Independent Auditor's Report

Plan Administrator
Packaging Specialties, Inc. Employee Savings & Protection Plan
Fayetteville, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Packaging Specialties, Inc. Employee Savings & Protection Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

General

The following description of Packaging Specialties, Inc. Employee Savings & Protection Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Packaging Specialties, Inc. (Company) for the benefit of its employees who have at least one year of service and are age 18 or older. Related employers who also participate in the Plan include Packaging Specialties of Georgia, Inc., PAC-MAC, Inc., and Packaging Specialties of Idaho, Inc. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Benefit Trust Company is the trustee of the Plan. Equitable Life Insurance Company serves as plan custodian.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of at least 2% up to the maximum allowed by law. Employee rollover and employee Roth contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company makes safe harbor matching contributions of 100% of each employees' salary deferral amounts up to 6% of employees' compensation. The Company may make discretionary contributions as determined by the Company's Board of Directors. No such contributions were made during the years ended December 31, 2023 and 2022. Contributions are subject to certain limitations.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and the Employer's safe harbor matching contribution plus earnings thereon. Vesting in the Employer's discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service for these contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through weekly payroll deductions.

Packaging Specialties, Inc. Employee Savings & Protection Plan
Notes to Financial Statements
December 31, 2023 and 2022

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a partial lump sum or a lump-sum amount equal to the value of the vested interest in their account. Upon termination of service for other reasons, a participant with vested account balances of less than \$5,000 will receive a lump-sum distribution or rollover to an individual retirement account. Participants with vested account balances greater than \$5,000 must consent to the distribution of their account. That participant may elect a lump sum, rollover, or partial lump-sum distribution. In-service distributions are also permitted for hardships, participants aged 59½, and active-duty military participants.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$8,620 and \$6,644, respectively. These accounts will be used to reduce future employer contributions. For the years ended December 31, 2023 and 2022, employer contributions were reduced by \$0 and \$13,923, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. The guaranteed interest option is valued at the net asset value (NAV), as a practical expedient, to determine fair value of the investments.

Pooled separate accounts are valued at estimated fair value as provided by Equitable Life Insurance Company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Certification of Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Equitable Life Insurance Company, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022
- Investment income and interest income from notes receivable from participants as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain plan investments are shares of pooled separate accounts and a guaranteed interest option managed by Equitable Life Insurance Company. Equitable Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in administrative expenses, as they are paid directly. The Company directly pays any other fees related to the Plan's operations.

The Plan paid \$146,642 and \$131,643 of recordkeeping fees to Equitable Life Insurance Company during the years ended December 31, 2023 and 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 5. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Packaging Specialties, Inc. Employee Savings & Protection Plan
Notes to Financial Statements
December 31, 2023 and 2022

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2023 and 2022:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
December 31, 2023				
Pooled Separate Accounts	\$ 20,310,451	\$ -	\$ 20,310,451	\$ -
Guaranteed Interest Option (A)	6,741,984			
Investments at fair value	\$ 27,052,435			
December 31, 2022				
Pooled Separate Accounts	\$ 15,966,321	\$ -	\$ 15,966,321	\$ -
Guaranteed Interest Option (A)	6,385,407			
Investments at fair value	\$ 22,351,728			

(A) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2023 and 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Packaging Specialties, Inc. Employee Savings & Protection Plan
Notes to Financial Statements
December 31, 2023 and 2022

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 6. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

Note 7. Tax Status

The Plan operates under a non-standardized profit-sharing/401(k) plan adoption agreement in connection with a non-standardized pre-approved profit-sharing plan with CODA document sponsored by Equitable Financial Life Insurance Company. This plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

Subsequent events have been evaluated through October 11, 2024, which is the date the financial statements were available to be issued.

Results of the 2023 Financial Statement Audit, Including Required Communications

December 31, 2023

Required Communications Regarding Our Audit Strategy & Approach (AU-C 260)

Overview & Responsibilities

Matter	Discussion
Section 103(a)(3)(C) – 29 CFR 2520.103-8	Management has elected to have the audit of the Plan's financial statements performed in accordance with the <i>Employee Retirement Income Security Act of 1974</i> (ERISA) Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. An audit performed in accordance with ERISA Section 103(a)(3)(C) does not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Management has determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. Management has also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).
Purpose	The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agree to, or are derived from, in all material respects, the certified investment information.
Scope of Our Audit	This report covers audit results related to your financial statements: • As of and for the year ended December 31, 2023 • Conducted in accordance with our contract dated May 29, 2024

Matter	Discussion
Our Responsibilities	Forvis Mazars is responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management, with the oversight of those charged with governance, are prepared in accordance with GAAP.
Audit Scope & Inherent Limitations to Reasonable Assurance	An audit performed in accordance with auditing standards generally accepted in the United States of America (GAAS) is designed to obtain reasonable, rather than absolute, assurance about the financial statements. The scope of our audit tests was established in relation to the financial statements taken as a whole and did not include a detailed audit of all transactions.
Extent of Our Communication	In addition to areas of interest and noting prior communications made during other phases of the engagement, this report includes communications required in accordance with GAAS that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process, including audit approach, results, and internal control. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.
Independence	The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.
Your Responsibilities	Our audit does not relieve management or those charged with governance of your responsibilities. Your responsibilities and ours are further referenced in our contract.
Distribution Restriction	This communication is intended solely for the information and use of the following and is not intended to be, and should not be, used by anyone other than these specified parties: • Retirement Committee and Management • Others within the Plan

Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the DOL's Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Qualitative Aspects of Significant Accounting Policies & Practices

Significant Accounting Policies

Significant accounting policies are described in Note 2 of the audited financial statements.

With respect to new accounting standards adopted during the year, we call to your attention the following topics detailed in the following pages:

- No matters are reportable

Unusual Policies or Methods

With respect to significant unusual accounting policies or accounting methods used for significant unusual transactions (significant transactions outside the normal course of business or that otherwise appear to be unusual due to their timing, size, or nature), we noted the following:

- No matters are reportable

Alternative Accounting Treatments

We had discussions with management regarding alternative accounting treatments within GAAP for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies, as follows:

- No matters are reportable

Management Judgments & Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. A significant area of such estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates includes:

- Fair value of investments

Financial Statement Disclosures

The following area involves particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Fair value of investments

Our Judgment About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observations regarding the Plan's application of accounting principles:

- No matters are reportable

Adjustments Identified by Audit

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments that, in its judgment, are required to prevent the financial statements from being materially misstated.

A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework.

Proposed & Recorded Adjustments

Auditor-proposed and management-recorded entries include the following:

- No matters are reportable

Uncorrected Misstatements

- No matters are reportable

Reportable Findings

During the course of the audit, we have identified the following reportable findings that are considered significant and relevant to those charged with governance over the Plan:

- Segregation of duties in the payroll accounting cycle
- Formal review of payroll master file changes
- Formal review and oversight of Plan financial performance and quarterly trust statements
- Insufficient monitoring of participant balances with notes receivable deemed distributed

See the “Required Communications Regarding Internal Control” section that follows for more information on these reportable findings.

Other Required Communications

Other Material Communications

Listed below is another material communication between management and us related to the audit:

- Management representation letter (see Attachments)

Required Communications Regarding Internal Control (AU-C 265)

Consideration of Internal Control over Financial Reporting

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2023, in accordance with GAAS, we considered the Plan's internal control over financial reporting (internal control).

This consideration served as a basis for designing audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statements.

However, this consideration was **not** for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Categorizing Deficiencies by Severity

Deficiency

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

Significant Deficiency

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Material Weakness

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatements of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

Identified Deficiencies

We identified certain deficiencies in internal control that we consider to be a material weakness.

Material Weakness

- The Human Resources Manager has access and ability to perform nearly all functions within the payroll transaction cycle. This could lead to misappropriation of assets through the payroll cycle. We recommend management consider review procedures over payroll information.

Significant Deficiencies

- There were five notes receivable deemed distributed outstanding from terminated participants without an investment balance large enough to repay the full note balance. This could result in a loss of assets to the Plan. We suggest management consult with their third party administrator regarding the prevention and correction of these matters.

Deficiencies

- There is no formal review of payroll reports to help deter the risk of fraudulent employees or fraudulent changes in payroll information. We suggest management establish a control to detect changes made to payroll master files to ensure accuracy of those changes.
- There is no formal review of quarterly statements from the third-party administrator (TPA). We suggest management establish a control to review quarterly TPA reports to oversee plan activity.

Rogers, AR 72758

The undersigned (We) are providing this letter in connection with Forvis Mazars' audits of the financial statements of Packaging Specialties, Inc. 401(k) Employee Savings & Protection Plan (Plan) as of and for the years ended December 31, 2023 and 2022 and supplemental schedule as of December 31, 2023.

Our representations are current and effective as of the date of Forvis Mazars' report: October 11, 2024.

Our engagement with Forvis Mazars is based on our contract for services dated: May 29, 2024.

Our Responsibility & Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to Forvis Mazars' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's (DOL) Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agree to, are derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Confirmation of Matters Specific to the Subject Matter of Forvis Mazars' Report

We confirm, to the best of our knowledge and belief, the following:

Broad Matters

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements and note disclosures in accordance with accounting principles generally accepted in the United States of America (GAAP) .
2. We acknowledge our responsibility for the design, implementation, and maintenance of:
 - a. Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - b. Internal control to prevent and detect fraud.
3. We have provided you with:
 - a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
 - b. The most current plan instrument for the audit period, including all plan amendments.
 - c. A draft of the Form 5500 that is substantially complete.
 - d. Additional information that you have requested from us for the purpose of the audit.
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - f. All minutes of Retirement Committee meetings held through the date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared. All unsigned copies of minutes provided to you are copies of our original minutes approved by the Retirement Committee, if applicable, and maintained as part of our records.
 - g. All significant contracts.
4. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.
5. We have responded fully and truthfully to all your inquiries.

Plan Design & Operations

6. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
7. The Plan is qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
8. The adoption date of the most recent plan amendment was February 8, 2023, as provided to you.
9. The Plan operates under a non-standardized profit sharing/401(k) plan adoption agreement in connection with a non-standardized pre-approved profit-sharing plan with CODA document sponsored by Equitable Financial Life Insurance Company. This plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.
10. The Plan has complied with the fidelity bonding requirements of ERISA.
11. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
12. We have reviewed the reports of all transactions processed by third-party services, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.
13. We have complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments.
14. As applicable, we have complied with the DOL's regulations concerning the services provider fee disclosures in accordance with Section 408(b)(2).
15. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the Plan Sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.
16. We have evaluated whether there are conditions or events known or reasonably knowable, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year of the date of this letter without consideration of potential mitigating effects of management's plans not yet fully implemented and concluded substantial doubt does not exist.

Misappropriation, Misstatements, & Fraud

17. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
 - a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.
18. We have no knowledge of fraud or suspected fraud affecting the Plan involving:
 - a. Management or employees who have significant roles in internal control over financial reporting, or
 - b. Others when the fraud could have a material effect on the financial statements.
19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers, or others.
20. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.

Related Parties & Parties-in-Interest

21. We have disclosed to you the identity of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships of which we are aware.

In addition, we have disclosed to you all related-party transactions and amounts receivable from or payable to related parties of which we are aware, including any modifications during the year that were made to related-party transaction agreements which existed prior to the beginning of the year under audit, as well as new related-party transaction agreements that were executed during the year under audit.

Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

22. We understand that the term related party refers to:
 - Affiliates.
 - Entities for which investments are accounted for by the equity method.
 - Trusts for the benefits of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management.
 - Principal owners and members of their immediate families.
 - Management and members of their immediate families.
 - Any other party with which the entity may deal if one party can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests.

Packaging Specialties, Inc. 401(k) Employee Savings & Protection Plan
Page 5

Another party is also a related party if it can significantly influence the management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the entity.

Litigation, Laws, Rulings, & Regulations

23. Neither the Plan nor the Plan Sponsor are aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
24. We have no knowledge of communications, other than those specifically disclosed, from regulatory agencies, governmental representatives, employees, or others concerning investigations or allegations of noncompliance with laws and regulations, deficiencies in financial reporting practices, or other matters that could have a material adverse effect on the financial statements.
25. We have disclosed to you all known instances of violations or noncompliance or possible violations or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements or as a basis for recording a loss contingency.
26. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the Plan.

Nonattest Services

27. You have provided nonattest services, including the following, during the period of this engagement:
 - Preparing a draft of the financial statements and related notes and supplementary information
 - Preparing entries to convert cash basis accounting records to accrual basis accounting records
28. With respect to these services:
 - a. We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
 - b. We have established and monitored the performance of the nonattest services to ensure they meet our objectives.
 - c. We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
 - d. We have evaluated the adequacy of the services performed and any findings that resulted.
 - e. Established and maintained internal controls, including monitoring ongoing activities.

Packaging Specialties, Inc. 401(k) Employee Savings & Protection Plan
Page 6

- f. When we receive final deliverables from you we will store those deliverables in information systems controlled by us. We have taken responsibility for maintaining internal control over these deliverables.

Financial Statements & Reports

- 29. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audit of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.
- 30. With regard to supplementary information:
 - a. We acknowledge our responsibility for the fair presentation of the supplementary information, including its form and content in conformity with relevant regulatory requirements or other applicable criteria.
 - b. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.
 - c. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
 - d. The supplemental information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - e. If the supplementary information is not presented with the audited financial statements, we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

Transactions, Records, & Adjustments

- 31. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- 32. We have everything we need to keep our books and records.
- 33. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms, and business purpose of those transactions.

Accounting & Disclosure

- 34. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.
- 35. Except as reflected in the financial statements, there are no:
 - a. Plans or intentions that may materially affect carrying values of assets and liabilities.
 - b. Material transactions omitted or improperly recorded in the financial records.

Packaging Specialties, Inc. 401(k) Employee Savings & Protection Plan
Page 7

- c. Material unasserted claims or assessments that are probable of assertion or other gain/loss contingencies requiring accrual or disclosure in accordance with Accounting Standards Codification (ASC) Topic 450, *Contingencies*, including those arising from environmental remediation obligations.
- d. Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter, which is the date the financial statements were available to be issued, requiring adjustment or disclosure in the financial statements.
- e. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.

36. Except as disclosed in the financial statements, the Plan has:

- a. Satisfactory title to all recorded assets, and those assets are not subject to any liens, pledges, or other encumbrances.
- b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

Receivables

37. Adequate allowances have been accrued for any material losses from uncollectible receivables.

Estimates

- 38. We have identified all accounting estimates that could be material to the financial statements, and we confirm the appropriateness of the methods and the consistency in their application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by the Plan in making the accounting estimates, including those measured at fair value reported in the financial statements.
- 39. Significant estimates that may be subject to a material change in the near term have been properly disclosed in the financial statements. We understand that “near term” means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations, which refer to volumes of loans, investments, or deposits, existing at the date of the financial statements that would make the Plan vulnerable to the risk of severe impact in the near term that have not been properly disclosed in the financial statements.

Fair Value

- 40. With respect to the fair value measurements of financial assets, recognized in the financial statements or disclosed in the notes thereto:
 - a. The underlying assumptions are reasonable and they appropriately reflect management’s intent and ability to carry out its stated course of action.
 - b. The measurement methods and significant assumptions used in determining fair value are appropriate in the circumstances for financial statement measurement and disclosure purposes and have been consistently applied.
 - c. The significant assumptions appropriately reflect market participant assumptions.
 - d. The disclosures related to fair values are complete, adequate, and in conformity with accounting principles generally accepted in the United States of America.

Packaging Specialties, Inc. 401(k) Employee Savings & Protection Plan
Page 8

- e. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.

Investments

41. Investments are properly measured at fair value, except for fully benefit responsive investment contracts which are reported at contract value. Investments measured at fair value include:

- a. Investments with a readily determinable fair value that are reported at net asset value (NAV) per share/unit.
