Independent Auditor's Report

401(k) Committee and Participants
Northland Hearing Centers, Inc. Employee Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Northland Hearing Centers, Inc. Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Northland Hearing Centers, Inc. Employee Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of Northland Hearing Centers, Inc. Employee Retirement Plan, previously known as the All-American Hearing Employee Retirement Plan (the Plan), established by Northland Hearing Centers, Inc. (the Company), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of the Company who have completed 30 days of service. The Plan excludes employees who are employed as an independent contractor, are a leased employee, are a nonresident alien with no U.S. income or are employed as Clinic Account Managers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and all investments are participant-directed. The Plan's 401(k) Committee is responsible for oversight of the Plan. The 401(k) Committee also determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's management.

Plan merger: Effective June 1, 2021, Starkey Hearing Technologies, Inc. assumed control over Good Sound Audiology, PLLC. Upon merger of the companies, eligible participants were able to start participating in the Plan. On February 28, 2022, the Good Sound Audiology, PLLC 401(k) Profit Sharing Plan, a related plan through common ownership, was frozen to all contributions and entry into the plan. Effective April 4, 2022, the Plan assumed control of all assets of the Good Sound Audiology, PLLC 401(k) Profit Sharing Plan and approximately \$579,000 of assets were transferred into the Plan.

Contributions: Participants may contribute up to 80% of their pretax annual compensation, as defined by the Plan, up to the maximum allowed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions may be in the form of pretax elective deferrals or after-tax Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled at a contribution rate of 6% of eligible compensation, unless they affirmatively elect otherwise. The Company may make discretionary matching contributions and discretionary employer contributions to eligible participants, as defined by the Plan. In 2023, the Plan participants received a discretionary matching contribution equal to 50% of the amount of participant contributions up to 4%. Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Participant accounts: Each participant's account is credited with the participant's contributions, Company contributions, if any, and Plan earnings or losses, net of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on years of continuous service. A participant vests ratably and is fully vested after five years of credited service. A participant also becomes fully vested in their entire account upon death or permanent disability.

Investment options: Upon enrollment in the Plan, a participant may direct contributions in various investment options. Each option varies in type of investment, rate of return and investment risk. Participants may change their contribution election and investment option elections on a daily basis.

Northland Hearing Centers, Inc. Employee Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The repayment period is not to exceed 60 months. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined monthly by the Plan Administrator. The loans outstanding at December 31, 2023, bear interest ranging from 5.25% to 10.50% with maturity dates through November 2028. Principal and interest are paid ratably through semimonthly payroll deductions.

Payment of benefits: Upon termination of employment, death, permanent disability, retirement or attaining age 59 ½, financial hardship, as defined, or Plan termination, a participant may elect to roll over their balance to another qualified plan or individual retirement account or receive the value of the vested interest in their accounts in the form of a lump-sum distribution or periodic payments for a specific number of years not longer than their life expectancy or the life expectancy of their beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution or roll over the balance to another qualified plan or IRA. If a terminated participant's vested account balance does not exceed \$5,000 at the time of distribution, the balance will be distributed to the participant in a single lump-sum payment.

Forfeited accounts: Forfeited nonvested accounts shall be used to restore accounts of rehired participants, pay administrative expenses or fund employer contributions. Forfeited nonvested accounts totaled approximately \$1,800 and \$2,000 as of December 31, 2023 and 2022, respectively. Approximately \$22,100 and \$40,400 of forfeitures were utilized during 2023 to pay administrative expenses and to fund employer contributions, respectively.

Transfers to or from this plan: Starkey Laboratories, Inc., the parent company of Northland Hearing Centers, Inc., also sponsors an employee retirement plan. If employees change positions within either Company, their account balances can be transferred to or from the current plan and into the corresponding plan.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Northland Hearing Centers, Inc. Employee Retirement Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Excess contributions payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability, with a corresponding reduction in contributions.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022 as the notes receivable are collateralized by participant balances. If a participant ceases to make loan payments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, that was prepared or derived from the information provided by Principal Trust Company, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule:

	2023	2022
Investments at fair value:		
Collective trust funds	\$ 19,409,982	\$ 15,002,888

Notes receivable from participants	476,392	431,742
	<u>\$ 23,235,195</u>	<u>\$ 17,980,509</u>

Northland Hearing Centers, Inc. Employee Retirement Plan

Notes to Financial Statements

Note 3. Information Certified or Provided by the Trustee (Continued)

Principal Trust Company also certified to the completeness and accuracy of \$3,072,136 of net appreciation in fair value of investments, interest and dividends of \$38,057 related to the aforementioned investments, and \$32,971 of interest income on notes receivable from participants for the year ended December 31, 2023.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Collective trust funds: The collective trust funds are valued at net asset value (NAV) of shares or units held by the Plan based on quoted market value of the underlying assets.

Mutual funds: Mutual funds are valued at quoted prices available in an active market.

Pooled separate accounts: Pooled separate accounts are valued at their NAV, which is the practical expedient to estimate fair value. Pooled separate accounts are valued daily and can be redeemed at NAV as of the measurement date.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	\$ 2,039,171	\$ -	\$ -	\$ 2,039,171
Investments measured at NAV:				
Collective trust funds (a)				19,409,982
Pooled separate accounts (a)				1,309,650
Total investments at fair value				<u>\$ 22,758,803</u>

Assets as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	\$ 1,533,220	\$ -	\$ -	\$ 1,533,220
Investments measured at NAV:				
Collective trust funds (a)				15,002,888
Pooled separate accounts (a)				1,012,659
Total investments at fair value				<u>\$ 17,548,767</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV or its equivalent have not been classified in the fair value hierarchy. The fair value amounts in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Collective trust funds	\$ 19,409,982	\$ 15,002,888	None	Daily	None
Pooled separate accounts	1,309,650	1,012,659	None	Daily	None

Notes to Financial Statements

Note 5. Income Tax Status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities have occurred since year-end and that such changes could materially affect participants' account balances and the amounts reported in the 2023 statement of net assets available for benefits.

Note 8. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and transactions with the Company also qualify as party-in-interest transactions. Administrative fees paid by the Plan to the trustee during 2023 were approximately \$83,000.
