INDEPENDENT AUDITOR'S REPORT

Board of Trustees
San Antonio Academy Defined
Contribution Retirement Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of San Antonio Academy Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial

Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes on page 12 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

Note 1 DESCRIPTION OF PLAN

The following description of San Antonio Academy Defined Contribution Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) defined contribution retirement plan that is intended to be used by tax-exempt organizations described in Internal Revenue Code Section 501(c)(3). The Plan covers all employees of the San Antonio Academy (the Organization). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Teachers Insurance and Annuity Association of America and College Retirement Equities Fund (TIAA-CREF) served as the trustee of the Plan through December 31, 2021. Effective September 1, 2022, management of the Organization elected to transfer all eligible plan assets from TIAA-CREF to Empower Annuity Insurance Company of America (Empower). As of January 1, 2022, the trustees of the Plan were TIAA-CREF and Empower. Accounts held with TIAA-CREF primarily include the accounts of inactive participants who have elected to maintain their funds with this trustee.

Contributions

Each year participants may elect to contribute up to the maximum permissible amount for any limitation year in accordance with IRS regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. After a participant reaches 2 years of service, the Organization contributes 7% to the individual account each year of the Plan. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Organization's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant wages or earnings on investments held in each individual participant-directed account. The benefit to which a participant is entitled is the benefit that can be provided from the vested balance in the participant's account.

Vesting

Participants are vested immediately in their contributions, the Organization's contributions, and the actual earnings thereon.

Payment of Benefits

Upon termination of service, a participant may elect to receive distributions, such as lump-sum payments, installment payments, or annuity payments. The participant's individual investment elections may further restrict distribution options. Hardship withdrawals are also available in situations defined by the Plan document.

Forfeited Accounts

All participants vest immediately in all types of contributions and earnings within the Plan. No vested accounts can undergo forfeiture.

Note 1 DESCRIPTION OF PLAN (continued)

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Non-benefit responsive investment contracts held by a 403(b) defined contribution retirement plan are required to be reported at fair value. Benefit responsive investment contracts are required to be presented at contract value. At December 31, 2023 and 2022, fair value for both of these investment classes approximates contract value.

Recording of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund, which represents the net asset value of the shares held by the fund at year-end. Investments in insurance company pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents approximate fair value. The fair value of the guaranteed annuity contracts equals the accumulated cash contributions and interest credited less participant withdrawals and administrative expenses.

Note 3 PARTY-IN-INTEREST TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. There were no prohibited transactions between the Plan and these parties for the years ended December 31, 2023 and 2022.

Note 4 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 5 INFORMATION CERTIFIED BY TIAA-CREF AND EMPOWER

The following is a summary for the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustees and furnished to the plan administrator. The plan administrator has obtained certifications from the trustees that the information provided to the plan administrator by the trustees related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to the following assets:

	<u>2023</u>	<u>2022</u>
Investments	\$ <u>9,111,047</u>	\$ <u>7,894,310</u>

TIAA-CREF and Empower, the trustees of the Plan, also certified to the completeness and accuracy of \$949,754 of net appreciation in fair value of investments and \$127,402 of interest and dividends related to the aforementioned assets for the year ended December 31, 2023.

Note 6 GUARANTEED (FIXED) ANNUITY CONTRACTS

TIAA-CREF

The Plan offers an investment option in a fixed annuity contract that is fully and unconditionally guaranteed by TIAA-CREF, a New York domiciled nonprofit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest, and the potential for additional interest if declared by TIAA. Investments in the TIAA Traditional Annuity are secured by the general assets of TIAA and backed by the claims-paying ability of TIAA.

As described in Note 2, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to benefit responsive and non-benefit responsive investment contracts. Contract value, as reported to the Plan by TIAA-CREF, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Liquidity restrictions apply such that transfers and distributions must be made over a period of up to ten annual installments.

As an insurance company, TIAA is required to maintain contingency reserves to ensure it will be able to fulfill its contractual obligations to policyholders. The crediting interest rate is supported by the investment performance of a large, diversified portfolio, is correlated with the highest quality debt security yields, and is adjusted for contract liquidity and may not be less than 3%. The crediting rate is determined, in part, by the net investment earnings rate of TIAA assets less a charge for administrative expenses and an amount set aside for contingency reserves. The average crediting rate for both 2023 and 2022 was in excess of the 3% minimum.

TIAA issues various types of contracts as funding vehicles for retirement plans. Certain contract types contain liquidity restrictions on the redemption of TIAA Traditional Annuity accumulations, which could impact the value realized upon exiting the contract.

DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 6 GUARANTEED (FIXED) ANNUITY CONTRACTS (continued)

Empower

The Plan held a fully benefit-responsive group annuity contract, the Empower Investments Fixed Account - Series Class II, with Empower Annuity Insurance Company of America. The Empower Investments Fixed Account - Series Class II is a general account product of Empower Annuity Insurance Company of America. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate and prevailing market conditions. The interest crediting rate is reset quarterly. As described in Note 2, contract value is the relevant measurement attribute for this fund, which approximates fair value. Certain events limit the ability of the Plan to transact at contract value with Empower Annuity Insurance Company of America. Such events include premature termination of the contracts by the Plan, layoffs, Plan termination, bankruptcy, mergers and early retirement incentives. The Plan does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable. There are no reserves against contract value for credit risk of Empower Annuity Insurance Company of America or otherwise.

Note 7 FAIR VALUE MEASUREMENTS

The requirements of *Fair Value Measurements and Disclosures* of the Accounting Standards Codification apply to all financial instruments (as of December 31, 2023 and 2022) and all nonfinancial assets and nonfinancial liabilities (as of December 31, 2023 and 2022) that are being measured and reported on a fair value basis. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. *Fair Value Measurements and Disclosures* also establishes a fair value hierarchy that prioritizes the inputs used in valuation methodologies into the following three levels:

- Level 1 Inputs — Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs — Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Inputs — Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or other valuation techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The Plan's investments, measured at fair value by the three levels described above, at December 31, 2023 and 2022 were as follows:

	2023				
	Level 1	Level 2	Level 3	Other	Total Fair Value
Mutual funds	\$ 6,773,200	\$ -	\$ -	\$ -	\$ 6,773,200

Total	\$ 5,867,345	\$ 70,136	\$ 1,045,639	\$ 911,190	\$	7,894,310

* The Pooled separate account (“real estate”) represents investment in an asset mix that seeks to generate favorable long-term returns primarily through rental income and appreciation of real estate and real estate-related investments owned by the fund. The fund will also invest in non-real estate-related publicly traded securities and short-term higher quality liquid investments that easily convert to cash to enable the fund to meet participant redemption requests, purchase or improve properties, or cover expense needs.

The following is a summary of the activity of investments classified as Level 3 for the years ended December 31, 2023 and 2022:

	2023	2022
Beginning fair value	\$ 1,045,639	\$ 1,134,037
Investment income	47,711	43,963
Transfers	(70,417)	(56,340)
Benefits paid to participants	(7,298)	(76,021)
Ending fair value	\$ 1,015,635	\$ 1,045,639

The following table represents the Plan’s Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs as of December 31:

2023				
Asset	Fair Value	Valuation Technique	Unobservable Inputs	Range (weighted average)

Note 8 TAX STATUS

The Internal Revenue Service has determined and informed the third-party administrator that the prototype plan used by the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Organization to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As of December 31, 2023, the tax years that remain subject to examination by taxing authorities begin with 2020.

Note 9 PLAN TERMINATION

Although it has not expressed an intent to do so, the Organization has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA.

Note 10 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2024, which is the date the financial statements were available to be issued.
