## Independent Auditors' Report

Trustees and Participants  
G3 Technologies, Inc. 401(k) Plan  
Columbia, Maryland

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of G3 Technologies Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of G3 Technologies Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of G3 Technologies Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about G3 Technologies Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of G3 Technologies Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about G3 Technologies Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**G3 TECHNOLOGIES, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**Note 1. Description of Plan**

The following description of G3 Technologies, Inc. 401(k) Plan, (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution 401(k) plan covering all employees of the Company who have three months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

Participants may elect to defer eligible compensation, up to the maximum limitations set by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company made a safe harbor enhanced matching contribution of 100 percent of the first 6 percent of the participants' pre-tax contributions. The Company may make a discretionary profit-sharing contribution to the plan. No profit-sharing contribution was made for 2023.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of investment expenses that are paid by the Plan. Administrative expenses are paid by the Plan sponsor. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their contributions and the Company's contribution plus actual earnings thereon.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$ 1,000 up to a maximum equal to the lesser of \$ 50,000 or 50 percent of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing interest rates charged on similar loans. Loan terms range from one to five years or longer for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions. A participant can only have 2 loans outstanding.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**Note 1. Description of Plan (continued)**

***Payment of Benefits***

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account, or may transfer the balance to an individual retirement account or another employer's tax qualified plan. The Plan allows in-service distributions to participants that meet certain age and service requirements.

**Note 2. Summary of Accounting Policies**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**G3 TECHNOLOGIES, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**Note 2. Summary of Accounting Policies (continued)**

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are deducted from the loan amount approved. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

***Subsequent Events***

The Plan has evaluated subsequent events through October 11, 2024, which is the date the financial statements were available to be issued.

**Note 3. Information Prepared and Certified by Reliance Trust**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, and notes receivable from participants as shown in the statements of net assets available for benefits
- Investment activity, as shown in the statement of changes in net assets available for benefits
- Schedule H, line 4i - schedule of assets (held at end of year)

**G3 TECHNOLOGIES, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

***Level 1***

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

***Level 2***

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

***Level 3***

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-ended mutual funds and are registered with the SEC. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

**G3 TECHNOLOGIES, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**Note 4. Fair Value Measurements (continued)**

Self-Directed Brokerage Account: These accounts are invested in mutual funds and common stocks. Mutual funds are valued as disclosed above. Stocks are valued at the closing price reported on the active market on which individual securities are traded.

Money Market Funds: Valued at the daily closing price as reported by the funds. The money market fund held by the Plan is an open-ended money market fund and is registered with the SEC. The fund is required to publish its daily net asset value (NAV). This fund generally transacts at a \$1.00 stable NAV. However, on a daily basis the fund NAV is calculated using the amortized cost (not market value) of the securities held in the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2023 and 2022:

**G3 TECHNOLOGIES, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**Note 5.      Related-Party and Party in Interest Transactions**

Parties in interest are defined under U.S. Department of Labor Regulations as any fiduciary of the Plan and any party rendering service to the Plan. Fees paid by the Plan to T. Rowe Price RPS, Inc. totaled \$ 3,450 for 2023. Notes receivable from participants are also considered a party in interest.

T. Rowe Price RPS provides certain administrative services to the Plan pursuant to a Service Agreement between the Company and T. Rowe Price RPS. T. Rowe Price RPS receives revenue from mutual fund service providers for services T. Rowe Price RPS provides to the funds. The revenue is used to offset certain amounts owed to T. Rowe Price RPS for its administrative services to the Plan.

If the revenue received by T. Rowe Price RPS from such mutual fund service providers exceeds the amount owed under the service agreement, T. Rowe Price RPS remits the excess to the Plan's trust. Such amounts may be applied to pay administrative expenses or allocated to the accounts of participants. The Plan Sponsor pays directly any other fees related to the Plan's operations. During the year the plan received excess revenue of \$ 20,000, which was used to pay Plan expenses. On December 31, 2023 and 2022, there was \$ 288 and \$ 183, respectively in unallocated excess revenue accounts.

**Note 6.      Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 7.      Tax Status**

The Company has adopted the DST Retirement Solutions LLC Volume Submitter Profit Sharing Plan. An IRS determination letter dated June 30, 2020, has been obtained for this Prototype Plan. The current version of the Plan has been amended to conform to the most recent requirements of applicable laws. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal tax return is subject to examination by the Internal Revenue Service and tax authorities, generally for a period of three years after the returns are filed.

**Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
