INDEPENDENT AUDITOR'S REPORT

October 15, 2024

To the Plan Administrator and Participants of the
Power & Construction Group, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Power & Construction Group, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Power & Construction Group, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Power & Construction Group, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Power & Construction Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Power & Construction Group, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Power & Construction Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (Continued)
In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. PLAN DESCRIPTION

The following description of the Power & Construction Group, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Power & Construction Group, Inc. (P&CG), Twin Tier Constructors, Inc. (TTCI) and KBH Environmental, LLC (KBHE), (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

P&CG is the administrator of the Plan, the president of P&CG is the trustee of the Plan, and John Hancock Life Insurance Company of New York (John Hancock) serves as the custodian to the Plan. Northeast Benefits Services, Inc. (Northeast) is the Plan's third-party administrator and provides recordkeeping services for the Plan.

Eligibility

Employees of the Company are eligible to participate in the Plan on the first day of the quarter following attainment of 18 years of age. On January 1, 2023, the Plan was amended to allow all eligible employees to qualify for the discretionary matching and employer contributions. Prior to January 1, 2023, the discretionary matching and employer contributions required the participant to be 18 years of age, employed on the last day of the Plan year, and to have completed one year of service (1,000 hours as defined in the Plan document).

Contributions

Participants may make voluntary tax-deferred contributions in the form of salary reductions, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). On January 1, 2023, the Plan was amended to allow participants to make after-tax contributions into a Roth account. The Company may make discretionary employer matching and profit sharing contributions. The Company elected to match 25% of employee contributions up to the first 4% of their eligible compensation for the Plan years ended December 31, 2023 and 2022. The Company made discretionary matching contributions of $219,393 and $134,955, net of forfeitures, during the years ended December 31, 2023 and 2022, respectively. The Company did not make discretionary profit sharing contributions during 2023. The Company made discretionary employer profit sharing contributions of $750,000 during 2022.

The Company also makes contributions on behalf of each eligible TTCI participant who performs services subject to the Service Contract Act, Davis-Bacon Act or similar prevailing wage law based on an hourly contribution rate for the participant's employment classification for covered projects, up to the maximum amount allowed by the Internal Revenue Code. During 2023 and 2022, the Company made prevailing wage contributions of $406,086 and $235,342, respectively.

Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

1. PLAN DESCRIPTION (Continued)

Contributions (Continued)

The Plan includes an automatic enrollment provision. Newly eligible employees who have otherwise not affirmatively opted out of enrolling in the Plan are automatically enrolled. Employees enrolled as a result of this provision defer 3% of their compensation to the Plan. On January 1, 2023, the Plan was amended to add an annual auto-escalation of 1% up to a maximum of 10% of compensation for those enrolled via auto enrollment.

Participant Accounts

Participants direct the investment of their contributions and the Company's contributions into the various investment options offered by the Plan. Participant accounts are credited with participant contributions, the Company's contributions, and actual earnings and losses thereon. Plan expenses are allocated based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all employee contributions and actual earnings and losses thereon. Participants become 20% vested in the Company's contributions after two years of service and vest ratably over the ensuing four years, becoming 100% vested in such contributions after six years of service.

Benefit Payments

The Plan provides for benefit payments upon termination of service due to death, disability or attainment of retirement age. Participants may elect disbursement of their vested account balance in either a lump-sum amount, in installments, or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Actively-employed participants that have reached the age of 59 ½ may elect to receive in-service distributions. The Plan requires in-service distributions to actively-employed participants that have reached the age of 72.

Benefit payments from the Plan will be made in a lump sum distribution if the balance is less than $1,000 and the participant does not direct the Plan otherwise.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's vested account balance under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, provided they demonstrate the existence of a hardship event. Participants may have two loans outstanding at any time. Loan terms range from one to five years, unless they are used to purchase a primary residence, in which case repayment may be made over a reasonable period of time that may exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2% per annum. Principal and interest are paid ratably through payroll deductions.

Administration Expenses

The Plan pays certain administrative expenses of the Plan. Certain administrative expenses are paid by the Company.

1. PLAN DESCRIPTION (Continued)

Forfeitures

Forfeitures of non-vested account balances are used to reduce the Company's matching contributions or pay Plan expenses. In 2023 and 2022, there were forfeitures of non-vested employer contributions and earnings on unused amounts totaling $23,845 and $5,245, respectively. At December 31, 2023 and 2022, there was $23,845 and $5,245, respectively, available to reduce future employer contributions or pay administrative expenses. In 2023 and 2022, forfeitures of $5,245 and $8,802, respectively, were used to reduce employer contributions.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participant accounts would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Cash

The Plan maintains its cash in bank demand deposit accounts. At times, the amounts in the bank demand deposit accounts may exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk with respect to cash.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Investments are exposed to various risks, such as interest rate and market risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements – Definition and Hierarchy
The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefit Payments
Benefit payments are recorded when paid.

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified by John Hancock Life Insurance Company of New York, the custodian, as complete and accurate as of and for the years ended December 31:

	2023	2022
Investments, at fair value	$ 14,926,329	$ 10,819,171
Notes receivable from participants	$ 311,118	$ 154,885
Investment income (loss)	$ 2,170,552	$ (2,125,557)
Interest income on notes receivable from participants	$ 16,036	$ 9,561
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan contains no investments within the fair value hierarchy as of December 31, 2023 and 2022.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Pooled Separate Accounts: valued at net asset value per share practical expedient, which is based on quoted market prices of the underlying investments using a market approach.

Investment in Entities that Calculate Net Asset Value
The Plan is invested in pooled separate accounts that calculate net asset value on a daily basis. Units are issued and redeemed as of the end of each day at the daily net asset value.

The Plan's investments in pooled separate accounts are invested in global and domestic equity and fixed income based investments. The net asset value of these investments is derived from the market value of the underlying investments. The net asset value of the funds are then calculated and reported by John Hancock each day. Pooled separate account units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the pooled separate accounts, however, participants are limited to a maximum of two redemptions of a pooled separate account per month. The Plan's investments in pooled separate accounts do not have any unfunded commitments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. INCOME TAX STATUS

The Plan adopted a volume submitter plan offered by Northeast Benefit Services Inc. The volume submitter plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

6. PARTY-IN-INTEREST TRANSACTIONS

John Hancock is the custodian of the Plan assets. As such, transactions involving John Hancock and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2023 and 2022.

	2023	2022
Net assets available for benefits, per the financial statements	$ 15,693,715	$ 12,129,220
Difference in employer contributions receivable from forfeiture allocation	3,456	(3,779)
Difference in employee contributions receivable from miscellaneous adjustments	-	(99)
Net assets available for benefits per Form 5500	$ 15,697,171	$ 12,125,342

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the years ending December 31, 2023 and 2022:

	2023	2022
Change in net assets available for benefits per the financial statements	$ 3,564,495	$ (535,587)
Difference in employer contributions	5,410	-
Forfeiture adjustments	1,924	(3,878)
Change in net assets available for benefits per Form 5500	$ 3,571,829	$ (539,465)

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 15, 2024, which is the date these financial statements were available to be issued.
