**Part I Service Provider Information (continued)**

**3.** If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditors' Report

To the Plan Administrator and Participants of  
Derecktor Shipyard Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Derecktor Shipyard Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Independent Auditors' Report (continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## Independent Auditors' Report (continued)

### Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Independent Auditors' Report (continued)

### Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Derecktor Shipyard Retirement Plan

## Notes to Financial Statements

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

### **1. Description of Plan**

The following is a brief description of the Derecktor Shipyard Retirement Plan (the Plan) and provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan was established on January 1, 1994 as a defined contribution plan to provide benefits to eligible employees of Robert E. Derecktor, Inc.; Derecktor Florida, Inc. formerly known as Derecktor-Gunnel, Inc.; and Derecktor Ft. Pierce, LLC. To be eligible, an employee must be a non-union employee, 18 years of age or older, and have completed 6 months of service, as defined in the Plan. Once these requirements have been satisfied, the employee will be immediately eligible to participate in the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Employee Contributions**

Each year participants may contribute up to 100% of their annual gross earnings on a pre- or post-tax (Roth) basis, subject to a certain dollar limit which is set by law ("elective deferral limit"). Participants are automatically enrolled to defer 6% of their annual gross earnings on a pre-tax basis with an automatic 1% increase on the first day of each calendar year up to a maximum 10%. Participants have the option to choose a different percentage or choose not to make deferral contributions. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover all or a portion of a distribution from another qualified defined benefit or defined contribution plan to this Plan (rollover contributions). Participant contributions were \$501,687 for the year ended December 31, 2023.

#### **Employer Contributions**

The Company may provide a discretionary matching contribution equal to a percentage of the participant's elective deferral contribution calculated each payroll period. During the 2023 plan year the Company's matching contribution was \$.50 for every \$1.00 contributed by an employee to a maximum of 6% of the employee's covered compensation. The employer matching contribution was \$161,058 for the year ended December 31, 2023. The Company may provide a qualified matching contribution to the Plan to satisfy special nondiscrimination rules that apply to the Plan. In addition, the Company may provide for a discretionary annual profit-sharing contribution, as defined in the Plan. No discretionary contributions were made for the year ended December 31, 2023.

**Derecktor Shipyard Retirement Plan**  
**Notes to Financial Statements (continued)**

**1. Description of Plan (continued)**

**Participant Accounts**

Each participant's account is credited with the participant's and the Company's contributions and plan earnings. The Plan allows for participants to direct 100% of their account balance in the investment options available in the Plan. Allocations of earnings or losses on investments are based on account balances, as defined in the Plan agreement.

**Vesting**

Participants are immediately vested in their contributions and rollover contributions, plus actual earnings thereon. Vesting in employer matching contributions, profit sharing contributions, qualified matching contributions, and the earnings thereon is based on years of continuous service over the course of five years. However, if an active participant dies, incurs a disability, reaches normal retirement age, reaches early retirement age, the plan is terminated, or contributions to the plan are discontinued, the participant vesting percentage shall be 100%.

Employer's contributions to the Plan are vested as follows:

| <b>Number of Years of Service</b> | <b>Vested Percentage</b> |
|-----------------------------------|--------------------------|
| Less than 1                       | 0%                       |
| 1                                 | 20%                      |
| 2                                 | 40%                      |
| 3                                 | 60%                      |
| 4                                 | 80%                      |
| 5                                 | 100%                     |

**Forfeitures**

The Plan provides that forfeitures, the non-vested portion of the Company's contributions for terminated participants, may be used first to pay plan expenses, then to offset the Company's contributions. The balance of the forfeiture account was \$0 and \$3,252 at December 31, 2023 and 2022, respectively. There were no forfeitures applied to employer contributions and \$8,807 used to offset recordkeeping expenses for the year ended December 31, 2023.

**Payment of Benefits**

Upon termination of service, retirement, death, or disability, a participant may elect to rollover their distribution to an eligible retirement plan, use their distribution to purchase an annuity, or receive 100% of their vested contribution. Those participants with vested account balances greater than \$5,000 have the additional option of deferring receipt of their vested account balance and becoming an inactive participant of the Plan upon termination or retirement.

## Notes to Financial Statements (continued)

### 1. Description of Plan (continued)

#### Withdrawals

The Plan permits in-service, hardship, and age 59 1/2 withdrawals. Hardship withdrawals may be made in the event the participant demonstrates financial need in accordance with the guidelines set by the Plan and has exhausted all other distributions and nontaxable loans available under the Plan. Participants who have taken a hardship distribution are not eligible to make deferrals into the Plan for the six months following the distribution. Hardship distributions are subject to a 10% penalty tax if the participant is under the age of 59 1/2. Participants who are 59 1/2 or older may request withdrawal of all or part of their before tax contributions and related earnings.

#### Participant Loans

Participants may borrow from their fund accounts. The minimum amount of any loan is \$1,000. The borrowings are payable, with interest, in installments over a specified period not to exceed five years, except for certain residential loans.

The maximum amount that can be borrowed is 50% of the participant's entire vested interest, with the outstanding loan balance never exceeding \$50,000. The loans are secured by the balance in the participants' vested accounts.

#### Administrative Expenses

Administrative expenses are paid by the Participants of the Plan. Plan expenses paid by the participants for the year ended December 31, 2023 were \$14,224, which included advisory and recordkeeping fees. In addition, certain Plan related expenses are paid outside of the Plan by the Company, including accounting and professional fees.

### 2. Summary of Significant Accounting Policies

#### Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Derecktor Shipyard Retirement Plan  
Notes to Financial Statements (continued)

**2. Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value determined by the custodian on the quoted market prices of the units as of the last business day of the Plan. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains or losses on investment sales are determined on the basis of average cost. The Plan presents in the statement of changes in net assets available for benefits, the net appreciation/(depreciation) at fair value of its investments, which consists of realized gains or losses and the unrealized appreciation/(depreciation) of those investments.

Investments in unallocated contracts with insurance companies are stated at contract value. Contract value is the relevant measurement attribute because contract value is the amount participants would receive if they initiated permitted transactions under the terms of the Plan.

**Interest**

Loans bear interest at rates between 4.25% and 9.50% at December 31, 2023 and 2022. Interest is recorded on the accrual basis, based on level amortization with loan terms not exceeding five years.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Funding Policy**

The Plan's funding policy is to make weekly contributions of participant elective deferrals and company matching contributions. On an annual basis, the Company may make a discretionary profit-sharing contribution to the Plan, and a qualified matching contribution to satisfy special nondiscrimination rules if applicable.

**3. Fair Value Measurements**

The Financial Accounting Standards Board (FASB) Accounting Standards Codification Section No. 820 (ASC 820) "*Fair Value Measurements and Disclosures*" provides the framework for measuring fair value. That framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

**Derecktor Shipyard Retirement Plan**  
**Notes to Financial Statements (continued)**

**3. Fair Value Measurements (continued)**

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.                                                                                                                                                                                                                                                                                                                          |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"> <li>• Quoted prices for similar assets or liabilities in active markets.</li> <li>• Quoted prices for identical or similar assets or liabilities in inactive markets.</li> <li>• Inputs other than quoted prices that are observable for the asset or liability.</li> <li>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li> </ul> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                      |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC under the 1940 act. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

**4. Investment Contract with Insurance Company**

**Common/Collective Investment Trust**

At December 31, 2023 and 2022, the Plan held Metlife GAC series 25053 Class 0 investment (Contract 25053), a stable value collective investment trust valued at \$446,132 and \$711,012, respectively, issued by Metropolitan Life Insurance Company (MetLife) to Reliance Trust Company. MetLife maintains the contributions in Contract 25053. Contract 25053 invests in three underlying separate accounts owned by MetLife to provide competitive total returns relative to specific U.S. bond indexes. The contract is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reset on a quarterly basis as determined by MetLife. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MetLife, represents contributions made under the contract, plus earnings, less participant-initiated withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events (i.e. divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under ERISA, or (4) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

### **5. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, participants will become 100% vested in their accounts.

### **6. Tax Status**

The Plan has adopted a prototype “nonstandardized” plan, and the prototype sponsor has received a determination letter from the Internal Revenue Service dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not will not be sustained upon examination by the Internal Revenue Service. The Plan Administrator believes that there are no uncertain tax positions that would have a material impact on the financial statements of the Plan. Therefore, no provision for income taxes has been provided in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan Administrator believes it is no longer subject to income tax examinations for years ending prior to December 31, 2020.

### **7. Party-in-Interest and Related Party Transactions**

Certain Plan investments for the year were managed by Vanguard and administered through Ascensus, a subcontractor. Vanguard is the recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are deducted from income earned by the respective accounts.

Participant loans are also party-in-interest transactions.

### **8. Terminated Participants Not Yet Paid**

At December 31, 2023, the amount allocated to participants who have terminated employment but not yet paid was \$1,093,932, of which \$1,074,100 was fully vested.

### **9. Information Prepared and Certified by Trustee**

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Ascensus, Inc., as agent for Ascensus Trust Company, the trustee of the plan as of December 31, 2023 and 2022.

**10. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**11. ERISA Fidelity Bond**

ERISA requires that each person who handles plan funds and other property must be covered by a fidelity bond to protect the plan from losses due to fraud or dishonesty. Generally, each person must be bonded in an amount equal to at least 10 percent of the amount of the funds managed or handled at the beginning of the Plan's reporting year. The bond amount cannot, however, be less than \$1,000 or more than \$500,000. During the plan year, the Plan maintained fidelity bond coverage through Travelers Casualty and Surety Company of America for \$500,000.

**12. Subsequent Events**

Accounting principles generally accepted in the United States of America require that a review for subsequent events be performed. This includes determining: (a) the period after the balance sheet date to evaluate, (b) circumstances that would be considered a subsequent event and (c) disclosure requirements. Management has evaluated subsequent events through October 14, 2024, which is the date the financial statements were available to be issued.

| Part I | Asset and Liability Statement |
|--------|-------------------------------|

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
