at December 31, 2023.

Forfeitures

Forfeitures of non-vested Employer contributions are used to offset Plan expenses, reduce employer contributions or be reallocated as employer contribution. The Plan's forfeiture account was \$0 as of December 31, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and the Custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation included in the fair value of investments includes the Plan's gains or losses on the investments bought and sold as well as held during the year.

Payment of Benefits

Benefits payments to participants are recorded when paid.

**Innovative Consulting & Management Services, LLC 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2023 and 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Operating Expenses

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Selected administrative expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Certain other expenses, such as recordkeeping fees, are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Fees related to the administration of participant loans and payments of benefits are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Statements of Net Assets Available for Benefits at December 31, 2023 and 2022, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023 and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Custodian, John Hancock Life Insurance Company, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information includes total investments of \$2,621,526 and \$1,930,265 at December 31, 2023 and 2022, respectively, and related net investment income of \$401,803 for the year ended December 31, 2023.

NOTE 4 - FAIR VALUE MEASUREMENTS

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation or depreciation in fair value of investments.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The three levels of the fair value hierarchy under reporting and accounting standards are described as follows:

Innovative Consulting & Management Services, LLC 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2023 and 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 1: Fair values are based on unadjusted quoted prices for identical assets or liabilities in active markets. Active markets are defined as a market in which transactions take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: Fair values are based on inputs other than quoted price included within level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Level 2 inputs include quoted price for similar assets or liabilities in active or non-active markets, inputs other than quoted market prices that are observable and inputs that are derived principally from or corroborated by observable market data through correlation or other means.

Level 3: Fair values are based on price or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These valuations, whether derived internally or obtained from a third party, use critical assumptions that are not widely available to estimate market participant expectations in valuing the asset or liability.

Following is a description of the valuation methodologies used for the assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Pooled Separate Accounts: The pooled separate accounts (PSAs) invest mainly in domestic stocks, the majority of which have observable Level 1 inputs. While the underlying asset values are quoted prices, the net asset value ("NAV") of a separate account is not publicly quoted. Accounting Standard Codification (ASC) 820 allows NAV per share to serve as an estimate of fair value as long as certain requirements are met, and it is the Plan Custodian's assessment that these conditions have been met. These PSAs can be redeemed at NAV.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Fair Value of Investments in Entities that Use Net Asset Value

The following tables summarize investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2022	Fair Value

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by affiliates of the Custodian. Therefore, these transactions qualify as party-in-interest transactions. Investment and administrative expenses paid by the Plan to the Custodian or its affiliates totaled \$29,915 for the year ended December 31, 2023. Certain employees of the Employer who participate in the Plan perform administrative services to the Plan at no cost to the Plan.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 - FEDERAL INCOME TAX STATUS

The Plan has adopted a volume submitter profit sharing plan. The Internal Revenue Service (IRS) has issued an opinion letter, dated June 30, 2020, which stipulates that an employer who adopts this volume submitter plan will be considered to have a plan qualified under Section 401(a) of the Code provided all terms of the Plan are followed. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in compliance with the qualified volume submitter plan. Therefore, the Plan was qualified and the related trust is tax exempt.

NOTE 7 - FEDERAL INCOME TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan did not have any uncertain tax positions as of December 31, 2023 and 2022. The Plan is subject to routine audits by taxing jurisdictions; however, management has stated that there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for investments in a variety of investment alternatives offered by the Plan. In general, such investments are exposed to various risks, including interest rate, market volatility, and credit risks. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the values of the Plan investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - CONCENTRATION OF INVESTMENTS

The following investments accounted for 10% or more of the Plan’s total investments as of December 31, 2023 and 2022:

	<u>December 31, 2023</u>	<u>December 31, 2022</u>
TIAA-CREF Lifecycle Index 2040	29%	27%
TIAA-CREF Lifecycle Index 2035	7%	18%
TIAA-CREF Lifecycle Index 2045	13%	12%
TIAA-CREF Lifecycle Index 2050	11%	8%

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available to be issued. There were no events or transactions requiring recognition or disclosure in the notes to the financial statements.
