To the Plan Administrator of
Cryogenic Industries 401(k) Plan

We have audited the financial statements of Cryogenic Industries 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023 and have issued our report thereon dated October 15, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Ascensus Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated May 9, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the period for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of the plan merger in Note 1.

The financial statement disclosures are neutral, consistent and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit (refer to reconciliation in Note 5 to the financial statements).

Difficulties Encountered in Performing the Audit

The completion of our audit was delayed due to the length of time it took to resolve certain matters relating to the trustee's certification. We began corresponding with you and the trustee regarding these matters on August 29, 2024, but they were not satisfactorily resolved until October 10, 2024.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

We proposed adjustments to convert the financial statements from the cash to the accrual basis and to reclassify certain balances to conform to their presentation in the Form 5500. We also proposed an adjustment to eliminate assets transferred into the Plan pursuant to a plan merger effective December 30, 2022 which were reflected in the 2023 trust statement but which had already been reported as transferred into the Plan in the 2022 financial statements. All adjustments have been agreed to and incorporated into the Plan's financial statements.

The audit of the Plan did not result in the identification of any uncorrected misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Cryogenic Industries 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Cryogenic Industries 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by a qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to

auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRYOGENIC INDUSTRIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Cryogenic Industries 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document and adoption agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established effective January 1, 2016 and amended and restated effective April 16, 2021. Employees of Cryogenic Industries, Inc. or related employers (collectively, the "Company") who meet specified age and other requirements are eligible to participate in the Plan.

Effective July 14, 2022, the Plan was amended to incorporate certain provisions of the Coronavirus Aid, Relief and Economic Security Act surrounding participant loans and distributions. These provisions were adopted by the Plan in 2020 and did not have a significant impact on the Plan during the years ended December 31, 2023 and 2022.

Also effective July 14, 2022, the Plan was amended to incorporate provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019, which impact required minimum distributions and permit participation of long-term part-time employees in the Plan (as applicable), among other provisions.

Effective January 1, 2024, the trustee of the Plan changed from Ascensus Trust Company to ADP.

Plan Merger - On December 30, 2022, the remaining net assets of the Nikkiso America Profit Sharing Plan, which amounted to \$3,486,654, were transferred and merged into the Plan. Since December 30, 2022 was the last business day of the calendar year, there was no other activity related to these merged assets for the year ended December 31, 2022. These assets were classified as cash and cash equivalents at December 31, 2022 since they were not yet allocated to specific investment options.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of increases and decreases in assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Contributions - Eligible employees may contribute a portion of their compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code ("IRC"). Eligible participants automatically defer 3% of their compensation to the Plan unless they make an election otherwise. The Company may elect to match a portion of employees' contributions.

The Company made matching contributions of 100% of the first 3% of salary deferrals for the years ended December 31, 2023 and 2022. These contributions were computed and made each pay period.

At December 31, 2022, cash and cash equivalents also include employee and employer contributions that, similar to the merged assets, were deposited into the Plan in late December 2022 but not yet allocated to specific investment options.

Employee Rollovers - Employee rollovers represent nonforfeitable contributions from other qualified plans.

Investment Valuation and Income Recognition - Investments are carried at fair value. The Plan presents net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation (depreciation) of these investments, in the statements of changes in assets available for benefits. Gains and losses on securities sold or redeemed are determined on the basis of specific identification. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of the Company's matching contributions, as applicable. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The accounts for all participants' contributions are fully vested and nonforfeitable at all times. Company contributions are 100% vested after three years of continuous service.

Forfeitures - When a participant withdraws from the Plan prior to becoming fully vested, the nonvested portion of the participant's account related to matching contributions may be utilized to pay administrative expenses of the Plan; otherwise, forfeitures shall be utilized to reduce the Company's matching contributions. Forfeitures were \$48,777 and \$17,286 for the years ended December 31, 2023 and 2022, respectively. Forfeitures of \$60,851 and \$17,286 were utilized to pay plan expenses for the years ended December 31, 2023 and 2022, respectively. Other forfeiture activity consisted of investment income, as well as a \$12,027 transfer of forfeitures into the Plan in conjunction with the plan merger

during the year ended December 31, 2022. There was no balance available to the Company as a result of forfeitures at December 31, 2023. The balance available to the Company as a result of forfeitures was \$12,027 as of December 31, 2022.

Notes Receivable from Participants - Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans must be at least \$1,000 and are secured by the balance in the participant's account. Loans bear interest at the prime rate on the origination date of the loan. At December 31, 2023, the interest rate on loans outstanding ranged from 3.25% to 8.5%. At December 31, 2022, the interest rate on loans outstanding ranged from 3.25% to 7.5%. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Benefits - Upon termination of service due to death, disability, retirement or termination, participants or their beneficiaries may elect to receive an amount equal to the value of the vested interest in their account. Participants who face hardship or attain age 59½ may also be eligible for distributions. The form of payment is a lump-sum distribution.

Plan Expenses - The Plan's expenses are paid by the Company or the Plan as provided by the plan document. The Plan's expenses mainly consist of recordkeeping and advisory fees for the years ended December 31, 2023 and 2022.

Investment Options - Participants may direct their contributions and any related earnings into various investment options. The Plan is invested in various mutual and money market funds offered primarily by American Funds.

Participants may elect to have their accounts invested in the available options by allocating the contributions evenly among the investment options or by designating specific allocations among the options. Participants may change their investment options at any time.

Fair Value Measurements - Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs are not quoted prices in active markets, but they are observable either directly or indirectly. |

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's mutual and money market funds are valued using closing prices reported by the active market on which the individual funds are traded (Level 1). There have been no changes to the methodology used at December 31, 2023 or 2022. This method may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the plan administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Subsequent Events - The plan administrator has analyzed subsequent events for recognition and disclosure purposes through October 15, 2024, the date the financial statements were available to be issued.

2. PLAN TERMINATION

The Company anticipates and believes that the Plan will continue without interruption but reserves the right to discontinue the Plan at its discretion. In the event that such discontinuance results in the termination of the Plan, all amounts credited to participant accounts become 100% vested. The assets of the Plan will be distributed by the trustee in accordance with the trust agreement in a uniform and nondiscriminatory manner.

3. INCOME TAX STATUS

The Plan operates under a standardized adoption agreement in connection with a prototype 401(k) plan. The Internal Revenue Service has stated in a letter dated January 1, 2018 that the prototype plan is designed in accordance with the applicable regulations of the IRC. The Plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management believes there is no liability related to uncertain tax positions at December 31, 2023 or 2022. The Plan is no longer subject to U.S. federal or state income tax examinations by tax authorities for tax years before 2020.

4. CERTIFIED FINANCIAL INFORMATION

Ascensus Trust Company, the trustee, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits at December 31, 2023 and 2022.
- Net investment income (loss), as shown in the statements of changes in assets available for benefits for the years ended December 31, 2023 and 2022.
- The schedule of assets held for investment purposes at December 31, 2023, as shown on the accompanying schedule.

5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of assets available for benefits per the statements of assets available for benefits to the Form 5500 at December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>

Prior year refundable contributions not reflected in the Form 5500	<u>-</u>	<u>(89,519)</u>	
Increase (decrease) in assets available for benefits in the Form 5500	<u>\$ 11,502,481</u>	<u>\$ (5,732,387)</u>	

Additionally, there are minor classification differences between the financial statements and the Form 5500 in various income and expense categories.

6. RELATED PARTIES AND PARTIES-IN-INTEREST

Ascensus Trust Company serves as trustee of the Plan, and Ascensus, LLC serves as recordkeeper for the Plan; therefore, both Ascensus Trust Company and Ascensus, LLC are considered parties-in-interest.

Certain administrative functions of the Plan are performed by employees of the Company. Neither the Company nor its employees receive compensation from the Plan.

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
